Old age...

IN MEMORIUM

With all the sadness and trauma going on in the world at the moment, it is worth reflecting on the death of a very important person, which almost went unnoticed last week. Larry LaPrise, the man who wrote "The Hokey Pokey", died peacefully at age 93. The most traumatic part for his family was getting him into the coffin. They put his left leg in. And then the trouble started.

WORDS FROM OUR PRESIDENT - CHRIS BRANSON

Good turn up for committee meetings this week. Finally, we are able to stand and consume alcohol so we can stand to toast our country. Also, we can have a "standing" drink after the meeting if we choose, as long as there are no more than 100 people and it's a private function. Hooray! Progress!

Len Nowak has been coming to our business network dinner meetings quite regularly since he was invited by Mario McDonagh last year. Len will be inducted next meeting and he will be our guest speaker at that meeting presenting the topic "My Life – My Job". Looking forward to welcoming another new member.

Jenny Harris spoke on the success so far of the $2 book sale at Bookmart which has been going well. Bookmart was open for the first time on the recent public holiday and proved to be quite successful. Well done to all the volunteers. Jenny also suggested a committee meeting was overdue since Bookmart hasn't had one since COVID.

John spoke about the Novita project which is coming along with quotes for work from Wayne Comley. He also spoke about Tutti Arts request for 100 chairs and how we might be able to acquire them from DIK. John also has looked into applying to Bunnings to have another attempt at holding a BBQ at the Airport site. Chris Turner has been involved in one and has suggested it isn't as onerous as we thought it would be.

Alison reminded us all about the upcoming Conference on the 16th – 18th April 2021. It is to be held at Westminster School which means no travelling and accommodation costs. Hopefully this means attendance will be good.

Chris H and Janet spoke about the club sponsoring a young person participating in "Operation Flinders". Sounds like a very worthy cause.

Ron spoke of the difficulties trying to organize fellowship events due to everchanging COVID restrictions. However, Guess Who's Coming to Dinner is being planned as are other events including Christmas lunch on the 13th December; details to be advised soon.

Warren spoke on behalf of Admin regarding One Drive update, some COVID issues and Rotary by-laws that Peter Murton is handling.

Tom advised us that the Ghana project is happening but it's a very slow process.

Don't forget Tuesday October 20th is the outing to the Tonsley Precinct at 5pm and then to the Marion Hotel for dinner.

Cheers

President Chris
