Rotary Club of Kidman Park

From Our Co-Presidents

 # Test of the Dinner Meeting System
An email was sent out by Co-Pres Rob Chambers at 2.30 pm on the Tues afternoon prior to the Dinner Meeting. Rob had a dose of the flu and wisely chose not to bring it and him to KPR that night. Rob already had the weekly meeting running sheet prepared, also the Weekly Meeting Announcements and the Induction Notes Sheet.

It was to be a pretty busy and action-packed night (being a Partners Night with a key possible project Speaker and a new Member Induction and Partner welcome) but Rob had prepared well for it. He emailed those Meeting work sheets to MC Tom, Membership Chair Tiggy and Co-Pres Warren. Between them they took on the relevant tasks between them and the Meeting flowed without a hitch. The system took over and the result positive and predictable.

 # The Meeting last Tues 30/8 and with five Partners attending
It was an excellent Meeting. There were 38 attendees including the 5 Partners which are numbers that fit well for the Westward Ho Venue and the agreed $25pp meal/room hire cost.

Our numbers have been over 30 for all weeks for August which is a good positive.
Our Guest Speaker was Rachel Williams covering the "Seeds for Snapper" which affects all our local beaches and throughout Australia. We learned how important Sea Grasses on our suburban and regional beaches are for fish stocks and general health of the shallow sea areas.

The interest of our KPR audience was evident. Rachel has been requested to get back to Chair Jen Clarke(who sourced our excellent Speaker) with some suggested bite size actions that could be small projects to be discussed and considered by the KPR Community Committee and put up to the Board if thought suitable by the Community Committee. More on this later.

It was exciting for us to have the Induction of Dale Kentish as a new member of KPR. For those of us that have met Dale will be aware she is vibrant, energetic and service oriented. In her response she left us with a cameo of those qualities and as her Mentors of Rose Willington and Liz Foote were announced, Dale bolted across the room to give both Mentors a hug. Dale is well supported by Partner Peter, and Peter has already started discussion about how he may be able to assist with MOW and other Club projects. They are a great team and have attended KPR for several meetings and attendance has been by both on each occasion.
They will both be excellent additions to our KPR team.

Other Snippets
Our Venue welcomed a new Chef for 30/8 Meeting. Sandy is experienced and Westward Ho have been pleased to engage her.

This coming Tueday night 6th Sept is a followup Committees Night to complete some unfinished business for all our Committees. Lets all aim to attend to have a say and role in that unfinished business. All Meetings for Sept are to be held at Westward Ho.

There is a Board Meeting to be held on Thurs 8th Sept so if your Committee has anything for the Board to consider and vote on then please get your Chairperson to bring it to the Board for the further decision and action.

CLUB NEWS:

Rotary Club of Kidman Park

From Our Co-Presidents

The District 9510 Conference and Melbourne World Convention are in Melb in 27-31 May 2023. The D9510 Conference will be a series of events incorporating the International Convention.

Our Club will be looking for a person/or couple that is attending in Melb to be a Coordinator for the KPR members attending those events. Not a difficult role but it will involve getting across what is happening, when and accommodation.

To have an International Convention so near us is a very special opportunity. The International Convention was held in Sydney 5 years ago and for the KPR group that attended that it was a special experience and a lot of fun. Please see Rob or Warren if you would like to help with that role.

The Audio Visual training that was held by Westward Ho Manager and team member Sam for Rob, Warren, Ron and Paul was extremely valuable. That knowledge was put to good use last Tues night when the Speaker needed to play two videos with sound and requiring wifi. Problems solvered!!

From Co-Pres Warren (while Co-Pres Rob is convalescing)

 # Regionalisation for zone 8 Pilot program.

The Regionalisation pilot is proposed to explore, develop and test new ways of operating Rotary and
Rotaract in our part of the world.

The vote is not for a new structure but to “develop and test alternative ways of operating”
 Voting is open between 15 & 29 September
 A Two Thirds outcome in Clubs & Districts is required for the proposal to pass
 Failure to vote will constitute a “NO” vote
 The proposed Zone consists of 16 Countries
 No structure template will be produced util the working parties’ findings & recommendations have
been signed off.
 Being a demand driven bottom up project nothing will be imposed on Clubs down to a final vote (by
Clubs) on the proposed Model which needs to be completed in time for the Council on Legislation in
2025.

For more information the Regionalisation vote fact sheet is available
at creatingtomorrowrotary.org or Page 10 and 11 of this bulletin)

I will ask members next meeting to support the proposal and then I will vote ‘yes’ in favour of the pilot program, unless you tell me to vote no.

Co President
Rob

Chairperson	Grant Price
Welcome	Ann Branson
Joker Draw	Steve Redden
Speaker	Jacob & Breton Operation Flinders Sponsee

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

Please Note: If you would like to put your name down for any rosters contact CLUB SECRETARY, Wayne Comley.

If you are unable to fulfil your rostered role, please arrange a swap with another member before advising Wayne Comley and the Kidman Krier Editor Ali Harris kidmanparkrotary@gmail.com.

CLUB INFORMATION

KPRC BANK DETAILS

The use of Direct Debit transfer of funds is now commonplace and it is very easy to use this facility to pay for the activities of the club. To assist the Treasurer, it is important that you include (in the reference section of the online transfer document from your own bank) your name and the club activity for which you are paying (e.g. John Smith Club Subs). Club bank details are:

Business Name : Kidman Park Rotary Club Inc.

Admin Account
BSB : 633 000
Account : 152 107 249

MEALS ON WHEELS

Meals on Wheels drivers are required for Fridays.

We have committed to assisting Meals on Wheels on Fridays by providing a driver for the next 3 months on round 3.

Meals on Wheels are extremely short staffed of volunteer drivers for round 3 Seaton/ Albert Park Area. If any one is able to assist it would be appreciated. Please let Karen know if you can help. Seven people would mean you would only need to do it twice.

Karen Feind

ROTARY NEWS:

Rotary Club of Kidman Park

Rotary International is considering a project to address membership, public image, communication, leadership, and fundraising challenges to help define a more sustainable future for Rotary.

Our region, or Zone 8, which includes Australia, New Zealand, and the Pacific Islands, has been selected as one of two potential regions from across the globe to pilot a regional approach to governance.

It is important that you, our fellow Rotarians, are consulted throughout this process. In fact, the project cannot proceed without the support of members and clubs.

A local Regionalisation team made up of Rotarians from our zone has identified five key project objectives:

- Support clubs to engage members, volunteers, and communities
- Create new attractive leadership roles and development opportunities
- Build a stronger unified Rotary brand
- Encourage partnerships
- Improve efficiencies and reduce duplication.

To help achieve these objectives, the project seeks to develop and test a streamlined governance approach to:

- Allow clubs sharing geography, culture, and language to organise in ways that suit them.
- Eliminate duplication and remove layers of hierarchy to make Rotary more responsive and cost effective
- Bring together the best resources from across the region and make them easily accessible to every club.
- Improve communication effectiveness to enhance club and member engagement.
- Grow membership through new club types, flexibility, and partnership options reflecting our diversity.
- Attract more community, corporate, and government sector support by communicating with one voice.
- Enhance leadership and personal development activities to better suit our modern world.
- Foster more diverse perspectives in decision making.
- Reduce the burden of administrative responsibilities placed upon leaders.

The overarching aim of this project is to provide better and more direct support to Rotary and Rotaract clubs through a less layered and more devolved contemporary approach.

In addition to potentially releasing members time for humanitarian service by reducing administrative duplication, any new structure must foster more vibrant club environments and provide doable and attractive roles accessible to all potential Rotary leaders.

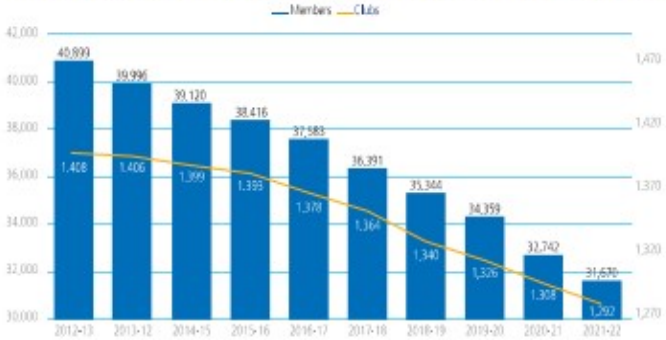

Why is this project so important?

Over the last 10 years Rotary International has recruited approximately 1.4 million new Rotarians but total membership has remained constant at 1.2 million. In Australia, New Zealand and the Pacific Islands, the trend is even worse with a loss of 23% in Rotarian membership over the last 10 years.

Changing volunteer needs and ageing demographics demand new opportunities for innovation and collaboration in the ways we serve our communities, enjoy fellowship, engage participants, develop leaders, and grow Rotary.

The time has come to address some of our most persistent challenges in ways that are more impactful, relevant, and attractive to future generations who share our passion for service and leadership. We must do so whilst enhancing what is great about Rotary.

ZONE 8 (AUSTRALIA, NEW ZEALAND & PACIFIC ISLANDS) 10 YEARS

Our journey so far.

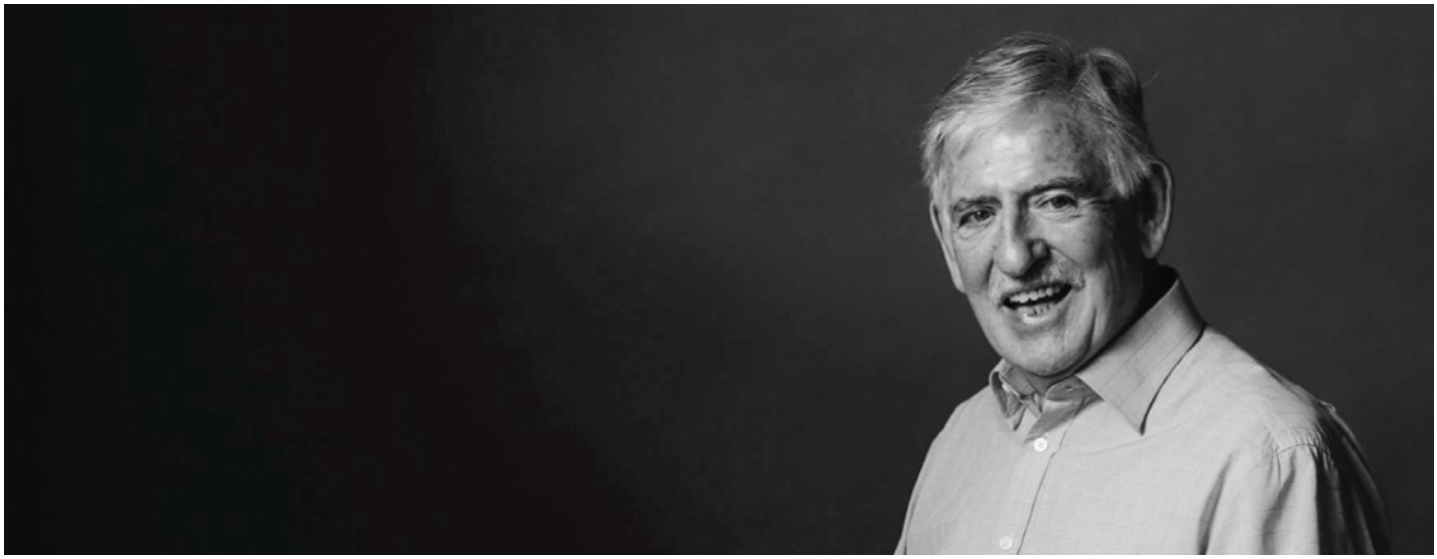

A local project team first looked at ways to reorganise 10 years ago. Building on that groundwork, the current local project team, which commenced in February 2019, has surveyed members, identified key issues, established working groups, and considered a proposal by Rotary International's Shaping Rotary's Future Committee (SRF).

Being aware of the extensive amount of work done in our Zone, the Board of RI considered us pre-qualified to be one of two regions in the world to develop and pilot a new governance solution. In February 2022 they endorsed us being a pilot subject to approval of the Council on Legislation [CoL] and the agreement of clubs and districts by 1st October 2022. CoL approved our Zone being a pilot on 13th April 2022.

Rotary Zone 8 | Regionalisation Project

ROTARY NEWS:

Rotary Club of Kidman Park

A new governance approach.

To meet future challenges, it is believed we need an approach that recognises the central role of members, clubs, projects, and programs relative to impact, reach and engagement. An approach that works with groups of clubs or other collaboration configurations based on affinity, modern volunteering, and leadership expectations.

One voice marketing and national partnerships for greater fundraising and membership growth are also envisaged essentials, as is access to the best support available to help clubs evolve and be attractive to both new and mature generations.

RI's Shaping Rotary's Future Committee has provided a "framework" for us to explore, test and develop. It allows for Australia, New Zealand, and the Pacific Islands to be governed by a Regional Council that would lead and manage regional operations with the assistance of vibrant committees and specialists supporting clubs to address the challenges we all face.

It is envisaged that the role of the Regional Council would be to strategically lead and manage the activities of the region, whilst recognising the nuances and requirements of the different countries, territories, and states, set membership dues and govern Rotary in our region.

Work has already commenced to explore the framework with key stakeholders. Final aspects, which are yet to be determined, will be developed and piloted in full consultation with members, clubs, and districts both prior to and during the pilot.

What are the next steps?

Several processes are required before the project can proceed, including significant consultation with members, clubs, and district leaders across the zone as well as ongoing discussion at RI Board level:

- From the 15th May 2022, extensive club communication and consultation is scheduled to commence.
- In September 2022, the clubs and districts in our zone are scheduled to vote on whether to participate.

Other important facts should the pilot proceed are:

- Existing districts will remain in place with District Governors and the Regional Council sharing management and leadership. District personnel will be crucial to ensure continuity and support for clubs.
- The districts will remain in overall control of the direction of the pilot with District Governors playing an important leadership and advisory role during the pilot.
- Regular monitoring and evaluation will occur to confirm effectiveness and efficiency and that we improve the overall membership experience, grow Rotary and Rotaract, create opportunities for leadership growth and welcome more diverse perspectives in decision making.
- Decisions on any permanent change will be subject to approval by the RI Board, after consultation with Districts and members.

Timeline for Pilot

The following table depicts possible steps during which there will be extensive and regular communication and consultation with Rotary and Rotaract members, clubs, and district leaders as the pilot proceeds:

OUTLINE OF POSSIBLE STEPS

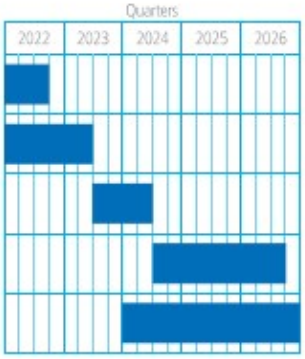

Stage 1:
Approval to develop and pilot

Stage 2:
Development phase

Stage 3:
Partial regionalisation

Stage 4:
Regionalisation
(with districts remaining)

Stage 5:
Evaluation and assessment

For more information and the opportunity to contribute, please visit **creatingtomorrowrotary.org** (or click this QR code)

Should you like a specific presentation to your Club, contact your local **Regionalisation District Representative** (click here) or email rotaryregionalpilot@gmail.com if you need contact details.
