WORDS FROM PRESIDENT CHRIS

Wow! What a great turnout this week for our first meeting for 2021. Great to see so many partners as well as other Rotary guests. We welcomed DG Elect Jeff & Damian Leach a member of Campbelltown & representing Rotary Youth Programs. We also welcomed Heath Ryan, who was our Guest Speaker, son of Robert & Vicki Ryan.

We had an excellent gathering of members & partners at the Presidents BBQ held at the Old Gum Tree, Glenelg North last Sunday. Even though it was a very hot day you would not have known it as the venue was very well shaded & we had a cool breeze as well. Very lucky! The meal was well catered for & a big "thank you" to Ron & the Fellowship committee for great organization. Well done!

A big "thank you" also to all who participated in the Bunnings BBQ on New Year's Day. Great effort raising $548.

Rob Stocker has now taken over publishing of the Bulletin. Thank you to Jenny Clarke's great work, a job well done! Rob is looking for all members input into the bulletin, photos, stories, comments etc. Rob is also looking for a volunteer to publish the Bulletin while he takes 2 weeks off at the end of January & then again from the 4th-25th March. If you can help Rob out please contact him ASAP.

What about our guest speaker this week!! Heath Ryan was introduced by Peter Brown. Peter has known Heath since he was a small boy growing up here in Adelaide probably never thinking that one day this little boy would one day be rubbing shoulders with & working with Hollywood celebrities & be living & working in the USA. Heath is currently back in Adelaide due to Covid (some good things come out of Covid) & we were fortunate enough to have him speak about his work in the film industry in Los Angeles. Heath has produced & edited many award winning films & music videos for international artists. He is an extremely talented & knowledgeable person who was very interesting to listen to. He spoke to us about photography of the future which was quite an eye opener. For someone who came name the likes of Mariah Carey as a friend of the past 10 years he appears to be quite a humble & unassuming young man with great photographic/editing/producing (the list goes on) skills. It would be interesting to have Heath back again in the future when Covid is over & to tell us about the effect that it had on the film industry.

See you all next week

Cheers

President Chris

OUR GUEST SPEAKER: HEATH RYAN

Heath's entrepreneurship, his excitement, passion and commitment for his chosen craft was self evident in the talk he gave on Tuesday 12 Jan. Impressed by his casual mention of his friendship with major Hollywood producers, musicians and actors we learnt that it was also an indication of his approach to business. "If you love what you do and allow that to be the driving force of your business model, then success is a logical conclusion", seems to be his mantra. In spite of the ups and downs of the industry he maintains a positive attitude that works!
His long term view is to embrace change in whatever form that is likely to take.

An enlightening and enjoyable presentation.

A NOTE FROM YOUR EDITOR

Dear Members

A quick word to reinforce my comments at last Tuesday's meeting.

The KK is our way of keeping us informed about the projects, activities and news relating to the Club's goals and objectives.

I see the editor's role as one maintains the integrity of the publication by reviewing information that is submitted by members. Such information includes written copy (hand or electronic) , photos and news items of interest to us all for publication.

My plan is to publish each issue by the Thursday (at the latest) following each Tuesday meeting.

There are several innovations that, by gradual introduction may benefit or improve the "newsworthiness" of our publication. These innovations result from your responses to a survey undertaken late last year and these ideas are listed in the text box to the right.

Cheers
Rob

Firstly, the basic structure will remain the same until we have decided on the look and feel of the Web Site and KK.

Potential additions are:

1. Current Guest Speaker talk content
2. Next week's Guest Speaker biography
3. Rotary News
4. Committee Chair Reports including BookMart
5. Club Social Activities
6. This Month in Rotary
7. Where's Wally

To accomplish this as an individual would require much more time than any one of us has avaiable..

The obvious solution is to spread the work across a number of people. Therefore it is logical that members who have responsibility for organising project, events, activities are the best people to write about them. They may choose to delegate that task.

Don't worry about your writing skills being adequate, it is the editor's role to tweak the copy.

I look forward to your support for the regular production of the Kidman Krier.

PRESIDENT'S BARBECUE 10 JAN 2021

The 2020-21 President's BBQ was held at the Old Gum Tree Reserve on Sunday 10 Jan with ideal weather conditions – a warm day with a mild cool breeze.

The setting under an arch of shady trees allowed members and partners to enjoy each other's company over a few hours, with tables and chairs arranged to enable people to mix and mingle.

Chicken shaslick, steak and sausage with a range of salads provided by caterers sustained the hungry crowd with the odd bottle of red and white "cordial" being enjoyed as well. .

This annual event is a highlight of the year for members and particularly welcomed after a year of difficulties that had a wide impact.

We look forward to 2021-22.
