## WORDS FROM PRESIDENT CHRIS

Hi Everyone,

Good turn out this week at our regular Business Network Meeting. Great to see lots of guests & also several partners as well. Bob Baker even got a standing ovation!!! Shiralee Wood, who has visited our club several times has lodged a new member application – welcome Shiralee.

Chris Hughes was very impressed with her first Conference. Chris was very impressed by all the Speakers & the Gala Dinner held on Saturday night. She encouraged new members to go to the next Conference to be held in the Barossa Valley on the 1st-3rd April 2022.

Alison is on holidays for a couple of weeks & has announced the Changeover Dinner is to be held on Saturday 10th July at WBSLSC.

For those of you who don't know, Jenny Filsell won the Joker Draw Jackpot last week. Jenny kindly donated $250 back to the Joker Draw to "kick off" the new round of draws. Thank You Jenny, much appreciated by all. It's a good thing we have a former Maths teacher in our club as Peter F miscalculated this week's winnings!! Thank you Liz for bringing it to our attention!! Ha!Ha!

Tom has been organising a shipping container full of equipment to go to the island of Tanna in Vanuatu. A big thank you to all who have assisted Tom with this project in conjunction with DIK.

Robert Ryan advised us that to access the new Entertainment Book we need to download the Entertainment Book ANZ App & redo the application process.

John Jackson is looking for more volunteers, including Captains for the next Airport Bunnings BBQ. See John ASAP if you can assist.

Ian Roberts & several other were not overly happy with the Theatre performance "Crimes of the Heart" on Saturday night. Not everyone was unhappy with the show. You win some, you lose some. I'm sure the company was good & it sounds like supper afterwards was enjoyable. Thank you Ian for organising this Fellowship event.

See you all next week to hear Max Anderson "A Golden Dilemma" A Prospecting Tale.

Cheers
President Chris

## James Guy

## Protecting our Coastline in South Australia

James Guy, Program Manager Securing the Future of our Coastline was our Guest Speaker on 20 April 2021. It was a very interesting subject and "close to home" for most of us.

James is a coastal engineer who has extensive knowledge & experience in this sensitive subject. He was very easy to listen to as he spoke about the process to save our Southern beaches, particularly West Beach by transporting sand from Semaphore and other Northern beaches back to West Beach.

A controversial subject for the residents and business owners of Semaphore and surrounds,. . it is a huge undertaking to transport sand back to West Beach and it needs to be done urgently.

For the time being we are going to be dodging trucks laden with sand from about July through to November. The project will continue until an alternative is finalised - hopefully a pipeline.

Watch this space!!!!

## Max Anderson
## "A Golden Dilemma"
## A Prospectors Tale

In 2002, journalist Max Anderson spent six months learning to be a prospector in a West Australian town of just 13 people. He lived in a tent under a windmill and each day, with his unfortunately-named dog, he would head out into miles of waterless waste to look for gold. Max followed in the footsteps of brigands and trailblazers, desperados and doxies, many of them working in the 1890s, but some of them operating very much in the now.

At the end of his time he wrote a book called *DIGGER:* it was published by Picador in the UK and later reprinted by Readers Digest in four languages. His talk is about how he became an intrinsic part of a small and remote Outback town that is wholly focussed on gold. It's also about the moral dilemma he faced when it came time for him to leave that small community and tell its stories to the rest of the world.

Max Anderson has spent 25 years as a wandering writer, editor and author. His first love is words, but travelling has always proved an interesting way to get them.

*"I produce words for newspapers, magazines and clients. After 30 years working in Adelaide, Sydney and London (with three years spent as Deputy Travel Editor of* The Sunday Times*) I've been pigeonholed as a travel writer. But for my money – and even for your money – it doesn't matter what I'm writing about because a good sentence is a good sentence. The trick is getting a reader to the end of it."*

## INTERNATIONAL

Thanks to the generosity of the Farquhar brothers Michael and Peter, we now have a 20ft sea container for our use.

This container represents an estimated value of $ 3000 and is kindly donated to be sent to Tanna, Vanuatu. This morning I obtained a certification of compliance needed for shipping purposes.

Besides the previous donations, this is another financial windfall to minimise the strain on our club coffers.

A big thank you to the  Farquhars.

## DONATIONS IN KIND

### KPR helping Donations in Kind (DIK) with Aged Care Beds at Grange

KPR had an SOS call for help from David Cockshell of DIK last Friday, with the job to be done 3 days later. Tricky but KPR had several respond to the challenge, some from our KPR International Committee and a few others.

Clive Turner, Rob Hughes, Jenny Filsell, Stuart Ghent, Tom Bunnik and Warren Hobbs helped empty the rooms of an older section of Westminster Aged Care Facility, and then loading the beds, side cabinets and mattresses to be taken to DIK.

As we would recall DIK has been an outstanding provider for KPR Bookmart with all shelving provided by DIK at no cost.a likely saving of $20k plus the timing given immediate availability). Plus at a guess some of these items from Westminster may end up in our Vanuatu container later in the year. There were several other helpers from West Lakes Rotary, and several from Gawler Light RC at the unloading at DIK.

The Hospital type furniture was in excellent condition and from a section at Westminster Aged Care that will be totally renovated and hence now that furniture will be available for Rotary Club projects…..and will be hugely valuable for people and places in need.

This is another example that DIK is an absolute jewel in the Rotary crown for D9510 District and Clubs, and for those local and overseas people in need of these types of items.

## DHS SCREENING

### VERY IMPORTANT

**FACT: It is a legal requirement that all people who are likely to be working in aged, children/youth, disability and/or vulnerable sectors MUST have completed the DHS Screening. Records of member's successful completion are kept by each respective Club. Certification is simply mitigation against any risk that may arise out of a Rotarian's interaction with any vulnerable people.**

It is now essential to get a DHS Screening from the Department of Human Services.

This can be done on line and is compulsory for all volunteers working with the sectors described.

All you need is a birth certificate and driver's licence, or passport and drivers licence to do it all on line.

Go to www.dcsiscreening.sa.gov.au

Go to "applicants can initiate a check independent of an organisation" - click

Role description - Working for Kidman Park Rotary Club

Screening required - tick all of them

- Aged Care Sector
- Disability Services
- General Employment
- Vulnerable Persons
- Working with children
- Category is Volunteer

Keep going.

Good luck if you manage to get it; the certificates lasts from between 3 and 5 years.

THERE IS NO DELIBERATE MISTAKE IN THE KRIER THIS WEEK!

## FROM YOUR EDITOR

**TO ALL MEMBERS:** The database of member's details is in serious need of updating. Of particular concern are the discrepancies between different files that describe the dates that members joined Rotary and joined KPRC. If you can remember the actual dd/mm/yyyy that you joined Rotary AND KPRC if they are different, please send that info to me. I am trying to resolve this and hopefully it won't take too long and we can regularly recognise member's service.

Remember not to forget to remember that the deadline
is 7:30am on the Thursday
following each Tuesday meeting for publication in the Kidman Krier.
