WORDS FROM PRESIDENT CHRIS

Hi Everyone,

Great to see a good turn out for Club Assembly this week. Good to see some excellent input & suggestions from a lot of members.

John Jackson reminded all volunteers for next Sunday's Bunnings BBQ to park towards the Eastern end of the carpark behind the blue line to abide by Bunnings rules. Hoping for good weather & brisk trading!!

Kevin spoke about next week's meeting which is a Business Networking Meeting with a special 13year old Guest Speaker. We also have 2 inductions next week as well. Perhaps a night to bring your partners.

Tom will be looking for volunteers shortly to assist with the container of goods going to Vanuatu shortly. The shipping container is with DIK at the moment in readiness for loading of goods. It is likely to be shipped by end of June. Please contact Tom if you can assist him.

Treasurer Rob Chambers advised us that our subs will remain the same as last year. At this stage our meal prices will remain the same as well, however this may change when we have a change of venue. Bookmart is going very well financially & we hope that when West Lakes location closes we get customers & further income from there.

The District Conference was discussed & ways that we could attract more member participation. The most recent Conference wasn't as well attended as some would have expected. This may have been due to location. Some members thought the Conference was too expensive.

The Krier was spoken about in glowing terms, everyone seemed to be very pleased with it's presentation. Well done Rob Stocker! Rob wants to update all members personal details – birthdays, wedding anniversaries, Club anniversaries etc.

It was suggested that we look at the timing of our Guest Speakers. One suggestion was that we start a bit earlier, which gives the speaker more time for presentation/questions & we still finish on time. This allows for the meeting to finish at a reasonable time for members. It was also suggested that the pressure be taken off of members to find Guest Speakers. Some people have trouble finding speakers where other members may have a wider circle of contacts or are more comfortable asking people to our meetings to do a presentation.

Ideas for improving our Rotary experience were discussed with the idea of signage promoting who we are & what we do to be displayed at fundraising events & at Bookmart. An improved wardrobe was another idea put up as well. Perhaps new shirts, vests, jackets (Bookmart can be a bit cold). It was also suggested that a shirt be presented to new members at time of induction.

Janet reminded us that we all need to complete Dept of Human Services screening application. They can be done online free of charge & they last 3 years.

Changeover Dinner will be held on Saturday, 10th July at WBSLSC 6.30 for 7pm $35 pp. A round robin will be circulated at next weeks meeting. Payment can be made ASAP to Rob by EFTPOS, Bank transfer, cash or cheque. Alison has her new Board all sorted, however she is on the lookout for an apprentice to Wayne Comley's Secretary position. If you are interested please see Alison or Wayne. You can be assured of great support from Wayne in this role. A new venue is still be sought by the Club & Alison is organising a couple of potential places for us to look at before we have to move from WBSLSC. The clock is ticking!!

Have a good week & hope to see you all with partners & guests for a special Guest Speaker, Sam Weavers.
Cheers
President Chris

KPRC
CLUB ASSEMBLY

FELLOWSHIP – Ron Harris

I announced after the last committee meeting that we were considering dinner at The Graduates Restaurant Regency Pk TAFE. This has been a popular event for several years and usually attracts 50-60 members and partners.

Unfortunately the restaurant is still operating with limited numbers and could not offer any more than 20 places. We do not think this is suitable for our club so will not proceed with this event.

Cheers
Ron

FINANCES – Rob Chambers

Here are the club finances.
Also will mention the Bookmart income.
Club subs unchanged at $180 ($190 for printed RDU) Due June 30 2021
Dinner cost $22 (or $8) unchanged, but could change depending which venue we move to.

Admin $ 4,967
Project $ 28,700
Ghana $ 0
Charitable Trust $ 20,046
Gift Trust $ 3,112

GUEST SPEAKER 25 May 2021

MARK BALLA

Mark Balla is the President of the Rotary Club of Box Hill Central in District 9810 in Australia and Vice Chair of the WASh Rotary Action Group (formerly known as WASRAG).

He was introduced to Rotary around eight years ago by a business colleague in Nasik, India. He joined his club around four months later in March 2014 bringing a small but significant project with him. Mark will tell us about this project and others that have developed since.

In the seven years since joining Rotary, Mark has attended and spoken at Rotary International Conventions in Brazil, South Korea, Canada and Germany. He has also presented at 10 Rotary District Conferences in Australia, the USA and India. A few days after speaking at our club, he is off to Adelaide to speak at another District Conference and then on to Gladstone for yet another.

During his presentation, Mark will introduce us to the work that drew him to Rotary. He would like us to know that his club has many other wonderful projects including Operation Cleft - a project which provides surgery to children born in Bangladesh with cleft lips and cleft palates. In the 14 years since Operation Cleft was founded, more than 14,000 children have received surgical intervention thanks to Mark's club. Another project of note is Operation End Slavery. Over the past five years Mark's club has become involved in fighting slavery in Cambodia, Myanmar, Lao, Nepal and India.

Mark is married to Annie who has recently become a Rotarian herself. They have two adult children - daughter Paris and son Oscar who are both university students in Melbourne. Mark has a complicated relationship with his family cat and his golf handicap.

ABOUT ROTARY

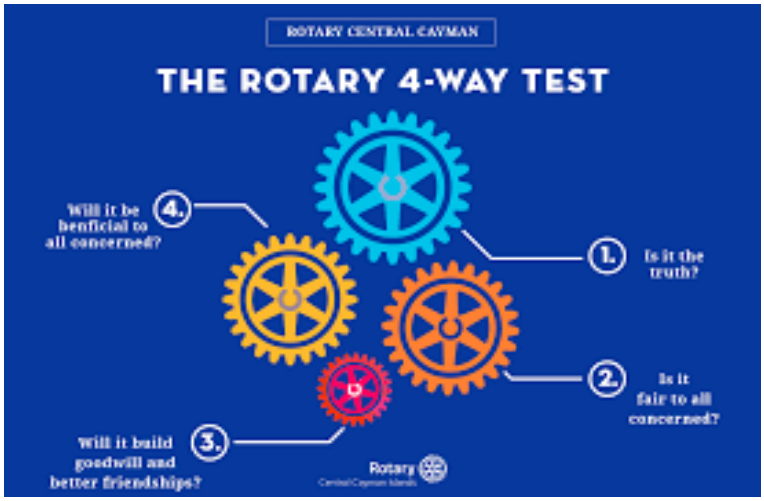

Rotary's Response to COVID 19

As people of action, Rotary members are engaged in their communities — gathering for projects and offering help to those in need.

Fighting disease is one of Rotary's main causes, so members already support efforts to promote proper hand washing techniques, teach people other ways to stay healthy, and supply training and vital medical equipment to health care providers. Now they're helping health authorities communicate lifesaving information about COVID-19 and donating protective gear and other supplies to clinics and hospitals that are under strain because of the pandemic.

Members are also ramping up efforts to help communities navigate the next phase of the COVID-19 pandemic: vaccines. Rotary will tap into its decades of experience in bringing polio to the brink of eradication, to highlight the power and efficacy of vaccines.

Rotary's tenacity, strategic partnerships, and innovation can all support the effort to protect communities from COVID-19.

Effective youth work helps young people to identify their social and development needs and involves them in shaping the services designed to meet those needs to impact both their own skills and life chances in order to create a better future for themselves and their communities.

Youth service projects take many forms around the world. Rotarians sponsor Boy Scout and Girl Scout troops, athletic teams, centres for disabled children, school safety patrols, summer camps, orphanages, recreation areas, safe driving clinics, county fairs, child-care centres, and children's hospitals. Many clubs provide vocational counselling, establish youth employment programs, and promote the use of The 4-Way Test. Increasingly, drug/alcohol abuse prevention and AIDS awareness projects are being supported by Rotarians.

In every instance, Rotarians have an opportunity to be role models and mentors for the young people of their community. One learns to serve by observing others. As our youth grow to become adult leaders, it is hoped each will achieve that same desire and spirit to serve future generations.

DHS SCREENING

VERY IMPORTANT

FACT: It is a legal requirement that all people who are likely to be working in aged, children/youth, disability and/or vulnerable sectors MUST have completed the DHS Screening. Records of member's successful completion are kept by each respective Club. Certification is simply mitigation against any risk that may arise out of a Rotarian's interaction with any vulnerable people.

It is now essential to get a DHS Screening from the Department of Human Services.

This can be done on line and is compulsory for all volunteers working with the sectors described.

All you need is a birth certificate and driver's licence, or passport and drivers licence to do it all on line.

Go to www.dcsiscreening.sa.gov.au

Go to "applicants can initiate a check independent of an organisation" - click

Role description - Working for Kidman Park Rotary Club

Screening required - tick all of them

- Aged Care Sector
- Disability Services
- General Employment
- Vulnerable Persons
- Working with children
- Category is Volunteer

Keep going.

Good luck if you manage to get it; the certificates lasts from between 3 and 5 years.
