CHILL

Rotary Kidman Park

"I'm disappointed. If anyone should have seen the red flags, it's you."

FOR All those among us still working.

LAST WEEK'S GUEST SPEAKER - PETER MURTON

Our own Peter Murton spoke with us about fire safety in the home. He also spoke about his role as a fire protection engineer in the reconstruction of the Southern Ocean Lodge on Kangaroo Island which was decimated by bushfires earlier this year. Since they first became popular, regulations involving home smoke detectors have changed and the technology has advanced. Working smoke alarms are compulsory in private homes and rental properties. Most house fires occur at night when people are sleeping and unable to smell smoke so smoke alarms save many lives.

Peter informed us about the benefits and drawbacks of various smoke detectors and systems, and the importance of checking them regularly to ensure that they are in working order. He also discussed the significance of locating alarms in areas where they are most effective. Peter's presentation contained excellent detail, and he is happy for members to make enquiries to obtain relevant advice.

Birthdays		Anniversaries
9th July	Ed King	No Anniversaries This Week
9th July	Annie Comley

WORDS FROM OUR PRESIDENT

Last Week 30th July

Our own member, Peter Murton, gave us an update on his presentation on 'Safety in the Home' and reminded us to keep your homes safe with up to date smoke detectors. To bring his point home, Peter shared a video of how quickly a fire can spread - within minutes your house can be ablaze.

This Week 7th July

We are back at the West Beach Surf Life Saving Club. It will be GREAT to be live again! Our speaker this week will be Sourav Roy. His topic is, "Hydration, Are You Drinking Healthy Water?"

Next Week 14th July we will have a Business Networking Meeting

Our guest speaker will be Ali Greco. Her topic, "Cybercrime is your computer safe?"

Do not miss this one and invite family, friends and people in business along for a fun evening.

See you in the flesh at West Beach Surf Life Saving Club.

Yours in Rotary,

Kevin Tiggy.

TIGGY'S THOUGHT FOR THE WEEK

The Four-Way Test

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

DHS SCREENING

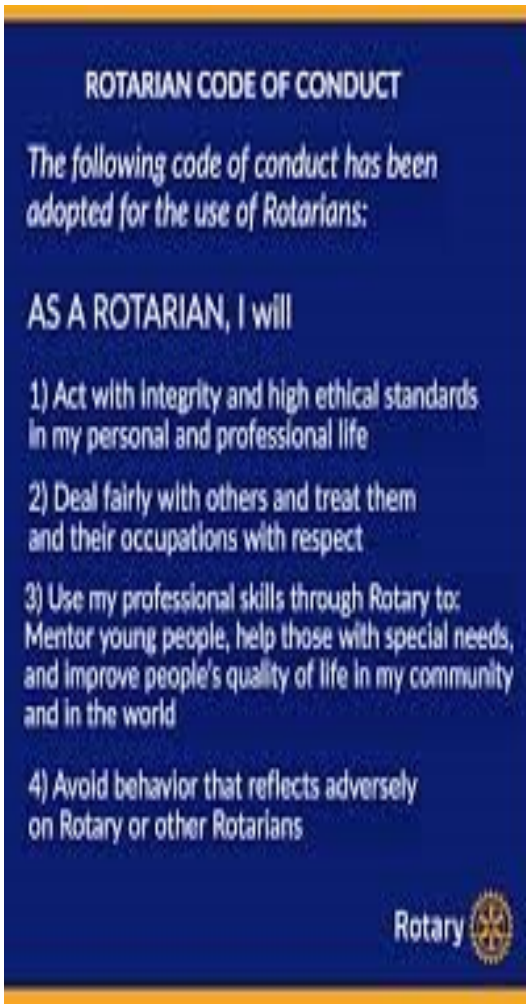

While we are spending much more time at home it is a good opportunity to get a DHS Screening from the Department of Human Services.
This can be done on line and is compulsory for all volunteers working with the aged, children, vulnerable groups and disability sectors from July.
All you need is a birth certificate and driver's licence, or passport and drivers licence to do it all on line.
Go to www.dcsiscreening.sa.gov.au
Go to applicants can initiate a check independent of an organisation - click
Role description - Working for Kidman Park Rotary Club
Screening required - tick all of them

- Aged Care Sector
- Disability Services
- General Employment
- Vulnerable Persons
- Working with children

Category is Volunteer
Keep going.
Good luck if you manage to get it; the certificates last from between 3 and 5 years.

Janet Johnson
CPO

ROTARY INTERNATIONAL NEWS

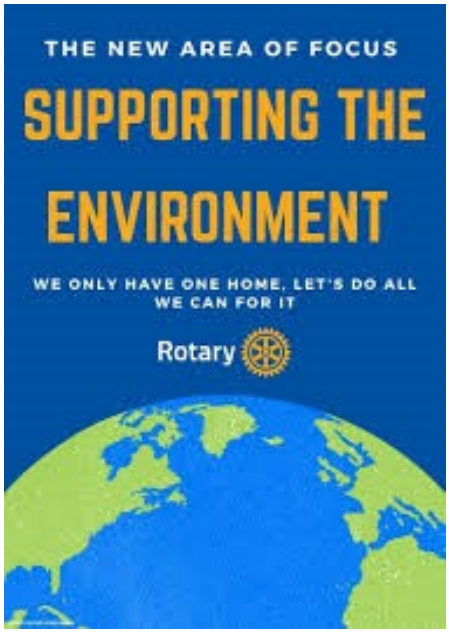

The Rotary Foundation Trustees and Rotary International Board of Directors have both unanimously approved adding a new area of focus: supporting the environment.

More than $18 million in Foundation global grant funding has been allocated to environment-related projects over the past five years. Creating a distinct area of focus to support the environment will give Rotary members even more ways to bring about positive change in the world and increase our impact.

RI President Mark Maloney says that during his travels around the world as a Rotary senior leader he encountered many Rotary members and Rotaractors who advocated for the environment to be an area of focus.

"I believe strongly that our Rotary Foundation programs now have a valuable added dimension to our efforts," says, Maloney.

Foundation Trustee Chair Gary C.K. Huang says that with the global population reaching near eight billion, protecting the environment is increasingly important.

"It is time for us to use our collective resources to invest in a smart and efficient way to protecting our environment," says Huang. "We are qualified to take this initiative because we are a global group of problem solvers with diversified talents."

In 1990-91, RI President Paulo V.C. Costa made the environment one of his primary causes, creating the Preserve Planet Earth subcommittee, which looked at ways clubs and members could conduct environmental initiatives.

"We have finally caught up to Costa [his vision]," says Past RI President Ian H.S. Riseley, chair of the Environmental Issues task force, which championed the new area of focus.

"As a lifelong environmentalist, I'm delighted that our great organization has recognized that the environment is a worthy and appropriate destination for our project activity," says Riseley. "This is an exciting moment in Rotary history."

Supporting the environment becomes Rotary's seventh area of focus, which are categories of service activities supported by global grants. It joins peacebuilding and conflict prevention; disease prevention and treatment; water, sanitation, and hygiene; maternal and child health; basic education and literacy; and community economic development.

ESRAG
ENVIRONMENTAL SUSTAINABILITY ROTARY ACTION GROUP

Grant applications for projects will be accepted beginning on 1 July 2021. Gifts and commitments from Rotarians and others will be sought to provide global grant support for the new area of focus.

More information about this new cause will be announced soon.
