WORDS FROM PRESIDENT CHRIS

Hi Rotarians,

I am writing from the desk of your “fill in” Rotary Meeting President as our President Chris Branson finds himself currently in hospital. I wish, on behalf of us all, a speedy recovery to President Chris and hopefully we may see him next Tuesday.

Australia Day has come and gone and not without the many and varied usual controversies that are highlighted on our official national day of Australia. Irrespective of debates on what course we should steer, most would agree that we are all extremely fortunate to live in this great country of ours, Australia. Over the past year the world has been in the grip of COVID 19 and we in Australia have managed the resulting outcomes better than almost every other country. I don’t think there ever was or will ever be a “free ride” for our citizens, perhaps nor should there be, but Australia is still a land of opportunities for all, given hard work and a pinch of luck.
Hopefully 2021 will be a healthier year for the world, on all levels, as we all strive to make a contribution to leave a better world for our grandchildren’s children.

This week there is no guest speaker as we will be holding Committee Meetings. Please attend next weeks meeting, if you can, as the first Committee Meetings of 2021 can help set your committees plans for the rest of the Rotary year. It’s fun and rewarding seeing plans come to fruition.

In last weeks Kidman Krier Janet Johnson had an article on how to get a DHS Screening from the Department of Human Services. This can be done on line and is compulsory for all volunteers working with the aged, children, vulnerable groups and disability sectors.I would encourage all to get this clearance. Makes life easier when we undertake potential future projects.

See you next Tuesday

Paul

NEXT WEEK'S GUEST SPEAKER:

COMMITTEE MEETINGS

Environment – our new area of focus!

As most of you know by now, The Rotary Foundation Trustees and Rotary International Board of Directors have approved adding a new area of focus: *supporting the environment.*
Supporting the environment joins peacebuilding and conflict prevention; disease prevention and treatment; water, sanitation, and hygiene; maternal and child health; basic education and literacy; and community economic development.
Over the past several years, more than $18 million in Foundation global grant funding has gone towards environment-based projects. Now with this approved and added area of focus, grant applications for projects will be accepted from 1 July 2021.
From a communications perspective this is a great time to work on proactive story mining.
As Rotary's Sr. Coordinator in Communications and Public Relations I am on the lookout for stories we can promote to an external audience via social media, newspapers, magazines, radio and television.
When the time is right, I'd like to try and assist Rotary members in placing stories in media and hopefully spread the word.
If you've heard about any environment initiative projects in progress (started or starting as a result of the new area of focus) or become aware to please keep me informed of any such projects as they become available.
For further information and to let me know of any stories contact me at angela.stavro@rotary.org
Angela Stavrogiannopoulos
Sr. Coordinator Communications and Public Relations RISPPO

ANOTHER NOTE FROM YOUR EDITOR

I will travelling to NE Victoria to celebrate our daughter Louise's 50th Birthday and will be away for the meeting of Tues 2 Feb. I will be attempting to produce the Kidman Krier remotely.

This means the publication will be relying on Committee Chairs, organisers of events/guest speakers, and members to provide reports, articles and photos electronically as soon as is practicable. In any case we are all aware that the absolute deadline is 7:30 am on the Thursday after the regular meeting.
Thank you to all those who have provided information for publication over the last couple of issues. It has certainly made the process of publication much easier.
Regards
Rob

ABOUT ROTARY

January is now Vocational Service month in the Rotary calendar.

Vocational Service is the essence of Rotary and serves as the foundation from which we serve our communities around the world. Vocational Service calls on us to empower others by using our unique skills and expertise to address community needs and help others acquire or refine skills and advance their professional opportunities.

Below are some examples of vocational service in action:
The Rotary Club of Hong Kong Island East partnered with the School of Opportunity, a summer camp for refugee students in Hong Kong. Rotarians from the club volunteered to teach business and coding courses to 12 students. The goal was to show the refugee teenagers (ages 11 – 15 from Nigeria, Rwanda, Israel, India) that there is kindness in business, and that being an entrepreneur is not only about making profits but also contributing to the community. Two members of the club who had grown up in public housing and came from low-income families spoke to the students about their experiences putting their heart and efforts into creating amazing careers.

The Rotary Club of Lipa West in Philippines organised scholarships for 25 students for a baking and pastry vocational program in partnership with TESDA: Technical Education and Skills Development Authority. All expenses were paid for, and students were provided ingredients and aprons for technical training in baking. Many small to medium sized companies around the Kwara state of Nigeria have no means of promoting their business besides through radio and T.V. stations which can be very expensive.

To help these businesses gain more exposure, the Rotary Club of Ilorin Metro sponsored training where experts were invited from digital media companies to train 100 participants on how to use a social and digital media to advertise their business to reach a larger audience.

The Rotaract Club of East Nassau in the Bahamas hosted a Vocational-Career Day for over 100 students. The day was dedicated to learning about job opportunities in various industries, social media, and character development. The theme for the day was Path to Greatness highlighting the importance of integrity and character in business. Members were advised on the dangers and benefits of the digital era. The participants heard from a member of the Royal Bahamas Police Force Band who spoke on discipline. The theme was further enhanced when Rotaract members played career games.

END POLIO NOW UPDATE

Dear friends,
Welcome to 2021 and the task of maintaining the impetus of our END POLIO NOW campaign – in the face of the ongoing struggle with COVID-19.and take advantage of the bonus 5:1 payments from the Gates Foundation and the Rotary Foundation World Fund;
Every District to continue the search for TRF Major Donors at US$10k or more; To take our promotion of END POLIO NOW to a new level in all Zones. Our leaders in Taiwan, the Philippines, New Zealand and Australia mounted impressive campaigns in many capital cities last October and this must continue – with special emphasis on schools and the education of children.

To this end, I thought there was no better way to get our thoughts and plans in unison than to invite RI Past Vice •President Mike McGovern, Chair of RI's Polio Plus Committee, to provide a special message (click here to access) to inspire us all to renew our commitment to the demise of Polio by way of focus on promotion and fund raising within our Rotary clubs and districts – and the public arena – between now and June 30. Mike highlights the fact that our • PolioPlus network has been fully engaged in providing surveillance to keep the coronavirus pandemic in check during 2020 but never once took our eyes off the task of eradicating polio! Please take time to read the message – you will be inspired!

During the festive season break, positive • reports from Polio Day and Month (October) continued to be received from all parts of our Zone, so thank you all again for what was surely one of our best ever promotions and fund raisers. Let's look at the focus points for the final six months of 2020/21 Rotary year –
• The task of raising US$50 million to ensure Rotary's full benefit from the Gates Foundation subsidy must be our primary focus, based on goals of:
• US$1,500 from every club;
• Districts to donate every spare cent of DDF to END POLIO NOW
Urge Rotarians and families to make an effort to wear the red END POLIO NOW shirts and caps. Utilise the caps as prizes for Rotary and school promotions, ie: Walkathons and Bicycle marathons. Plenty of stock available from RDU Supplies. Addressing the impact of circulating vaccine-derived poliovirus Cvdpv and the value of the new vaccine to slow the incidence in many countries. I am happy to share the news that RI Past President and TRF Chair Elect 2021/22 John Germ has invited me to continue as END POLIO NOW Coordinator, Zone 8, for a further two years July 1, 2021, through June 30, 2023.
Finally, it has been pleasing to note little change in Polio case numbers during the festive season – December 30, 2020 – 139 cases (Pakistan 83, Afghanistan 56. These are slight improvement on total numbers for 2019 – 176, with 147 in Pakistan and 29 in Afghanistan. Please understand that these figures may be impacted by the border conflict on the Pakistan/Afghan border and of course the ongoing COVID campaign.

PDG Bob Aitken AM
RI END POLIO NOW Coordinator, Zone 8, 2020/23

FROM YOUR EDITOR

Your Editor asks that all reports from Directors and members wishing to have information published in our club's weekly newsletter, be emailed to the Editor's email address. which is always included on the cover page of each week's Kidman Krier :

holmwood2@me.com

The deadline for emailed reports is 7:30am each Thursday morning
However, submitting reports earlier makes for easier preparation and publishing..
