WORDS FROM PRESIDENT CHRIS

Hi Everyone,

A big crowd this week, however I think we were down on members & had a large number of guests. Great to see so many new faces to help welcome our two new members & to hear our guest speaker.

We inducted Shiralee Wood and Brian Tucker. Welcome Shiralee & Brian. We also welcome Shiralee's husband, John & Brian's wife, Margaret. Brian was previously a member at Murray Bridge. I'm sure they will all fit in well & enjoy their time at KPRC.

A big thankyou to everyone who worked on the Bunnings BBQ last Sunday. A very successful day. $768 nett profit after all expenses.

Tom is looking for some helpers this coming Saturday morning from about 9 - 12 to assist in tagging furniture & medical equipment bound for Vanuatu. The ship carrying our container is due to leave Australia on the 11th June so time is running out! The following Saturday morning Tom will be looking for more volunteers to assist in loading the container. If you can help Tom please contact him ASAP.

Hope to see you all next week for our guest speaker, Mark Bella, "The Toilet Warrior" via Zoom.

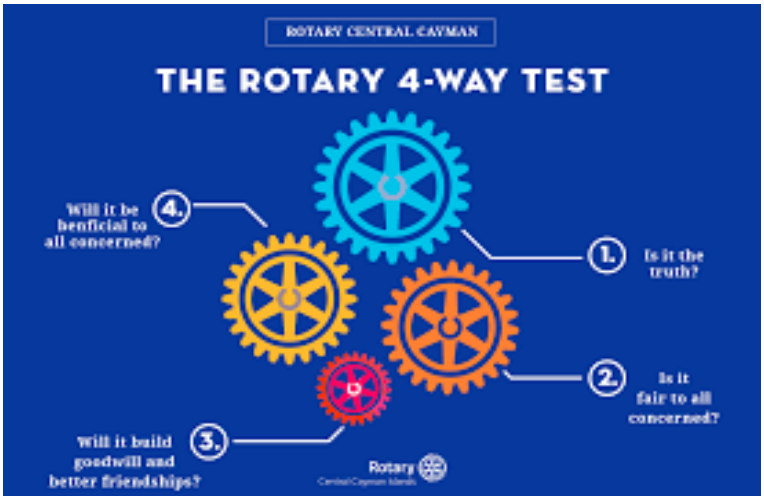

Cheers
President Chris

Best wishes to our Doctor Bob

Bob Hudson had an Op on Tuesday this week. He had one night in Hospital and is now recovering at home. He said the operation was successful and he will be on light duties at home for the next 4 weeks. So Bob will be away from KPR for several weeks and same with golf.

Best wishes to Bob from all of us at KPR. If you want to ring Bob to wish him well, you could do so from early next week.

Guest Speaker 18 MAY 2021

Sam Weavers was inspirational and very entertaining as our Guest Speaker. What an amazing young man! Sam is a 13 year old Yr 9 student & businessman selling popcorn from his family home. He is an inspirational, professional & an excellent public speaker. He has spoken to audiences of 2600 In Singapore & many groups locally.

Sam is also a very charitable young man who donates much of his income from his business to charities such as Childhood Cancer, Fred Hollows foundation, among others.

Sam's Father Sean Weavers is extremely proud of his son's successful business story and supports him on his speaking engagements.

Sam's presentation was interactive, where he involved Rotarian Tina Murray, New Rotarian Shiralee Wood as "popcorn packers". A bit of fun for all of us.

Finally, there were plenty of questions rounding off a Great Guest Speaker. For more information you can visit Sam's website www.samspopcorn.com

GUEST SPEAKER 25 May 2021

MARK BALLA

Mark Balla is the President of the Rotary Club of Box Hill Central in District 9810 in Australia and Vice Chair of the WASh Rotary Action Group (formerly known as WASRAG).

He was introduced to Rotary around eight years ago by a business colleague in Nasik, India. He joined his club around four months later in March 2014 bringing a small but significant project with him. Mark will tell us about this project and others that have developed since.

In the seven years since joining Rotary, Mark has attended and spoken at Rotary International Conventions in Brazil, South Korea, Canada and Germany. He has also presented at 10 Rotary District Conferences in Australia, the USA and India. A few days after speaking at our club, he is off to Adelaide to speak at another District Conference and then on to Gladstone for yet another.

During his presentation, Mark will introduce us to the work that drew him to Rotary. He would like us to know that his club has many other wonderful projects including Operation Cleft - a project which provides surgery to children born in Bangladesh with cleft lips and cleft palates. In the 14 years since Operation Cleft was founded, more than 14,000 children have received surgical intervention thanks to Mark's club. Another project of note is Operation End Slavery. Over the past five years Mark's club has become involved in fighting slavery in Cambodia, Myanmar, Lao, Nepal and India.

Mark is married to Annie who has recently become a Rotarian herself. They have two adult children - daughter Paris and son Oscar who are both university students in Melbourne. Mark has a complicated relationship with his family cat and his golf handicap.

REPORTS 18 May 2021

MEMBERSHIP COMMITTEE

It was good to see a great roll up on Tuesday including many visitors.

Shiralee Wood, after many visits to our club was finally Inducted as one of newest members. Shiralee's husband John Wood and John's mother Frances Wood enjoyed the meeting.

Our second Induction was Brian Tucker who has been attending our club as a visitor over the last month. We also met for the first time Brian's wife Margaret. Brian was a previous Rotarian at Murray Bridge Rotary Club. As a nice surprise for Brian and Margaret was to see Robin and Rhonda LeGallez from Murray Bridge Rotary Club. Robin is the current chair of the Communications Committee of our district 9510.

We also welcomed Les Moore and Francesco Castelletti as guests.
Membership Director,

Kevin Tiggemann

INTERNATIONAL COMMITTEE

This coming Saturday a number of committee members, joined by some volunteering members, will go to Donations In Kind to "tag" items for our container to Tanna, Vanuatu. This means that items from the wish list from the Lenakel Hospital will be identified and consequently reserved by putting on our sticker.

Also there will be an opportunity to move items already to a designated area ready for loading. We do have enough man(woman) power for Saturday.

On Tuesday I asked for volunteers to make their selves available for the next Saturday when loading has been planned. As there is a variety of jobs to be done, there is no immediate need for everyone to be a "Tarzan" for the heavy work, we also do need "Jane's" for the lighter duties such as packing boxes
and moving smaller items. So if you have some spare time Saturday week and possibly the Saturday after let me know.

We are coming to the "business end" of the project so this is the time to roll up your sleeves.

International Director
Tom Bunnik

ABOUT ROTARY

Rotary's ROTAKIDS Program

When Blackpool Palatine Rotary Club was approached to sponsor the football kit for an under-9s football team in the seaside town, they readily agreed.

The Rotary logo was to be placed on the front of each shirt so making this an excellent public relations opportunity since the team plays weekly in a league competition around the Fylde Coast. But then the Rotary club decided to take the partnership a second stage and the football team became a RotaKids group, so in October 2018, the Palatine Lasers were chartered. RotaKids is a primary schools' citizenship programme for youngsters aged under 12 which works in tandem with Rotary.

Since then, the Palatine Lasers RotaKids decided to support a Blackpool Rotary Gambia School Project by collecting unused toys to send to Gambia. They also packed shoe boxes with goodies and a letter to be sent on the next container to Gambia to be given to children who are in need.

Club President, Angela Butcher, went to Gambia and oversaw the distribution of the football strips and the parcels. She said: "The children at Janneh Kunda School have so little, certainly none of the trappings we take for granted and their total pleasure and delight at receiving these gifts was overwhelming.

Another of Blackpool Palatine's RotaKids' clubs, Thames Primary Academy, have also supported the project by donating library books. These were also shipped out to Gambia and placed in the room used as a library at Janneh Kunda.

Following the success of this venture, Blackpool Palatine have also chartered a dance school called 'Dance Place', as another RotaKids club. The Dance Place won its way in three categories to an international dance final which was held in Rome last year. Several Blackpool Rotary Clubs are supporting the expense of the dancers' tracksuits bearing the Rotary logo to help raise the profile and diversity of Rotary International.

Editor's Note: hmmmm, future Rotarians – an interesting idea for Youth Service??

Effective youth work helps young people to identify their social and development needs and involves them in shaping the services designed to meet those needs to impact both their own skills and life chances in order to create a better future for themselves and their communities.

Youth service projects take many forms around the world. Rotarians sponsor Boy Scout and Girl Scout troops, athletic teams, centres for disabled children, school safety patrols, summer camps, orphanages, recreation areas, safe driving clinics, county fairs, child-care centres, and children's hospitals. Many clubs provide vocational counselling, establish youth employment programs, and promote the use of The 4-Way Test. Increasingly, drug/alcohol abuse prevention and AIDS awareness projects are being supported by Rotarians.

In every instance, Rotarians have an opportunity to be role models and mentors for the young people of their community. One learns to serve by observing others. As our youth grow to become adult leaders, it is hoped each will achieve that same desire and spirit to serve future generations.

DHS SCREENING

VERY IMPORTANT

FACT: It is a legal requirement that all people who are likely to be working in aged, children/youth, disability and/or vulnerable sectors MUST have completed the DHS Screening. Records of member's successful completion are kept by each respective Club. Certification is simply mitigation against any risk that may arise out of a Rotarian's interaction with any vulnerable people.

It is now essential to get a DHS Screening from the Department of Human Services.

This can be done on line and is compulsory for all volunteers working with the sectors described.

All you need is a birth certificate and driver's licence, or passport and drivers licence to do it all on line.

Go to www.dcsiscreening.sa.gov.au

Go to "applicants can initiate a check independent of an organisation" - click

Role description - Working for Kidman Park Rotary Club

Screening required - tick all of them

- Aged Care Sector
- Disability Services
- General Employment
- Vulnerable Persons
- Working with children
- Category is Volunteer

Keep going.

Good luck if you manage to get it; the certificates lasts from between 3 and 5 years.
