COMMITTEE CHAIR REPORTS

COMMUNITY SERVICE

Community Committee members recently made a presentation to the Tutti Arts Centre at Brighton. This presentation of 4 computers was warmly received by Linda Williams, general Manager and Pat Rix, CEO. Our involvement with the Tutti Arts Centre was the result of one member of the club listening to a choir from the centre. He learned that the Tutti Arts Centre had recently moved premises and, were in need of equipment etc. to help the artists. After much discussion between the KPRC and Tutti Arts Centre, we decided to help with their energy costs by organising solar panels and, purchasing computers. The savings on electric bills over an average 7 year period, at the Tutti Arts Centre, would, we estimate total an amount of some $49.000.00. The money, saved by the lower bills can then be used to purchase more equipment for use at the centre in the future'

DONATIONS IN KIND (DIK)

KPR has had an ongoing assisting role with Donations in Kind (DIK) in transporting school uniforms and school science and sport aids from South Pacific School Aid Inc(SPSA) at Underdale to DIK at Edinburgh Park. Wayne Comley (with trailer), Rob Hughes and Warren Hobbs had an eye opening and enjoyable visit to SPSA.

After collecting the 60 or so boxes of near new school uniforms and aids and we were invited to join their 12(of 20 volunteers) for morning coffee and mouth watering cookies.
We met most of their group and they volunteer two days per week. They have interesting backgrounds….as an example Peter Kirk OAM the Coordinator has had a career in Deloittes Accounting and is also a member of Adelaide Rotary Club. Many others with interesting stories to tell…..they were very welcoming. We then delivered to DIK with David Hunter from Largs Bay RC handling the receiving.

A paragraph snippet from their SPSA Annual Report lets us know what SPSA is about and what great work they do.

“This year saw shipments go to a number of new groups through people contacting us, and we continue to expand our horizons to include a further shipment to primary schools in Botswana, several primary and high schools around Labasa and Nadi, Fiji, through the Radisson Blu, Adopt a School Project, Fiji; 2 pallets to Yangon, Myanmar of Science and maths books and also pallets to Pathein, Ramada, Port Vila and Vanuatu and Plantation Island in Fiji. Some shipments were organised through Sponsors in the Hospitality Industry….also by Adelaide Rotary Club and Mitcham Rotary Club.”

A really interesting look from outside into their very proud SPSA world. Plus a bit of a test for our World Geography of places and people

FELLOWSHIP

The next big event for the Club is “Guess who is coming to dinner”, on Saturday March 20.
This has been a successful event for several years. Hosts may have up to 8 guests (without knowing in advance who they will be) and provide a delicious meal. Organisers from the Fellowship Committee will call for hosts at next week’s meeting.

BOOKMART NEWS

A big thank you to all members and volunteers who are continuing to work on the BookMart roster. You are doing a great job. As you know, it is a task that requires many people to "pull their weight" and you have certainly done this.I know at times the task looks overwhelming with the sheer volume of books that are donated. This does gives us a chance though of having a book shop that has a great turnover of stock and therefore customers are drawn to the place. Please remember to cull all yellowing books as we have plenty of stock.

If customers come with a large volume of books do not feel obliged to take all that they have. I have several times said that I would like to go through their boxes and take out the ones that I know would sell. Most people understand the huge volume of books we have and are happy for us to do that. Obviously, look for the books that are in good condition or interesting nonfiction books. Also, we have many customers that love to look at our CDs, DVDs and Jigsaws. Gemstones were the latest items that sold well.

The takings for December, remembering that we were closed from the 20th December, **were $2446.00.** This is of course the time we had our book sale. Since all books were sold for $2.00 each this meant we sold 1,223 books throughout this time. Well done everyone.

The sale continued throughout January. Rob or I will let you know how we did at another time.

Once again thank you all for your hard work.

MEMBERSHIP

Kevin Tiggemann reports that at the next meeting we will have the induction of new member Elizabeth Gates who will speak about her life and career. Kel Burke will then give an update on his life and career.

Our first Business Network Dinner Meeting wil be held on 16 Feb with a great Guest Speaker in John Stronnar who is CEO of Loftus and will speak on Cybercrime.

On Saturday 13 Feb KPRC will have a marquee at the Pink and Blue Swim/Walk to promote our club and the work we do. Tiggy is looking for volunteers to help for the 7:30-9:30 and 9:30-11:30 (packing up) shifts. He already has 4 volunteers but a couple more would be really helpful as we don't know how many people will attend and how busy it will be.

From an historical perspective, the Pink and Blue Swim/Walk was an initiative of the West Beach Surf Life Saving Club in 2013. KPRC have supported them for the last 4 years and every dollar raised is matched $ for $ by the West End Brewery Community Fund. The City of Charles Sturt pays for all of the set-up each year, promotion and any other Event expenses. All moneys raised is divided equally between St Andrews Hospital for equipment associated with Breast Cancer and Men's Prostate Cancer Research.

ABOUT ROTARY

African Region Is Declared Wild Poliovirus-free

Rotary and its partners in the Global Polio Eradication Initiative (GPEI) have announced an historic public health achievement as the World Health Organisation's African region is now certified wild poliovirus-free.

The milestone comes four years after Nigeria – the last polio-endemic country in Africa – recorded its final case of wild poliovirus following decades of effort from GPEI partners, local and national leaders, and health workers throughout the African region. Over the course of the effort, 9 billion doses of oral polio vaccine have been administered, hundreds of millions of children have been immunised, and 1.8 million cases of wild poliovirus have been averted throughout the region. Rotary and its members have contributed nearly US$890 million—and countless volunteer hours—to eliminate polio in the African region.

The road to the African region's wild poliovirus-free certification has been paved by the dedication of health workers—mainly women—who travelled by every form of transportation imaginable to reach children with the polio vaccine; those who found solutions for reaching children in regions rife with conflict and insecurity; those leading surveillance activities to test cases of paralysis and check sewage for the virus, and the leadership of all 47 countries in the African region. Polio vaccination efforts throughout the African region must continue, and routine immunisation must be strengthened to keep immunity levels high, so the wild poliovirus does not return and to protect children against rare occurrences of circulating vaccine-derived poliovirus. The wild virus continues to circulate in Afghanistan and Pakistan, and if it circulates anywhere, all children are at risk.

Rotary has contributed more than $2.1 billion to fight polio, and countless volunteer hours since launching the PolioPlus program, in 1985. In 1988, Rotary formed the GPEI with the World Health Organization, UNICEF, and the U.S. Centres for Disease Control and Prevention. The Gates Foundation, and Gavi, the Vaccine Alliance later joined. When the initiative launched, there were 350,000 cases of polio every year. Today the incidence of polio has plummeted by more than 99.9 percent.
