WORDS FROM PRESIDENT CHRIS

Hi everyone,

Well what a big jovial lot of members we had present this week! Not sure if it was that everyone was keen for Committee Meetings or it was Rob's announcement of Sue's credit card was going to be on the bar after the meeting. Ha! Ha! Rob & Sue have had a windfall with the unexpected & early sale of their home so they thought they would share some of their windfall. Thank you Rob & Sue. It was great to see so many enjoy some fellowship after the meeting. The good thing also was that this coincided with Margaret's 80th birthday, so it was cheers all round. Drinks & cake, you've got to be happy with that!!

Jenny Clarke will be looking after the Krier for Rob whilst he takes some time off in Tasmania. Please forward any content to Jenny C until Rob returns. Thanks Jenny for stepping up. Jenny's email address is jdclarke@westnet.com.au
We had lots of laughs regarding the "deliberate" mistakes found in the Krier. It's a good talking point.

Ian needs final numbers for the theatre night for the play "Crimes of the Heart" by next meeting. The dinner venue prior to the play will be advised shortly.

Rob Chambers & several Board members & partners are having dinner at the WBSLSC's restaurant nearby to assess if it is a suitable venue for our meetings whilst the existing club is demolished & rebuilt. This could take 12-18 months. If you would like to join this group for dinner please let Rob Chambers know ASAP. The date for this outing is 12th March. Over the coming months several other venues in the area will be looked at as well.

Kel would like everyone who is going to "Guess who's coming to dinner" to pay $25 per head ASAP so he can give the money to the hosts to assist with catering. Next meeting will be the absolute deadline. Please see Kel or Shirley if you haven't paid as yet.

See you all next week
Cheers

President Chris

VOCATIONAL/YOUTH SERVICE

OPERATION FLINDERS

We have been informed by Jonathon Robran that Kidman Park Rotary Club will support two students from Underdale High School to participate in the Operation Flinders programme in October, 2021. It was felt that a local school in the vicinity of our Club would have more local impact. We will be informed who are students are as their names become available. There will also be an opportunity to meet our students at a post exercise presentation to hear of their experience.
Hopefully we can get them back to our Club to talk also.

RYPEN

The Kidman Park Rotary club was approached by the District Youth Committee to be a host Club for a RYPEN Camp being held 22-24 April. Our committee decided that there was too little notice to participate this time.

SPECIAL EVENTS 02 Mar 2021

MARGARET SARGENT

Our sincere congratulations go to Margaret who celebrates a very special birthday on 05 March. KPRC members were keen to help her enjoy a heartfelt recognition of such a significant milestone (together with an incredible birthday cake topped by an appropriate number of candles!). Credit goes to Bob Hudson for organising this celebration.

ROB CHAMBERS

Our very own Rob Chambers also had cause to celebrate with the sale of his house occurring in rapid time even before it hit the market. His obvious surprise and pleasure was loudly acclaimed by KPRC members as they helped Rob celebrate his generosity at the bar. Although he may qualify for “homeless” status, there were plenty of offers for temporary accommodation. Congratulations Rob!!

ANNUAL KPRC GOLF COMPETITION FRIDAY 26 FEB

TO THE VICTORS GO THE SPOILS

On an almost perfect day for golf the two protagonist teams gathered for the fray at the West Lakes Golf Club for the Annual KPRC North/South Golf Competition. The North Team from West Lakes Golf Club and the South Team from Patawolonga Golf Club are KPRC members.

Players were paired off by an “out of the hat” draw and the competition began at the designated time. Three groups of four players comprising two members from each team hit off from the first tee with some brilliant and some not-so-brilliant drives to the applause or subtle criticism of the watching players.

Competition was keen around the course with some friendly “sledging”, a practice borrowed from our cricketing colleagues. Some truly memorable golf was played particularly by Peter Brown (longest drive and nearest the pin).

An evening meal with players and partners was attended by twenty eight to acknowledge the winners of the trophy and to hand out prizes to all competitors. It is with some regret that this writer has to advise that the South Team were the victors but the challenge is set for a return meeting in the future.

Congratulations and thanks to Warren Hobbs and Tom Bunnik for a great day and well-organised event.

OUR GUEST SPEAKER 09 Mar 2021

To Be Announced

WEB SITE COMMITTEE

The Web Site Committee has prepared and presented a recommendation to the KPRC Board who meet on Thu 4 Feb.

Since July 2020 the Committee has progressively: developed a Web Site Specification: contacted four prospective web site developers; requested formal proposals and quotes; evaluated the proposals; and recommended a preferred provider to the KPRC Board. On the premise of a “want list” of possible functionality that would bring the KPRC web site into 2021 and beyond, we are now in the very strong position of being able to be selective about what we “realistically need” if Board approval of the recommended provider occurs. The Steering Committee will then be responsible for applying the recommendations of the Board to ensure that we end up with a dynamic, progressive, easy to use, attractive web site that fulfils what might loosely be termed the “business model” for Kidman Park Rotary Club.

We look forward to the next phase in the development of our web site.

ABOUT ROTARY

SHELTER BOX STRETCHED THIN TO RESPOND AS DISASTERS STRIKE

In late 2020 storms caused havoc all over the world. For ShelterBox was busier than ever. Their teams worked at full capacity across a number of new and emerging disasters

.

In the Philippines there were 6 named storms since October, including 3 typhoons. According to the Philippines Red Cross the series of weather events hitting the Philippines was the worst the country had seen for 40 years.

Just 10 days after Super Typhoon Goni, which was the strongest Philippines storm since Typhoon Haiyan in 2013, Typhoon Vamco brought yet more devastation, as it moved along a similar path. Whole towns were submerged, and thousands of families were rescued. Around 320,000 people were displaced.

As soon as it was safe, ShelterBox assessed the damage and the delivery of vital aid resumed. ShelterBox worked on plans to support 15,000 people with emergency shelter kits, household essentials and solar lights.

Meanwhile communities in Central America, still reeling from Category 4 Hurricane Eta, were battered by Hurricane Iota. Iota is the 13th and strongest hurricane in a record-breaking Atlantic hurricane season, which has seen over 30 named storms.

ShelterBox worked to help families in Honduras who lost their homes to Hurricane Eta, where 3 million people were caught in its destructive path. Flooding and landslides cut off more than 103,000 people across 69 communities. Over 55,000 people were reported to be staying in temporary collective centres in Honduras.

ShelterBox focused its resources on Honduras as initial assessments indicated that it looked to be the worst affected by Hurricane Eta and ShelterBox has strong contacts with partners and Rotary clubs in the country. ShelterBox is mobilising all emergency shelter stocks currently stored in their warehouses in the Philippines and Panama. They will need to urgently re-stock so that they are ready for future disasters.

These situations are exacerbated by the deadly threat of coronavirus. Despite governments doing their best, the virus could spiral out of control if people stay in crowded evacuation centres or with host families for too long.

ShelterBox have continued to support families throughout the global pandemic, while disaster relief has become more difficult – travel restrictions, spiralling freight costs and strict protocols for humanitarian cargo, including disinfection and quarantine, have all been overcome.

The need for ShelterBox's work has never been greater. They are overcoming obstacles to reach families caught up in the recent storms, whilst also working to support families all around the world including Syria, Ethiopia, Nigeria, Cameroon, Burkina Faso, and India.

DHS SCREENING

VERY IMPORTANT

FACT: It is a legal requirement that all people who are likely to be working in aged, children/youth, disability and/or vulnerable sectors MUST have completed the DHS Screening. Records of member's successful completion are kept by each respective Club. Certification is simply mitigation against any risk that may arise out of a Rotarian's interaction with any vulnerable people.

It is now essential to get a DHS Screening from the Department of Human Services.

This can be done on line and is compulsory for all volunteers working with the sectors described.

All you need is a birth certificate and driver's licence, or passport and drivers licence to do it all on line.

Go to www.dcsiscreening.sa.gov.au

Go to "applicants can initiate a check independent of an organisation" - click

Role description - Working for Kidman Park Rotary Club

Screening required - tick all of them

- Aged Care Sector
- Disability Services
- General Employment
- Vulnerable Persons
- Working with children
- Category is Volunteer

Keep going.

Good luck if you manage to get it; the certificates lasts from between 3 and 5 years.

NO DELIBERATE MISTAKES IN THE KRIER THIS WEEK!

FROM YOUR EDITOR

TO ALL MEMBERS: The database of member's details is in serious need of updating. Of particular concern are the discrepancies between different files that describe the dates that members joined Rotary and joined KPRC. If you can remember the actual dd/mm/yyyy that you joined Rotary AND KPRC if they are different, please send that info to me. I am trying to resolve this and hopefully it won't take too long and we can regularly recognise member's service.

Remember not to forget to remember that the deadline
is 7:30am on the Thursday
following each Tuesday meeting for publication in the Kidman Krier.

holmwood2@me.com

The Kidman Krier is a great way to get information
that relates to the activities and projects
in which KPRC is involved.
Send in those articles, photos, stories, jokes, etc.
