From Our Co-Presidents

District Conference & International Convention

4 or 5 members have indicated they will be attending. Could one of those members please volunteer to co-ordinate and publicise the event to the club with hopefully more members deciding to attend.

District Conference or the Melbourne International Convention 27-31 May 2023.

Pizza Night - September 27

The kitchen will be unavailable this night so we can get pizza same as before but with a larger selection from the menu. Also lower cost as we have opted for room hire only and no cutlery provided.

The same arrangement as before – Place order by email or text me and I will get delivery.

The speakers are 2 students we sponsored to "Operation Flinders".

Venues and meals.

Warren, Chris Branson & myself had a very promising meeting with WHGC last Thursday and we are confident that they are able to address all of our concerns.

Over the last month or two Warren & I have investigated a number of venues to evaluate their suitability for KPR, which is not an easy task. Overall we still agree that WHGC is the best by a long way when considering the following parameters: Location & suburb, Venue size & shape, Expandable space, Outlook & vista, Parking (especially in summer), Audio visual equipment, Our equipment storage, Noise from adjacent rooms, Management relationship, Table & bar service, Cost of meal, Menu variety, Exclusive use of room, Flexability (eg. pizza night or just room hire).

Some of the items listed above cannot be fixed or changed by us or the management. Eg parking, but we are working on those things that can change in order to get the best long term arrangement for KPR and our host. Many thanks to Warren as he has done most of the work on this. Thankyou also to Chris whose experience in hospitality has helped our conversations with management.

Book Disposal

Many thanks to Tom who delivers old books to Fibrecycle to be made into "Kitty litter". Last week he delivered 700kg to Lonsdale. Last year Tom's efforts made $ 660 for our project account.

Audit of accounts.

Our accounts for last financial year have now been audited. Thankyou Ian Roberts.

Regionalisation Rotary Zone 8.

I have now voted "yes" on behalf of KPR.

Co President

Rob

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

Please Note: If you would like to put your name down for any rosters contact CLUB SECRETARY, Wayne Comley.

If you are unable to fulfil your rostered role, please arrange a swap with another member before advising Wayne Comley and the Kidman Krier Editor Ali Harris kidmanparkrotary@gmail.com.

This Week—Tuesday 20 September 2022

Guest Speakers

Father Sean, Director and Founder of Born to Live

Helping children in Thailand born with HIV

The Born To Live Charity came into existence as a result of Father Sean meeting Dr. Jean who began the HIV Programme with children in Thailand. She was anxious to extend the Medical Programme into the educational and family life of the children and needed financial support to do so. After clinic visitations and home visitations with her medical team they were privileged to be invited to be part of this wonderful programme. The began with their first Camp for children and from there the project has developed to it's present stage.

Meals on Wheels drivers are required for Fridays.

We have committed to assisting Meals on Wheels on Fridays by providing a driver for the next 3 months on round 3.

Meals on Wheels are extremely short staffed of volunteer drivers for round 3 Seaton/ Albert Park Area. If any one is able to assist it would be appreciated. Please let Karen know if you can help. Seven people would mean you would only need to do it twice.

Interesting article on Rotary aid to Ukraine from September issue

The Rotary Foundation update

Thanks to the generosity of donors around the world, Rotary has raised more than $15 million to provide people in Ukraine with emergency supplies and equipment; medical aid; and essentials such as water, food, shelter, and clothing.

As this issue of Rotary magazine went to press in late July, The Rotary Foundation had awarded 172 disaster response grants, totaling $5.435 million, to support people
affected by the war in Ukraine. Sponsored by Rotary districts in 35 countries, the grants have benefited Ukrainians in 29 countries.

In Ukraine, Rotary District 2232 has received 13 disaster response grants, totaling nearly $1.3 million. The district has used that money to purchase medical equipment and supplies for hospitals, as well as provide food, education, and transportation services for internally displaced people.

Additionally, Rotary clubs and individual members worldwide have sent about $350,000 to Ukraine directly to assist with relief efforts there.

The Rotary Foundation will continue to use the millions of dollars already contributed for humanitarian aid in and around Ukraine. Districts can apply for those grants until 31 December.
