WORDS FROM PRESIDENT CHRIS

Once again Paul Denley rose to the occasion as stand-in for President Chris. His sense of humour and two mindful “thoughts to consider” rounded out another interesting meeting.

PDG Barbara Wheatcroft encouraged member’s attendance at this year’s District Conference to be held at Westminster School.

To see and hear about the passion, dedication and commitment of our Guest Speaker Kevin Fergusson was a treat.

The Joker proved to be elusive yet again.

OUR GUEST SPEAKER:

What an amazing inspirational speaker. Kevin at the age of 60 is an incredible triathlete of World class standard.

He told us about the loss of his mother from Cancer at the age of 55 and the tragic loss of his father in an unfortunate accident.

This set him on a mission to change his life from being a drinker and a smoker to raise money for Cancer research by becoming an Elite Athlete.

Kevin completed his first triathlon in 1992, and in 26 years has completed 450 triathlons, 40 Ironman, 70 Duathlons, 20 Aquathons and 1 Marathon that took less than 3 hours.

On his journey Kevin has been Australian Champion 29 times and World Champion 14 times in his age group.

He told us that of one of his many highlights was pushing his quadriplegic friend Sid James around the Busselton Ironman Course.

This was no mean feat, Kevin was pulling a 70kgs man plus equipment including a special chair, medical requirements and his own bike.

His high level athletic fitness has enabled him to raise over $55,000 for Cancer research with the help of some amazing sponsors.

ABOUT ROTARY

By 1914 there were 80 Rotary Clubs in the British Isles. Before becoming a constituted organisation, the wives of Liverpool Rotarians in England had assisted their husbands during World War 1 with various projects and had become known as Rotary Ladies. They later called themselves The Service Club.

Many similar Clubs under various names were formed to help Rotarian husbands. However it was the Manchester Club which in 1924 provided the name and model rules upon which the Inner Wheel movement is based.

At an early stage in its existence Inner Wheel began to spread overseas and in Australia the first interest meeting was held in Ballarat in 1931. The Rotary President at Ballarat, Mr Maddern, had written to Mrs Oliver Golding asking for details about the Inner Wheel movement in Great Britain and Ireland. Margaret Golding was overjoyed at the enquiry and in fact said “This is the first enquiry from the Colonies!”. So in 1931 Ballarat Club (disbanded in 2001) closely followed by the still active North Sydney Club were the first Inner Wheel Clubs to be chartered outside the UK. A quirk of fate saw both clubs issued Overseas Club No 1.
