"On hearing ill rumour that Londoners may soon be urged into their lodgings by Her Majesty's men, I looked upon the street to see a gaggle of striplings making fair merry, and no doubt spreading the plague well about. Not a care had these rogues for the health of their elders!"

So nothing has changed in 350 years or so.

CHILL

Rotary Kidman Park

Here's Sue. 31 years old, home schooling her kids for the last 5 days. Great job Sue. Keep it up.

A Law student, having failed his Law exam, goes up to his crusty old professor, who is renowned for his razor-sharp legal mind.
Student: "Sir, do you really understand everything about this subject?"

Professor: "Actually, I probably do. Otherwise I wouldn't be a professor, would I?"

Student: "OK. So I'd like to ask you a question. If you can give me the correct answer, I will accept my marks as it is. If you can't give me the correct answer, however, you'll have to give me an "A".

Professor : "Hmmmm, alright. So what's the question?"

Student: "What is legal but not logical, logical but not legal, and neither logical nor legal?"

The professor wracks his famous brain, but just can't crack the answer. Finally he gives up and changes the student's failing mark into an "A" as agreed, and the student goes away, very pleased.

The professor continues to wrack his brain over the question all afternoon, but still can't get the answer. So finally he calls in a group of his brightest students and tells them he has a really, really tough question to answer: "What is legal but not logical, logical but not legal, and neither logical nor legal?"

To the professor's surprise (and embarrassment), all the students immediately raise their hands.

"All right" says the professor and asks his favourite student to answer

"It's quite easy, sir" says the student "You see, you are 75 years old and married to a 30 year old woman, which is legal, but not logical. Your wife has a 22 year old lover, which is logical, but not legal. And your wife's lover failed his exam but you've just given him an "A", which is neither legal, nor logical."

WORDS FROM OUR PRESIDENT

What was pleasing about our first zoom meeting was the number of Rotarians, not familiar with zoom that have embraced the technology. Having 30+ connected on Tuesday night was very encouraging.

The new look Zoom meeting has got some upsides as we adjust and adapt to this change.

- The ability to interact and get updates from all in attendance, in particular hearing from members that we may not catch up with at our normal meetings as we are not sitting at their table.
- We don't have to leave home so a saving in time and petrol
- Wear what you like and sit where you want
- Drink what you like and maybe have an extra one for the road 😊

I spoke with our guest speaker Mark Aiston for the Intercity Meeting on the 28th April. He is familiar with zoom and confirmed he will speak on his topic '12 months of sobriety'

The following week, 5th May will be our first Business Network Zoom Meeting so remember to send an email invite to business colleagues or anyone that may like to join our meeting.

I look forward to seeing you on line on Tuesday, so join the meeting at say 6.20ish ready for a 6.30 start and be prepared again to share how your last week has been. 😊

I will be sending a reminder email so all you have to do is click on the link

Yours in Rotary

Kevin Tiggy
