WORDS FROM PRESIDENT CHRIS

Hi everyone,

Well, what a revelation, I heard it with my own ears Grant Price “LIKES THE POWER” For a minute I thought we had a new supporter, however it wasn’t to be - Grant corrected me by saying he was referring to having control of the gavel and getting our members to be quiet!!

David Simpson spoke briefly about several new Probus clubs in the area and was hoping that maybe KPRC may be interested in sponsoring one of these clubs. Something for the board and members to think about in the coming weeks.

Ian Roberts has the Theatre evening under control and will be distributing tickets to those who have paid. Pre-theatre dinner is to be arranged amongst yourselves. Bear in mind you all need to be at the Theatre by 7.15pm

Chris Turner advised us that everything has been organised for next weekend’s BBQ at West Lakes. We are looking for several reserve volunteers for either or both days. Please contact Chris or Clive Turner if you can assist.

Jenny Harris has the next roster out for Bookmart volunteers. It has been decided that Bookmart will be closed over Easter.

Bill Walsh who is the engineer and skipper of the 'One and All' was our guest speaker this week. Bill has led an interesting and diverse life which started on Kangaroo Island where his family operated a farm. Bill and found his sea legs. He has been involved in life at sea in many forms since. He is currently involved with training young at-risk, disadvantaged youths from the ages of 15-19 years old. This is not confined to disadvantaged young adults. They spend 4-5 days at sea training and working. By the end of the voyage, they have the skills to sail the ship back to Adelaide. Bill sees this as life-changing for these young adults. Seeing the change in the trainees after just 4-5 days at sea is very rewarding for Bill and the rest of the crew including the volunteers. The 'One and All' is used for more than training, it is also used for Rotarians to have a twilight cruise on a Saturday evening and numerous other functions. The ship is funded by the Government however they have been advised that they will have to stand on their own two feet soon. This will be a challenge for Bill & his fellow Board Members. Perhaps in the future as a club, we could think about sponsoring one of these young people. They sail in April and September school holidays. I think you would agree it is a very worthy cause.

To end the meeting Bob Gloyn showed us a video of the work that was done by our club for the Epilepsy Centre. It was an excellent video showcasing our members' input and hard work. Well done to everyone involved and congratulations to Bob for producing the video. This video will be on our Website and the Epilepsy Centre’s website shortly.

Happy 70th birthday to Wayne Comley!

Cheers

President Chris

OUR GUEST SPEAKER 16 MARCH

BILL WALSH
ONE AND ALL SAILING CHALLENGE

Bill joined Rotary in1999 with the Noarlunga East RC. In 2005/6 he was President of the Club having served on the board for 3 years previously within Community Service. He moved to Glenelg Rotary Club with his wife.

Bills love of Kangaroo Island saw him spend 7 weeks from May to July on the island helping farmers rebuild fences following the devastating bushfires earlier this year.
Bill has more recently been working on board the Sailing Ship One and All both as engineer and master.

The Rotary Youth training program is designed to challenge the student in a way that they would not experience ashore. During the first three days on aboard the trainees will learn the many tasks in sailing safely a square rigged ship. On the final two days , although keeping a watchful eye , the crew will step back and allow the trainees to sail the vessel home themselves. Whilst on board they are divided into watches, 4 hours on and 4 hours off, 24 hours a day. They learn to read a chart, navigate, set sales working as a team and obeying orders when given.

Two 5 day programs are run per year, in April and October with April being filled already. The cost per student is $950. A rotary club can find their own student or request the 'One and All' committee to try to do it for them. Some Rotary clubs share student sponsorship costs and pay $475 each.

The benefits to students are many including team skills, a respect for the sea, an increase in self-esteem and finding the courage to climb the rigging..

ABOUT ROTARY

Rotary - People of Action – March 2021

From promoting health, peace, and education to eradicating polio, Rotary unites people of action to create lasting change through programs funded by The Rotary Foundation.

COVID-19: Fighting it together

Rotary members and participants around the world are working with their communities to inform people about COVID-19, stop the spread of the coronavirus that causes it, support health care workers, and care for those who have been affected.

Rotary International President, Holger Knaack gets his 1st jab with AstraZeneka.

Sri Lanka: Rotarians, Rotaractors, and Interactors worked together in a nationwide project that promoted behaviour change and initiated safety standards for businesses.

Rotarians and Interactors together used ingenuity and endeavour while working with the government, business and sporting identities to promote safe practises during the Corona19 lockdown.
To encourage hand washing, local Rotary clubs worked with S-lon, a plastic water pipe company, and PickMe, a transportation organization, to build nearly 2,000 mobile hand washing units that attach to three-wheel bikes. The Rotaract Club of Kelaniya created a mobile app, Track the Spread, that allows Sri Lankans to log symptoms and register positive tests. The government of Sri Lanka is now testing the app for widespread adoption across its health departments. Adapted from https://www.rotary.org/en/sri-lanka-rotary-uses-ingenuity-invention-protect-communities-against-covid-19

Save the date for the Rotary Virtual Convention, 12 -16 June.
The Rotary Virtual Convention will be open to all Rotary members and participants. Event registration will open in mid-April. Find c more: https://on.rotary.org/2PmJPQy

DHS SCREENING

VERY IMPORTANT

FACT: It is a legal requirement that all people who are likely to be working in aged, children/youth, disability and/or vulnerable sectors MUST have completed the DHS Screening. Records of member's successful completion are kept by each respective Club. Certification is simply mitigation against any risk that may arise out of a Rotarian's interaction with any vulnerable people.

It is now essential to get a DHS Screening from the Department of Human Services.

This can be done on line and is compulsory for all volunteers working with the sectors described.

All you need is a birth certificate and driver's licence, or passport and drivers licence to do it all on line.

Go to www.dcsiscreening.sa.gov.au

Go to "applicants can initiate a check independent of an organisation" - click

Role description - Working for Kidman Park Rotary Club

Screening required - tick all of them

- Aged Care Sector
- Disability Services
- General Employment
- Vulnerable Persons
- Working with children
- Category is Volunteer

Keep going.

Good luck if you manage to get it; the certificates lasts from between 3 and 5 years.

NO DELIBERATE MISTAKES IN THE KRIER THIS WEEK!

FROM YOUR EDITOR

TO ALL MEMBERS: The database of member's details is in serious need of updating. Of particular concern are the discrepancies between different files that describe the dates that members joined Rotary and joined KPRC. If you can remember the actual dd/mm/yyyy that you joined Rotary AND KPRC if they are different, please send that info to me. I am trying to resolve this and hopefully it won't take too long and we can regularly recognise member's service.

Remember not to forget to remember that the deadline
is 7:30am on the Thursday
following each Tuesday meeting for publication in the Kidman Krier.

holmwood2@me.com

The Kidman Krier is a great way to get information
that relates to the activities and projects
in which KPRC is involved.
Send in those articles, photos, stories, jokes, etc.
