WORDS FROM PRESIDENT CHRIS

Hi Everyone,

Numbers down a little bit on Tuesday night but those who came along were certainly informed entertained.

We had a speaker who gave us a great insight into what the SANFL does beyond the obvious of running the 10 team SANFL competition. Footy in South Australia

Matt Duldig, General Manager Football SANFL spoke about the many programs the SANFL are involved with to enhance the lives of people through sport whether country football where Matt has a great affinity to APY lands helping Indigenous people to improve their lives through connection with football and softball for girls.

The highlight of a vision of the 2019 grand final at Ayers Rock was great to see with not too much tackling on the red dirt!

I also announced your Board has agreed to sponsor the new Henley Beach Probus Club which had its first meeting on Tuesday morning. It is good to see many Rotarians going along to the information session meeting. Our newish member Rob Stocker has agreed to be their first President with another new member Elizabeth Gates also taking on the position of Vice President. Our club will take an interest on the club as it progresses.

Alison Harris spoke briefly about the conference many are attending this weekend along with Ian Roberts providing details on the fellowship event this Saturday on “Crimes of the Heart”.

On Wednesday morning, I attended a morning tea at Woodville bookmark thanking West Lakes and Woodville for the great work both groups do. Providing an opportunity for the community to buy affordable books and raise significant funds for Rotary to help the community is fantastic. Thank you also to Jenny, Rose, Karen, Janet for providing and organizing the morning tea. Bob Gloyn also came along to take the important photos. I was fortunate to present a card to each person present thanking them for their contribution to Bookmark.

The joker was also pulled out in the Joker Draw with Jenny Filsell winning the $1792. Jenny made the loudest cheer in the room!

Next week also will be another night of learning as James Guy will be speaking on “Securing the future of our coastline”

Cheers
President Chris

Club Administration.

One Drive access for current and 21/22 Board Members has been set up.

Following Board approval of CleverFox as the preferred provider, the Website Committee (Bob Gloyn Karen Feind, Rob Stocker) have commenced the Discovery Phase of the project with Terri Williams.

KPRC Constitution has been lodged with Peter Murton who will update ByLaws for notice and approval by members at Club Assembly 11 May 2021.

WBSLC construction is likely to start later this year fro 12-18 months. Various venues for alternative accommodation for KPRC are being evaluated for quality, meals, AV equipment, location – broad suitability.

PE Alison reported 12 people will attend the District Conference of 16-18 April.

Risk Management has been discussed for offsite events (eg President's BBQ). Meetings at WBSLC do not apply for Risk Management – WBSLC insurance applies. John Jackson prepared checklists and lodged for D9510 Insurance approval for Dragon Boat Racing BBQ.

Adverse Weather policy agreed upon: "Chair of the KPRC Committee holding a risk management type of event will discuss with the President 7 days prior so that if there are any aspects of risk and concern then there are still 7 days to review or cancel the event and advise members".

Book Mart

The last two month's comparative returns from BookMart are as follows (figures in green are for West Lakes Library site):

February	$1582.00 + $852.00	=	$2434.00
March	$1835.00 + $729.00	=	$2564.00

A pleasant morning tea was recently held to say a heartfelt thank you to our many volunteers who fill a very important role in the success of our major fund raising project.

Committee Meetings 06 April 2021

International.

The International Committee is pleased to announce that during last week's board meeting our request for the club to underwrite the cost for sending a container load of goodies to Vanuatu has been granted.

Of our estimated cost of approx.. $ 15,500 , more than $ 5,000 has already been covered by the sponsorship money, diverted from our "Ghana" fund and we hope more is to follow. The committee has sent a "thank you" letter to all the sponsors and are awaiting more responses. We hope that more sponsors feel comfortable to allow us to use their money towards the goods for the population of the Island of Tanna, Vanuatu.

We are now in the hunt for a seaworthy 20ft container to buy so we can leave this behind on arrival for the people to use locally. One of the most important factors for success is that you have the right people in place at "the other end" to assist with clearing the goods through customs and transit formalities and we find that we have that with an organisation called "Bridging Health".

This organisation is run by Rotarians and have all the right contacts with the authorities in Port Vila.

Once we have found the right container we will draw up a working schedule. We aim to have the container on its way no later than the end of July due to the unfavourable weather conditions later than August. Want to know more detail? Please don't hesitate to ask.

Guest Speaker 13 April 2021

Matt Duldig

Footy in South Australia

Our guest speaker this week, Matt Duldig, General Manager SANFL spoke eloquently and authoritatively about Footy in SA

As the son of a bank manager who moved around country SA , Matt developed wonderful and enduring state-wide contacts; he finds these personal connections invaluable for his oversight of country Community football. And he recently achieved a long held ambition to play alongside his brother at Millicent to win an elusive grand final

Matt referred briefly to his almost completed Master of Business Administration (Sports Management), the final module of which is in Spain and obviously on hold due to COVID. He stepped us through how they had been able to contain, but certainly not eliminate, the effect of COVID on staff and the many programs under the SANFL umbrella.

There is an amazingly high level of participation in AUSkick, Community football, Junior football, men's and women's league as well as the various coaching clinics for players, umpires and coaches, not to mention their very successful indigenous, disability and elite programs.

We were treated to two telling videos which captured the heart and essence of meaningful participation for the disadvantaged. A disabled boy was so proud and more confident because it made him feel more like everyone else. That's all he ever wanted. We also saw a heartwarming clip of an indigenous final played with Ayers Rock in the background.

Matt spoke passionately about the healthy values and social mores promoted by the game, alluding to programs and policies to promote crime prevention, road safety, change behaviours and mental health. He highlighted that Rotary and SANFL have some common values in their mission and vision statements

A well prepared address, informative and engaging.

ABOUT ROTARY

GOLD COAST FIRST CORPORATE CLUB

The Rotary Club of Gold Coast Corporate in D9640 chartered in October, made up entirely of corporate members. The club, one of the first of its kind in our region, has 27 senior corporate leaders from over 14 international and national companies, with 5 more members wanting to join since chartering. The club has over 60% women and 40% are under 40 years of age.

The club's champion, DG Andy Rajapakse, tells us what the value proposition was for corporate members when starting the club: 'My message was simple. Rotary gives a trusted platform to implement their corporate purpose to be a good corporate citizen. Today's customers will ask what your corporate purpose is before making their purchase choice. And it worked!'

DG Andy says that it took him 100 days to start this club from ground zero. 'The magic was, I found the right (nonRotarian) community champion from a leading company in the Corporate Centre. As leaders, we must trust the leadership and ability of people we don't already know'. This new style club meets physically once a month for wine and cheese at the Corporate Centre. Each company takes a turn hosting and showcasing their corporate story. Additionally, there is little personal outlay for members, as with corporate membership, corporates pay RI/district dues, which can be deducted as a company expenditure before tax as business development. This makes Rotary more affordable for everyone.

DG Andy highlights another selling point for corporates: 'Rather than honouring their best employees with a plaque or a watch, why not make a contribution to the Rotary Foundation and honour them with an international and ethical award, a Paul Harris Fellow? Again, this contribution is tax-deductible.'

(by Barbara Misfud)

(Editor: Corporate Membership - Food for Thought??)

Area of Focus: Maternal and Child Health Month. This month also includes the Birthday of Paul Harris on the 19th of April.

DHS SCREENING

VERY IMPORTANT

FACT: It is a legal requirement that all people who are likely to be working in aged, children/youth, disability and/or vulnerable sectors MUST have completed the DHS Screening. Records of member's successful completion are kept by each respective Club. Certification is simply mitigation against any risk that may arise out of a Rotarian's interaction with any vulnerable people.

It is now essential to get a DHS Screening from the Department of Human Services.

This can be done on line and is compulsory for all volunteers working with the sectors described.

All you need is a birth certificate and driver's licence, or passport and drivers licence to do it all on line.

Go to www.dcsiscreening.sa.gov.au

Go to "applicants can initiate a check independent of an organisation" - click

Role description - Working for Kidman Park Rotary Club

Screening required - tick all of them

- Aged Care Sector
- Disability Services
- General Employment
- Vulnerable Persons
- Working with children
- Category is Volunteer

Keep going.

Good luck if you manage to get it; the certificates lasts from between 3 and 5 years.

Janet Johnson CPO

NO DELIBERATE MISTAKE IN THE KRIER THIS WEEK!

The mistake in the 06 April Issue was in the Meeting Rosters page "JOKE" instead of JOKER.

Clive Turner's perseverance has paid off - he gets the chocolate bar! As Clive was not in attendance at the meeting, the prize was entrusted to Wayne Comley to pass on.

FROM YOUR EDITOR

TO ALL MEMBERS: The database of member's details is in serious need of updating. Of particular concern are the discrepancies between different files that describe the dates that members joined Rotary and joined KPRC. If you can remember the actual dd/mm/yyyy that you joined Rotary AND KPRC if they are different, please send that info to me. I am trying to resolve this and hopefully it won't take too long and we can regularly recognise member's service.

Remember not to forget to remember that the deadline
is 7:30am on the Thursday
following each Tuesday meeting for publication in the Kidman Krier.

Send in those articles, photos, stories, jokes, etc.

I bought a little bag of air today... The company that made it was kind enough to put some potato chips in it as well.

A truck loaded with Vicks VapoRub overturned on the highway.

Amazingly, there was no congestion for eight hours.

My kids say they want a cat for Christmas.

Normally I do a turkey but hey, if it'll make 'em happy...

My uncle just texts me asking what does IDK mean? I said: I don't know... He said: Damn, nobody does!

Finally found out why the fish were'nt bitting..
