WORDS FROM PRESIDENT CHRIS

Hi Everyone,

We welcomed another guest tonight, Brian Tucker an ex Murray Bridge Rotarian now residing in Fulham Gardens. Maybe we can entice him to join our club.

Tom thanked Peter F & his brother for donating a shipping container valued at about $3,000 to be used for goods going to the island of Tanna in Vanuatu. Well done Peter!!

John is still looking for volunteers for the Bunnings BBQ on Sunday 16th May. If you can assist please let him know ASAP.

Rob Stocker has been away recently on the "Murray Princess" & obviously had an enjoyable time. He will be away again shortly. If you have any content for the Krier please forward it to Rob as he will still produce the Bulletin while he is travelling. Thank you Rob.

If you need a new name badge please contact Wayne as he is putting in an order for 2 members shortly. Kevin has offered to pick them up for Wayne.

Norm is a bit "off colour" this week & didn't attend the meeting. Hope he's up & about next week. Take care Norm!

Have a good week.

Cheers
President Chris

Guest Speaker 27 April 2021

Max Anderson
"A Golden Dilemma"
A Prospectors Tale

Our Guest Speaker was Max Anderson a multi award winning travel writer for over 25 years.

He was a fascinating & entertaining story teller, with a very novel way of presenting his time spent in the goldfields of outback WA, 250kms from Kalgoorlie.

Max spent 6 months in a tent on the outskirts of a town of just 13 residents prospecting for gold & gathering information for a book that he has since written titled "The Digger".

He described it as the greatest experience of his life. There was quite a queue to purchase a signed copy of Max's book after his excellent presentation.

Max passed around a gold nugget (that he had prospected) worth around $4500.00 for members to view. It was with some reluctance that it was returned!!

Guest Speaker 04 MAY 2021

Mark Sinclair
South Australian Yacht Squadron
Golden Globe "Around the World"
2018 Yacht Race

Mark, as a very keen sailor, felt the challenge to take part in a sailing event that promised excitement with an unknown outcome. He took a careful, long-term approach to boat repairs and self- preparation for the 2018 Golden Globe "Around the World" Yacht Race.

Such preparation was critical a navigation was done without the benefit of modern electronic navigation aids.

Never one to miss out on a challenge he will leave Outer Harbour on 5 December for England where he will prepare for the 2022 "Around the World" Yacht Race.

BOOKMART

Hi Everyone
As you are probably aware our sale is now finished and prices of books are back to normal.

We will need another culling time due to the volume of books donated.
Can you please start to cull books that are marked with G and H stickers? The sheet relating to the areas is in the Communication book for you to cross out the areas when they have been done.

Remember we need to keep the shelves stocked by getting books from the office and shed.

When working in the shed please don't keep old yellow or damaged books. Put them in the kitty litter section with hard covers removed of course.

Thank you all for your help,
Jenny

ABOUT ROTARY

An innovative sapling project from RC Kangra

If you drink *nariyal pani* (tender coconut water) in Kangra, Himachal Pradesh, you wouldn't have to throw away the shell.

RC Kangra, RID 3070, under its environmental protection campaign is giving out succulent and shallow root plants to the tender coconut vendors in the city who fill the emptied coconut shell with soil, coco peat or husk and plant a sapling in it to take back home and grow.

DG CA Davinder Singh (L), his wife Dolly Sachdeva and club president Sunil Dogra (R) with the coconut shell planters.

"We have received outstanding response for this project," says club president Sunil Dogra, adding that "the best part is that the coconut shell plant is given free. All you have to do is take it back home and water your shell plant which can be grown into a quirky garden."

Since coconut shells are biodegradable, they make a fine medium for nurturing saplings which can be transplanted easily into the soil along with the shell after sometime. "Coconut husk is an excellent medium as it contains sugar, minerals, amino acids and vitamins," says Dogra. Inaugurating this eco-friendly project, DG CA Davinder Singh appreciated the club for its innovation to usher in a clean, green environment.

On the first day of the project, the club had given out over 5,000 saplings. "The club will follow up with the local vendors and give them saplings as and when they exhaust their stock of plants," adds Dogra.

DHS SCREENING

VERY IMPORTANT

FACT: It is a legal requirement that all people who are likely to be working in aged, children/youth, disability and/or vulnerable sectors MUST have completed the DHS Screening. Records of member's successful completion are kept by each respective Club. Certification is simply mitigation against any risk that may arise out of a Rotarian's interaction with any vulnerable people.

It is now essential to get a DHS Screening from the Department of Human Services.

This can be done on line and is compulsory for all volunteers working with the sectors described.

All you need is a birth certificate and driver's licence, or passport and drivers licence to do it all on line.

Go to www.dcsiscreening.sa.gov.au

Go to "applicants can initiate a check independent of an organisation" - click

Role description - Working for Kidman Park Rotary Club

Screening required - tick all of them

- Aged Care Sector
- Disability Services
- General Employment
- Vulnerable Persons
- Working with children
- Category is Volunteer

Keep going.

Good luck if you manage to get it; the certificates lasts from between 3 and 5 years.
