## WORDS FROM PRESIDENT CHRIS

Hi Everyone,

Great to see you all at the Patawalonga Golf Club for a trial venue for our future meetings whilst the WBSLSC is being demolished & rebuilt. Nice to see some partners joining us as well. Ann & I enjoyed our meal & hope everyone else did as well. The room was well set out & I think would serve the purpose. Any feedback on the venue/meal etc please contact Alison, myself or any of the Board members.

This Saturday morning from 9am (Long Weekend) Tom & a group of RCKP volunteers are loading the shipping container with goods from DIK (mostly medical equipment from the old RAH) bound for Tanna, Vanuatu. If you would like to help please contact Tom ASAP.

The instructions to use the new online format for the feedback survey are in the Bulletin & Alison advised us that they will be available until the end of the Long Weekend. Alison is willing to assist anyone with this program if you're having problems with it.

Could all Directors have their Annual Reports completed & emailed to me before June 22nd if possible.

Don't forget Subs are now due. You should have received an invoice by now. EFTPOS, cash, cheque or Bank Transfer are all acceptable.

If you have any changes to your contact details please let Wayne know ASAP, preferably by June 30th.Hope to see you all back next week at the WBSLSC for a Business Networking Meeting. Bring a guest or two! One of our newest members, Shiralee will be sharing her "Life" story with us.
Cheers
President Chris

## Guest Speaker 08 June

# PHIL HOFFMAN

# TRAVEL

Bob Gloyn introduced our Guest Speaker, Phil Hoffmann of Phil Hoffmann Travel.

Phil started his working life as a teacher to now heading up a very successful multi award winning Travel Agency. About 30 years ago Phil started his Travel Agency in Glenelg with just 2 staff & up until Covid hit he had over 200 staff, he now has about 100.

Phil is well known for being involved in many charities & was awarded the Order of Australia 9 years ago.

Phil & Alison have 4 daughters, one of whom works for them in the role of Marketing Manager, a tough job in these trying times.

Since Covid hit Phil's business (& many, many others) he has had to think of other ways of staying afloat. He is now tapping into the domestic market. Prior to Covid Phil's business was about 99% International travel, now it is zero. His business was decimated overnight & had to halve his staffing levels.

He spoke of the highlights of travelling domestically & showed a video to wet our appetites. The "goodie" bags were a nice touch too!

Dear Christine,
Thank you for participating in FluTracking this year!

Please forward this email to them if you think they would be willing to give 10 seconds per week to help us track flu and other viruses like COVID-19. They will receive a weekly report and map of influenza-like illness in return!

**ABOUT ROTARY**

# CONNECTING TO THE MEDIA

## How to talk to your local press

Every person or organisation has a story to tell which will interest the media. We need to increase public awareness and understanding of Rotary to set the stage for membership growth, fundraising and collaboration.
Rotary members are actively working to improve communities around the world and have so much to share with an external audience so they can learn about Rotary and also hopefully join in our efforts. The positive news is that media needs stories now more than ever - journalists require fresh information to plug into websites, papers, radio slots and television slots. Time zones and printing schedules don't limit the media anymore and most news outlets have a 24-hour news cycle to meet the growing demand to deliver news as it happens.

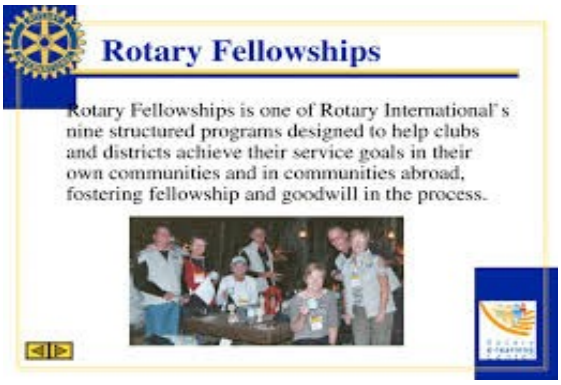

The challenge is to package and present stories in a way that will get them covered by media.
Below are a several factors that can determine whether a journalist will be keen on a story.

**News hook:** A clear reason for telling a story at a particular time. Does the story relate to current events, trends or observances?
**Timeliness:** News that is about to occur, ongoing or near completion.
**Proximity:** News that pertains to issues, people or events to occur within the location of a media organisation and audience.
**Prominence:** News that involves public figures, celebrities and notables.
**Human interest:** News that elicits sympathy or emotional response.
**Consequence:** News about the result of something that has significant impact on the news organisation's audience or influencer's followers.
**Visually compelling:** New or unique and attention getting images that dramatically convey the message.
**Data:** Relevant statistics and research that support the story.
**Handy tip:** do the following two things if you'd like to learn more and stay up to date with what media tend to write about or how you could fit into the mix.

Get to know your local media by reading the local newspaper, watch the evening news, listen to the radio to discover what stories are being shared.
Also, follow their social media channels to identify where your story might fit in to their mix.
For further information on how to create a pitch please contact angela.stavro@rotary.org

## DHS SCREENING

### VERY IMPORTANT

**FACT: It is a legal requirement that all people who are likely to be working in aged, children/youth, disability and/or vulnerable sectors MUST have completed the DHS Screening. Records of member's successful completion are kept by each respective Club. Certification is simply mitigation against any risk that may arise out of a Rotarian's interaction with any vulnerable people.**

It is now essential to get a DHS Screening from the Department of Human Services.

This can be done on line and is compulsory for all volunteers working with the sectors described.

All you need is a birth certificate and driver's licence, or passport and drivers licence to do it all on line.

Go to www.dcsiscreening.sa.gov.au

Go to "applicants can initiate a check independent of an organisation" - click

Role description - Working for Kidman Park Rotary Club

Screening required - tick all of them

- Aged Care Sector
- Disability Services
- General Employment
- Vulnerable Persons
- Working with children
- Category is Volunteer

Keep going.

Good luck if you manage to get it; the certificates lasts from between 3 and 5 years.

## DID YOU KNOW?

### An Amazing sentence in English

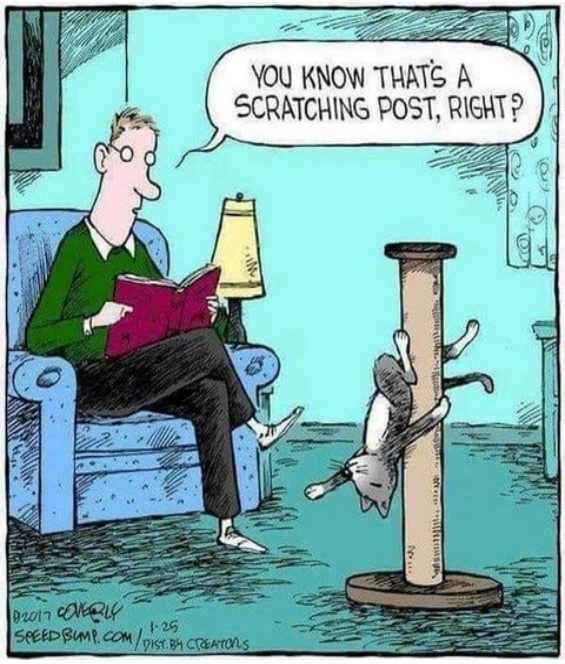

"I do not know where family doctors acquired illegibly perplexing handwriting; nevertheless, extraordinary pharmaceutical intellectuality counterbalancing indecipherability transcendentalizes intercommunication's incomprehensibleness."

The person who made this sentence must be a vocabulary GENIUS.

Reason

This is the sentence where the first word is one letter long, the second word is two letters; the third word is three letter long... the eight word is eight letters long and so on... the twentieth letter is twenty letters long!
