WORDS FROM PRESIDENT CHRIS

Hi Everyone,

Good to see a big turnout this week considering the wet & wild weather. Lovely to see new member Shiralee's mother-in-law Frances Wood back again. We must be doing something right!!

Tom thanked all the volunteers who helped tag goods bound for Vanuatu. This Saturday Tom is looking for volunteers to assist in loading the container. The departure date has been put back by 2 weeks which gives Tom extra time to have the container loaded. If you can help please contact Tom.

John Jackson was looking for interest in manning a Bunnings BBQ on Friday 11th June. Unfortunately we were unable to find enough volunteers so this will not be going ahead.

A Zoom meeting for Board members will be held this Thursday, 27th May at 7pm. The purpose of this meeting is to discuss a future venue for our meetings due to the redevelopment of WBSLSC.

Using Zoom is an excellent idea particularly for country/regional clubs who sometimes can find it difficult to attract speakers who are unable to travel long distances.

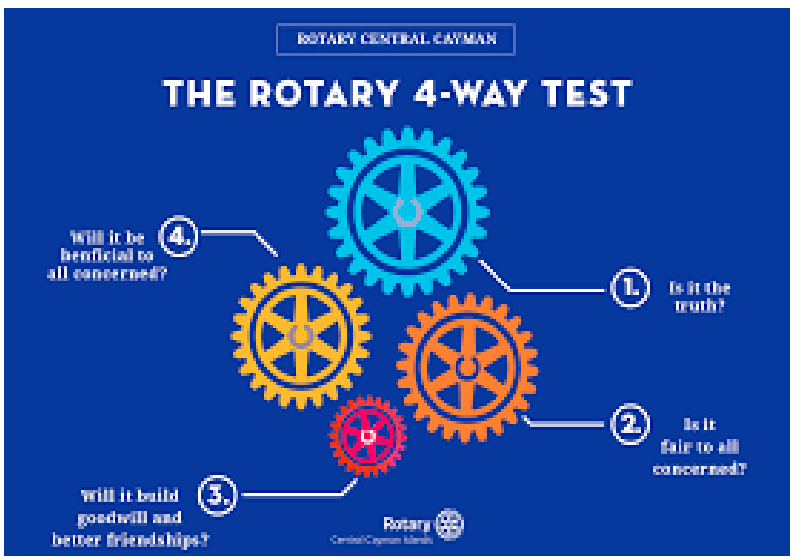

Hope to see you all next week.

Cheers
President Chris

Guest Speaker 25 MAY 2021

MARK BALLA

TOILET WARRIOR

VIA ZOOM

Our guest speaker, Mark Balla, known as the "Toilet Warrior" throughout India came to us via Zoom this week. Mark is currently the President of the Rotary Club of Box Hill Central.

Those of us who attended the recent Conference were lucky enough to hear Mark's inspirational talk there.

During a business trip to India, a chance encounter on a train led to two young men inviting Australian author Mark Balla to look around a slum called Dharavi, where they lived while studying at university.

Dharavi is one of the world's largest slums, with one million people crammed into around 1.6k square kilometres. Mark spent hours exploring with his two new friends, seeing the places where people lived, shopped and worked.

"Finally, we ended up at a school. I was looking around, and there were lots of little boys and girls… and lots of teenage boys as well." But there was one noticeable absence – no teenage girls. When he asked why, the answer was simple: because there were no toilets for them.

Every day, tens of millions of children in India, and throughout the developing world, go to school where there is nowhere to go to the toilet. When Mark first learned about this issue just a few years ago, barely a quarter of the schools in India had separate functional toilets for girls. Thanks to Rotary and others, including the Indian Government, the numbers have improved dramatically.

Mark' passion and dedication has impacted & changed the lives of thousands of children in India by organising the building of toilets in schools. The impact is across many areas: increase in student attendance particularly girls, improved self esteem and dignity, improved health and hygiene to name but a few.

He has published a book: "Toilet Warrior" that is available to our members for $20.00 – contact Tina Murray.

ABOUT ROTARY

WHAT IS ROTAKIDS?

RotaKids is an exciting way for those 12 and under to engage in important, lively activities that will make a positive difference in their school, in their local community and globally.

It is sponsored by a local Rotary Club in or near the town in which the school or group is located. It is not chartered by RI but has been approved by our District. RotaKids take the following Pledge to demonstrate their commitment to being good citizens:

"As a RotaKid, I endeavour to be fair to all,
to serve my community, and to show respect for others"

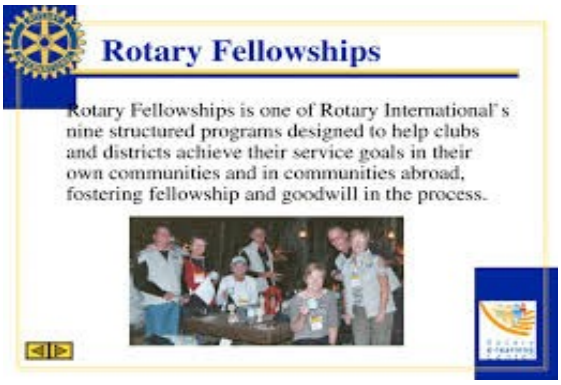

RotaKids provides the young people with the opportunity to gain an increased awareness and knowledge of their community and the world while developing the ability to take up their place in society as responsible, successful, effective and confident citizens both now and in the future.

RotaKids will come up with ideas like fundraising money for charity, improving the environment, helping the elderly or helping children in another country. The Sky is the limit.

At a young age, all young people can easily be encouraged to be caring and helpful. Their minds are open to appreciation of diversity and the worth of each individual; this builds respect for others. They learn to understand that if we all have a right to be treated with respect, then it follows that we have a clear obligation to treat all others with respect.

RotaKids promotes understanding and the building of friendships among fellow RotaKids. RotaKids grows confidence and self-esteem. This boost to self-esteem is at a key stage in children's psychological development. RotaKids learn to appreciate and celebrate the diversity of Rotary's history, and engages with others in Rotary's traditions.

DHS SCREENING

VERY IMPORTANT

FACT: It is a legal requirement that all people who are likely to be working in aged, children/youth, disability and/or vulnerable sectors MUST have completed the DHS Screening. Records of member's successful completion are kept by each respective Club. Certification is simply mitigation against any risk that may arise out of a Rotarian's interaction with any vulnerable people.

It is now essential to get a DHS Screening from the Department of Human Services.

This can be done on line and is compulsory for all volunteers working with the sectors described.

All you need is a birth certificate and driver's licence, or passport and drivers licence to do it all on line.

Go to www.dcsiscreening.sa.gov.au

Go to "applicants can initiate a check independent of an organisation" - click

Role description - Working for Kidman Park Rotary Club

Screening required - tick all of them

- Aged Care Sector
- Disability Services
- General Employment
- Vulnerable Persons
- Working with children
- Category is Volunteer

Keep going.

Good luck if you manage to get it; the certificates lasts from between 3 and 5 years.
