WORDS FROM OUR PRESIDENT - CHRIS BRANSON

Week 5 already!! Numbers were very good again this week; no international travelling at the moment has made a difference I think.

John Jackson spoke on the Bunnings BBQ proposed for 20th Sept. It appears there is a lot more involved now due to COVID with the need to have "Captains" and volunteers needing to complete a food and hygiene course before participating in a BBQ. Very stringent rules and regulations are being brought in which could deter potential volunteers. Please read John's update in the *Club News* on page 4.

Jenny Harris spoke briefly reminding all Bookmart volunteers of the meeting to be held this week.
Rob Chambers spoke of the grant applications that the Club has submitted with the intention to assist the Tutti Arts group. Hopefully, we can help them with installation of a Solar System and $10,000 for other equipment they are in need of. We should have an answer regarding our application by early September. He also reminded us that our subs are due and there were still a few outstanding.

Our guest speaker was Roland Eime. He spoke to us about the history of handwriting, which he made very interesting and entertaining. He has a great sense of humour and is quite witty. Roland was a librarian in his early life and also spoke of the scribes of the past, dating back many, many years. He is involved in the Medieval Fair at Gumeracha showcasing his talented handwriting skills. He also mentioned his Port Adelaide roots with family members (except him as he suffered from rheumatic fever as a child) playing for the Magpies. Roland is also a Bookmart volunteer.

Don't forget Committee meetings this week. Tables will be set up for you to eat with your fellow Committee members.

Cheers

President Chris

BUNNINGS AIRPORT SAUSAGE SIZZLE FUND RAISER UPDATE

I have advised Bunnings Airport that the KPRC will be declining the offer to work Sunday Sept 20th due to insufficient team captains forthcoming. We may apply again in the New Year. There were sufficient volunteers for the other 4 positions.

Potential volunteers are encouraged to have a look at the Bunnings Airport BBQ, functioning at midday on weekends and do the Food & Hygiene ***I'm Alert*** course on the City of West Torrens website. By the New Year, we will also have a more accurate estimate of expected net takings and return-for-effort. But at the end of the day, it will come down to whether we can get sufficient numbers of team captains so please familiarise yourself with the duties as outlined in the email sent to all members.

Guest speaker, 8th September.
ANTHONY HART Anthony Hart
'Surviving a Fall from Tall Building'

November 7th, 2003, Anthony on anti-depressants, sleep deprived, and suffering depression made a significant attempt on his life. Through a remarkable stroke of luck, he clung onto life and survived.

Anthony shares insights into the mind of someone struggling mentally, and paints a picture of the thoughts, feelings and behaviour of someone who battles poor 'Mind Health'. Through his arduous recovery journey back, Anthony uncovered four powerful yet simple steps to better mind health.

Fast forward to today, the business he leads, Invigor Wellbeing has through his learnings, created a simple, yet powerful Mind Health Annual Program designed to unite Employers with Employees by building a 'Culture of Care' throughout the organisation. The program has the potential to significantly improve the mind and physical wellbeing of participants. The mutual benefits are enormous.

It is Anthony's mission in life that by sharing his story, that others won't have to go down the same path he did. In 2018 his attraction to the clear messaging around R U OK saw him become a Brand Ambassador. The takeaway learnings attendees with leave with will be lifelong.

The Joker Draw

Ken Eyles had the winning ticket won around $54 but did NOT select the Joker Card.

The Jackpot now stands at over $443.00
