Rotary Club of Kidman Park

From Our Co-President

So far, so good. One meeting done and only 40 something to go. Last week was an experiment due to changing circumstances, however I think the mood was positive and could happen again with some fine tuning. I would like to thank everyone who attended and for placing your orders early & via email. 36 members attended. Great topic with speaker Ian Coats and a lot of interest from the members, with a good number indicating that they would be interested in a fellowship weekend at Calperum Station, with a possibility of some volunteering as well. Three years ago I went with 5 or 6 members & partners to Calperum for a fellowship/come and see weekend and I would recommend it to all members. It is a District 9510 project and one that we could easily support in a number of different ways.

SEATON PUB NIGHT

Next Tuesday we are at Seaton Hotel on the corner Clarke Tce / Tapleys Hill Road. (Only entrance is from Clarke Tce just near the traffic nights).

It's a fellowship night and a chance to evaluate the venue. Tuesday is Schnitzel night so it will be busy with 150 patrons. Schnitzels are $15 or you can order from the menu. For simplicity, please order in table groups.

Please take the time to discuss the future plans of KPR with others at your table and bring your good ideas to the Committee night the following week at Westward Ho Golf Club. It's really important that we get 35 members to attend the WH golf club on Aug 23 as the meal arrangements will be as per usual.

Guest Speaker Summary

Ian Coat—Calperum Station

We welcomed Ian & Suzette Coat to the meeting on Tuesday night, both have strong commitment to 'Service to Others' & Rotary is very important to them. Ian is a member and previously president of Magill Sunrise Club. Environmental Matters are also very high on their agenda and they both became involved with Rotary's Calperum project soon after joining Rotary. More recently, with protection of the environment becoming a major Rotary focus, Ian was invited to join the Calperum Environmental Committee (CATE).

Calperum Station is an internationally recognised conservation site which is seeking to develop Ecology, Education and Engagement. Calperum has a long history in ecology research which is augmented by school education programs such as Health of The River. More recently, Calperum has sought to engage the wider community by providing eco-tourism experiences to cater for variety of tastes. The 240,000 hectare site presents many challenges that eager Rotarians can help to address. District 9510, and for almost 20 years before that, Districts 9500 and 9520 jointly have been part of the conservation research programs around water management, flora and fauna management. Researchers at Calperum have been nationally recognised for their work in the restoration of semi-arid woodlands and the River Murray floodplains. Rotary activities are generally coordinated by the Calperum and The Environment (CATE) committee currently led by Don Will (RC Eastwood).

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

MEALS ON WHEELS

Meals on Wheels drivers are required for Fridays.

We have committed to assisting Meals on Wheels on Fridays by providing a driver for the next 3 months on round 3.

Meals on Wheels are extremely short staffed of volunteer drivers for round 3 Seaton/ Albert Park Area. If any one is able to assist it would be appreciated. Please let Karen know if you can help. Seven people would mean you would only need to do it twice.
