FROM PRESIDENT CHRIS

Hi Everyone,

An excellent turn out this week for our Business Network Meeting & final get-together for 2020 & what a challenging year it has been!

Our Christmas Lunch at the West Lakes Golf Club was a great gathering & good fun was had by all. Excellent venue & great food & wine. Well done to the Fellowship Committee for organising it. A visit from Santa & his lovely helper Mrs Claus was a highlight & gave us a few laughs. A big "thank you" to Bob for taking some great photos of the festivities & it was enjoyable to see them displayed during our dinner for the members that were there & the ones who couldn't be with us on the day.

Norm will be 104 years young on Christmas Eve & it was good to be able to celebrate with him & enjoy 2 delicious cakes for dessert. Well done Norm & as you say "just keep breathing" is the answer to longevity!!

If you wish to attend the President's BBQ on Jan 10th 2021 please advise Ron ASAP (for catering purposes) & process a bank transfer to KPRC bank account for $25 per head. The BBQ is to be held at The Old Gum Tree & will be catered for by an outside catering service. Please bring your own chair & perhaps small table. It is also BYO drinks.

What a vibrant, enthusiastic speaker we had in Lainie Anderson. Such dedication & passion for her story on the epic adventure by Ross & Keith Smith in 1919, flying the Vickers Vimy from England to Australia. Lainie has been studying/researching this voyage for a number of years & has also written a book "Long Flight Home" & co-produced a documentary on the subject. Such was her popularity on the night her books sold out! Lainie was fortunate to receive a Churchill Fellowship which allowed her to travel to 9 countries over 7 weeks to retrace this enormous feat of the Smith brothers. The Vickers Vimy is located at the Adelaide Airport but not prominently displayed, however that is about to change in 2021 when it is going to be moved to a position of more prominence & more accessible to the public. This is a significant part of South Australian history which sadly I knew very little about, until now thanks to Lainie.

Once again Bob from the WBLSC popped out of retirement to thank us on behalf of Kate & all the staff for our patronage over the past "turbulent" year & to wish us well for the festive season.

Merry Christmas & Happy & safe New Year to everyone.

Cheers

President Chris

BUNNINGS BBQ – 1 JANUARY 2021

Gross Sales (incl $38 Donations) $886
Net Profit Estimate **$540**
Nett Profit based on anticipated future sale of the excess 264 sausages (now frozen) and future use of condiments, drinks, aprons.

First time for our Club in the new Bunnings Airport site and also Bunnings Airport's first ever New Year's Day so we were going into unexplored territory. We were hoping for a better result but it was a good learning experience for the busier dates to come. Special thanks to our 3 Team Captains Paul Denley, Ron Harris and Christine Turner. And yes, the rest of the team who gave up their New Year's Day deserve their name in print. They are: A Harris, G Gaunt, R Hudson, S Ghent, E King, R Stocker, J Stocker, K Burke, P Brown, J Johnson, K Tiggemann, C Tompkins, M McDonagh, F Bunnik, Clive Turner, R Willington. Thanks to you all. The camaraderie in the teams was obvious and hope you had fun!

ABOUT ROTARY

One of the most widely printed and quoted statements of business ethics in the world is the Rotary 4-Way Test. It was created by Rotarian Herbert J Taylor in 1932 when he was asked to take charge of the Chicago based Club Aluminum Company, which was facing bankruptcy. Taylor looked for a way to save the struggling company mired in Depression caused financial difficulties. He drew up a 24-word code of ethics fo all employees to follow in their business and professional lives. The 4-Way Test became the guide for sales, production, advertising and all relations with dealers and customers and the survival of the company was credited to this simple philosophy. Herb Taylor became President of Rotary International during 1954-55. The 4-Way Test was adopted by Rotary in 1943 and has been translated into more than 100 languages and published in thousands of ways. It should be known and followed by all Rotarians.
