WORDS FROM PRESIDENT CHRIS

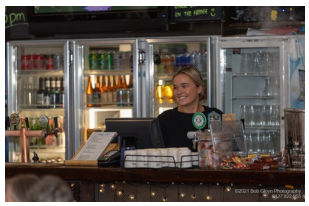

Hi Everyone,

Great to see a good crowd this week back at WBSLSC despite the very inclement weather. Overall feedback from our meeting held last week at the Patawalonga Golf Club has been good. A few small issues need to be sorted out but more on that in the coming weeks.

Don't forget that subs are due & if you are paying by bank transfer please check that you are paying the correct amount to save a few headaches for Treasurer Rob.

Rob Stocker spoke briefly on the new website & advised us that some fine tuning was needed for the structure of the website. There will be a training session at a later date for members on how to use the website once it is up & running.

Tom & his large band of volunteers have completed loading the shipping container bound for Tanna, Vanuatu. Many hands make light work & the container is now locked & ready to go on July 11th & should arrive in Tanna by the end of July. A big thank you to all the members who volunteered their time to make this happen. Well done!

Alison was very happy with the response to the online survey that she set in motion. Many good ideas & suggestions were put forward for consideration. Next week Alison will be discussing with members the Committees that you might want to be a part of.

If you have any clothing that is clean & in good repair that you no longer want, St Paul's Op Shop would greatly appreciate them. They have a shortage of ladies & men's winter clothing at the moment & would welcome donations. Please bring your unwanted clothes to next week's meeting & Brian & Stuart will collect & deliver them to St Paul's.

Members also enthusiastically recognised Matilda, who is on staff at the West Beach Surf Lifesaving Club, as she is leaving to work full-time in real-estate.

Hope to see you all next week to hear RYPEN participant Olivia Harwood of Nazareth College.

Cheers
President Chris

SHIRALEE WOODS
MY LIFE MY JOB

One of our newest members, Shiralee Wood was introduced by Mario McDonagh as our Guest Speaker this week to tell us about her life. Shiralee's husband John also joined us as a guest. She is no stranger to the club as she has been at our Business Networking meetings regularly over the past two years.

As a working mother of 4 boys, which include one pair of identical twins, Shiralee leads a very busy life. The family experienced a very traumatic time early in the twin's lives when one of them was diagnosed at the age of 6 with a tumour on the optic nerve. The family battled through this very trying period & now this young man is doing well with yearly medical checkups.

Shiralee has had a varied work life from working in an abattoir, a horse stud, Le Cornus, Westpac Bank & numerous other jobs. She is now a part owner/shareholder of Brodie Collection Services. Shiralee is in partnership with her cousin Louise who also had a child with health issues. Due to family commitments both of them decided to control their own destiny & work together & have a better work/life balance & more flexibility. Shiralee told us of some of the challenges of her job & also how rewarding it is as well. I got the impression that she felt very passionate towards her job & was also happy to be a Rotarian & give something back to the community. Welcome to RCKP Shiralee.

Shiralee's fascinating talk certainly provoked a wide range of searching questions from our members.

Mario thanked her and presented her with the traditional bottle of red wine which she said she would enjoy very much!

ABOUT ROTARY

ROTARY: THE GREATEST SERVICE ORGANISATION IN THE WORLD??

ROTARY is recognised for its willingness to tackle global problems - for example, the successful attempt to eradicate polio with the POLIO PLUS program. However, we continue to face an ageing and declining global membership. Statistics indicate that in spite of being one of the largest and best known international humanitarian organisations, we lose members in Australia while the average age of Rotarians remains reasonably constant. Some clubs are reversing that trend and many continue to build strong numbers of women within their membership.

According to Brad Howard, who was Rotary International Director for Zones 25 & 26 in the United States and Canada, we seem to "… have a hard time finding people to join us and an even harder time keeping them". Have things changed? Do we need to think about Rotary differently?

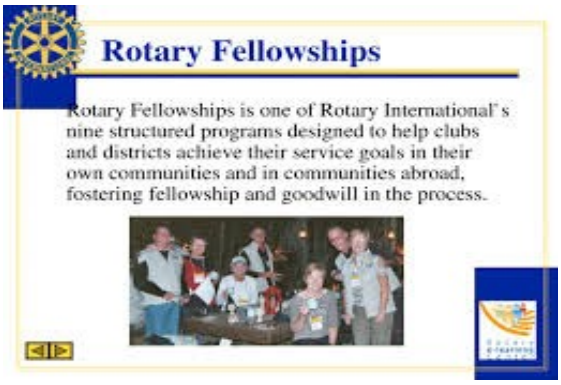

Public perception may well be that Rotary is the greatest service organisation in the world. Brad disagrees: "We are a membership organisation that does great service in the world". Rotary's customers are the men and women who join as members because they have a commitment to service. The great thing about Rotarians is that they have the confidence and the ability to make positive changes happen in local, national and global contexts.

Around 50% of the global population is aged 30 or younger. They are looking for experienced community professionals and business leaders to mentor them. As potential Rotarians their enthusiasm and excitement is there for the asking. We need to focus on recruitment to make clubs stronger.

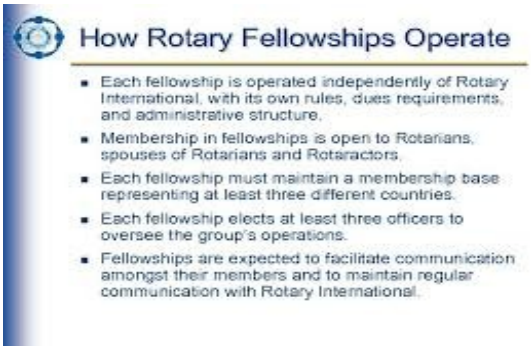

Is there an opportunity for KPRC to strengthen our position in this space by actively seeking young people to mentor – as an extension to our Business Networking Program?

CONTAINER FOR TANNA (VANUATU)

Again a big thank you to all of you for volunteering and for doing such a great job on Saturday 12 Jun. This group of healthy, fit and committed members gathered at the Donations In Kind (DIK) site on Explosives Road, Edinburgh to finish packing supplies into the container that will eventually find its way to the small hospital at Tanna in Vanuatu.

Chief Packer Mario guided the crew in sourcing the various health equipment and supplies and found appropriate niches in the container so that all of the supplies ordered from DIK fitted. An amazing accomplishment!

I think that locking the doors at 12pm, after only 2 Saturday mornings packing, was a massive achievement and something with which we should be all proud and happy. It won't be long before this container is on the water on its way to Vanuatu! For sure, with this, we will bring some big smiles on the faces of the recipients at Tanna Island.

We hope the recipients are pleasantly surprised when they open the container to find a large collection of soft toys that were used as packing to protect valuable equipment.

A big thank you to Jenny and Stuart for taking and sending in the photos.

An added bonus for the workers was a delicious morning tea provided by the volunteers at DIK. Thank you!

Once again: great effort folks!

Cheers,
Tom

DHS SCREENING

VERY IMPORTANT

FACT: It is a legal requirement that all people who are likely to be working in aged, children/youth, disability and/or vulnerable sectors MUST have completed the DHS Screening. Records of member's successful completion are kept by each respective Club. Certification is simply mitigation against any risk that may arise out of a Rotarian's interaction with any vulnerable people.

It is now essential to get a DHS Screening from the Department of Human Services.

This can be done on line and is compulsory for all volunteers working with the sectors described.

All you need is a birth certificate and driver's licence, or passport and drivers licence to do it all on line.

Go to www.dcsiscreening.sa.gov.au

Go to "applicants can initiate a check independent of an organisation" - click

Role description - Working for Kidman Park Rotary Club

Screening required - tick all of them

- Aged Care Sector
- Disability Services
- General Employment
- Vulnerable Persons
- Working with children
- Category is Volunteer

Keep going.

Good luck if you manage to get it; the certificates lasts from between 3 and 5 years.
