WORDS FROM PRESIDENT CHRIS

Hi Everyone

Great to be back on deck & I'd like to thank Paul for standing in over the past 3 weeks & thank you to Jenny Harris for covering Ann's "Welcome" roster whilst I was in hospital. A big "thank you" to everyone who sent "get well" wishes, phone calls, texts over the time of my illness.
Shirley reminded us all about "Guess Who's Coming to Dinner?" to be held on Saturday 20th March. The Fellowship committee is looking for hosts for the event & they would like numbers of attendees ASAP.
Rob Stocker spoke briefly about the Kidman Krier, requesting that any content to be emailed to him prior to 7.30am Thursday following the Tuesday night meeting. If you do not meet the deadline your notices will not be published until the following week.
Kevin is looking for helpers next Saturday morning 13th Feb for the "Pink & Blue Swim/Walk" to be held at WBSLSC. Please contact Kevin if you can assist.
Alison spoke about the upcoming Rotary Conference to be held in April. I think she has inspired us all to attend with her glowing repertoire of Guest Speakers, local venue & easy payment plan. Hope as many members as possible can attend & fly the flag for KPRC.

After being absent for 3 weeks it was great to come back & induct our newest member, Elizabeth Gates. Welcome Elizabeth. After her induction Elizabeth gave a talk on her life & what a life she's lived! Elizabeth has lived in some amazing places overseas through her late husband's work & had some funny & interesting stories to tell. I'm sure Elizabeth is going to fit in well at Kidman Park & I'm sure she will be an asset to us with all her knowledge & experience previously with Rotary, Zonta, Probus, the Master Plumbers Association, the list goes on.

I think we all learnt a bit more about Kel after his talk of his life, starting in Dubbo & ending up in Adelaide. He has led a varied & interesting life in between. There's a lot I didn't know about Kel.

There will be a Zoom Board meeting next Thursday at 7pm for all those involved.
Don't forget next week is a Business Networking meeting so if you know of anyone who may be interested bring them along.

Thank you again for your concern, help & kind thoughts for Ann & I over the past 3 weeks.
Cheers
President Chris

OUR GUEST SPEAKERS 09 FEB

ELIZABETH GATES

Isn't it amazing what some people are able to pack into exceptionally busy lives. Elizabeth who is KPRC's newest member, being inducted at tonight's meeting has led an interesting and challenging life.

Following President Chris's welcome she spoke about her passions and career. From Local Government to Leyland Motors and world travel residing in Nigeria, employment as a computer operator at the Advertiser in Adelaide, Elizabeth has spent 43 years in Australia after immigrating from the UK.

In addition to her work related experiences, she has made time for community activities with recognised service organisations. In Zonta, Rotary and Probus she has held positions of senior responsibility including District Chair, President and is a Paul Harris Fellow recipient. She has been President and Treasurer of the Master Plumbers Association of SA following taking over her family plumbing business after her husbands passing.

This brief snap shot of Elizabeth's life and career are evidence of a commitment to community service one of the key platforms of Rotary and it is with great pleasure that we welcome her into the Kidman park fold.

OUR GUEST SPEAKERS 09 FEB

KEL BURKE

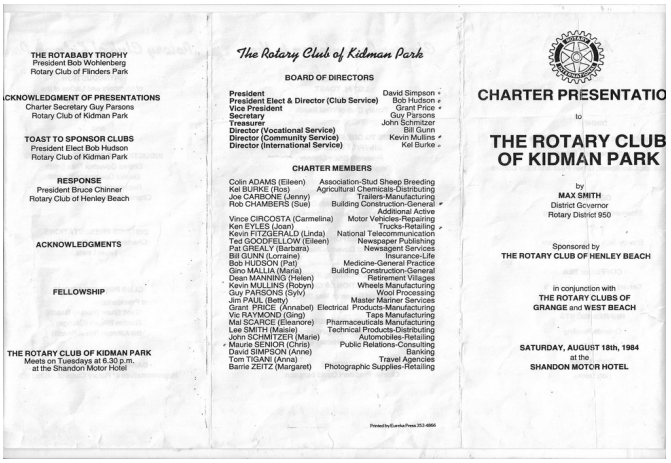

Introduced by Tina Murray:
Kel was born in Dubbo NSW and as his father was a policemen moved several times around country NSW including Armidale, Albury and Wollongong.

He enrolled in Boarding School which he reckons was the best thing that ever happened at that time. Following high school he attended Hawkesbury Agricultural College and after graduating had a choice of the Police Force or the Agricultural Chemical Industry. Having done some wool classing through Grazcos (rural supplies) he decided to join AgServ a manufacturer and distributor of agricultural chemicals. He was stationed at Wagga Wagga in NSW starting as a company representative and becoming a supervisor as that company merged to become Ciba-Geigy.

He shifted to Adlelaide SA in 1968 to run their operations from 1975, subsequently leaving that industry to run the South Henley Newsagency until 1994. Another dramatic change in career saw him introducing wheelie-bins into SA for 12 years. Retiring in 2005 he has concentrated on golf and his strong commitment to Rotary having been a Charter Member of Kidman Park in 1984 and holding various Directorships over the years.

Kel also showed two valuable items from KPRC's early years.

Of his many anecdotes during his career the "drooping windmill' takes the cake!!

COMMITTEE CHAIR REPORTS FROM 02 FEB MEETING

VOCATIONAL SERVICE

The Kidman Park Rotary club has been approached by the district Youth Programs Committee to consider being the host club for a RYPEN Camp being held 22-24 April (Anzac Long Weekend). RYPEN is the Rotary Youth Program of Enrichment and is a residential leadership seminar for aspiring leaders aged 14 to 17 years.

We have not been involved in RYPEN before, however we have been engaged in RYLA (Rotary Youth Leadership Award) which is a similar, but longer program for 18-25 year olds. We have sponsored many attendees (including Alison Harris) and we have been a host club.
Being a host club for RYPEN includes 4 roles:

2 Host Parents (live-in)
1 Project Manager
1 Registrar

We would also provide a BBQ lunch on one day.
The commitment for this program seems significant, but would also be very rewarding. The Committee is concerned about the amount of work required in a short time frame and will be speaking further with the Youth Programs Committee as well as the RYPEN organisers about this in the next week or so.

Further information about RYPEN can be found here: https://rypen9510.org/
Alison Harris

COMMUNITY SERVICE

On Tuesday 02 Feb 2021, the Community Committee talked about the "Novita" Chicken Coop job which will be completed, hopefully, in the next month or so.
The BookMart will have a Children;s Book sale from 6 March to 13 March, all books will be sold at $1.00 each and the proceeds will be donated to the Smith Family.
John Jackson requested that aprons used at the bbq on New Year's Day be returned to him, some have gone missing!
We all thanked Karen Feind for her time and effort in producing 'Thank You' cards for the volunteers at the BookMart, these cards will be given to them at the bbq to be held, in April
Clive Turner.

FELLOWSHIP

Guess Who's coming to Dinner is coming up on Saturday 20th March.
$25/head gets you an evening of good food and fellowship with people you might not usually sit with at Rotary meetings.
For those willing to host please contact Shirley or Kel.
Round Robin will be circulated again next Tuesday, or if you are unable to attend please also contact Shirley or Kel.

INTERNATIONAL

Ghana Project:

With great regret and disappointment the committee, in mutual agreement with Rob Chambers, has been forced to abandon any further plans and activities.It has been approx. 2 months since we sent our contacts a request for firm commitment but up to today no response. The committee feels that there is insufficient basis and trust for continuation and ground for successful outcome. Rob will notify our contacts in Ghana of our decision. Special thanks go to Rob Chambers and Tina Murray for their hard work and enthusiasm. We will contact the sponsors who pledged money how to refund this money or a possible relocation towards our Tanna project.

Container for Vanuatu:

Our second project, sending a container load of articles to the island of Tanna, is progressing steadily. A delegation of committee members have been to Donations in Kind to discuss a wish list and shipping conditions. The wish list, made by the hospital of Lenaka, is quite comprehensive and should not give us any problem to fill a container with goods out of DIK. We are now in the process of finalizing a budget to present to the board of our club. Our intention is to draw out of the experience and knowledge of Bridging Health, an organisation, focussing on the wellbeing of the people of Vanuatu. Bridging Health has the right contacts in Port Vila and Tanna and is run by Rotarians. We feel that they are the right people to assist us with procedures at 'the other end', paramount to a smooth and trustworthy exercise.

Anyone who likes to check them out please visit www.bridginghealth.org. I recommend you do this.
Tom Bunnik

Web Site Committee:

The Web Site Committee met after the regular Meeting last Tuesday 9 Feb and reviewed the four submitted proposals/quotes. We decided that it would be useful to separately compare them point for point over the next 2 weeks so that our recommendation to the KPRC Board is well-considered and appropriate.

ABOUT ROTARY

Rotary New Generations Service Exchange

Rotary has a number of programs involving overseas experience, generally related to participants' vocations. They have a set framework; however, one differs. New Generations Service Exchange is a short-term, customizable program for university students and professionals up to age 30. Participants can design exchanges that combine their professional goals with a humanitarian project.

So, what are the benefits?

- Make connections with service-minded community leaders in another country Learn another language
- Build professional skills and gain international experience
- Travel and explore a new culture while giving back through service

What is an exchange like?

With the host Rotary district, participants plan activities that can include networking, relationship building, humanitarian service, professional development, and leadership training.

Exchanges last from a few weeks to six months and can be arranged for individuals or groups. They need not be reciprocal.

Costs vary by Rotary club or district. To reduce expenses, Rotary members often provide homestay options, arrange no-cost internship or job-shadowing programs, and offer other financial assistance.

DHS SCREENING

VERY IMPORTANT

FACT: It is a legal requirement that all people who are likely to be working in aged, children/youth, disability and/or vulnerable sectors MUST have completed the DHS Screening. Records of member's successful completion are kept by each respective Club. Certification is simply mitigation against any risk that may arise out of a Rotarian's interaction with any vulnerable people.

It is now essential to get a DHS Screening from the Department of Human Services.

This can be done on line and is compulsory for all volunteers working with the sectors described.

All you need is a birth certificate and driver's licence, or passport and drivers licence to do it all on line. Go to www.dcsiscreening.sa.gov.au

Go to applicants can initiate a check independent of an organisation - click

Role description - Working for Kidman Park Rotary Club

Screening required - tick all of them

- Aged Care Sector
- Disability Services
- General Employment
- Vulnerable Persons
- Working with children
- Category is Volunteer

Keep going.

Good luck if you manage to get it; the certificates lasts from between 3 and 5 years.

BEST EVER SENIOR CITIZEN JOKE

A little silver-haired lady calls her neighbor and says, "Please come over here and help me. I have a killer jigsaw puzzle, and I can't figure out how to get started."
Her neighbor asks, "What is it supposed to be when it's finished?"
The little silver haired lady says, "According to the picture on the box, it's a rooster."
Her neighbor decides to go over and help with the puzzle. She lets him in and shows him where she has the puzzle spread all over the table.
He studies the pieces for a moment, then looks at the box, then turns to her and says,
"First of all, no matter what we do, we're not going to be able to assemble these pieces into anything resembling a rooster."
He takes her hand and says, "Secondly, I want you to relax. Let's have a nice cup of tea, and then," he said with a deep sigh.....

"Let's put all the Corn Flakes back in the box."

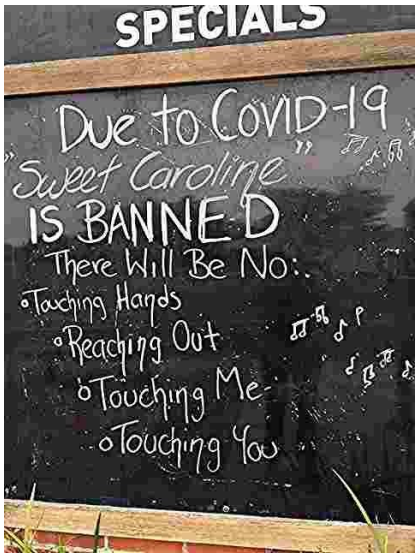

"Oh, what a cute little Siamese. … Is he friendly?"
