WORDS FROM OUR PRESIDENT

Words from our President

Last Week 16th June

Our member, Mario McDonagh, offered at the last minute to be our Speaker last Tuesday. His presentation on Drugs and Alcohol in the workplace highlighted his huge concern about the increasing impact of drugs in our society. Mario has presented to our club prior to joining our club, and again his presentation generated interest, questions and comments from members.

This Week 23rd June

Our speaker for this week is now Luke McLean. Luke's Topic is Mental Health

Feedback Forms:

If you haven't already done so, **PLEASE** returned the Feedback Forms to Chris Branson **ASAP.** This will hopefully lock in your preferred committee for 20/21

Next Week 30th June

To be advised with regard to both the Speaker and discussion points including possibility of having our first meeting back at West Beach Surf Life Saving Club

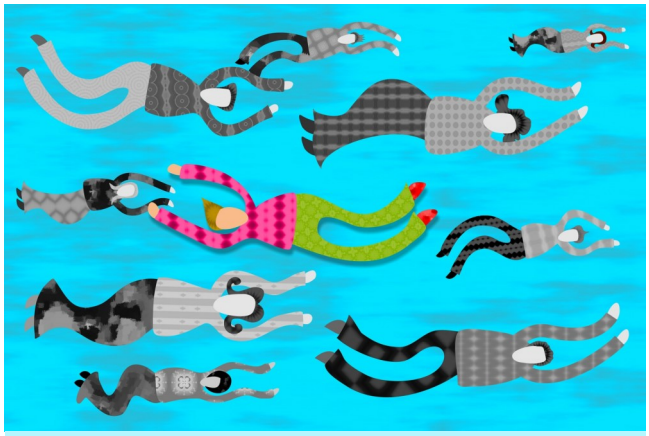

See you on the Zoom screen 

Yours in Rotary

Kevin Tiggy

TIGGY'S THOUGHT FOR THE WEEK

If you try to be anyone but yourself, you will fail. Be authentic, be yourself.

The Four-Way Test

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

LAST WEEK'S GUEST SPEAKER - MARIO MCDONAGH

As a relatively new RCKP member, Mario has enthusiastically immersed himself in a wide range of activities and events. Previously Mario told us about 'Screening on Site', his business that provides drug and alcohol testing for industry staff to help reduce the devastating impacts of drug abuse. Last week, at short notice, Mario spoke passionately about his STAH Group and its multi faceted approach to stemming drug abuse in the workplace.

Using information from a variety of sources including the 'National Wastewater Drug Monitoring Program' Mario shared the latest trends in illicit drug consumption. The rising tide of drug use, and especially of highly addictive methamphetamines is alarming as the impacts can be devastating. In the workplace drug abuse can lead to loss of productivity, conflict and accidents, injuries and loss of life.

In addition to testing for evidence of illicit drug consumption, the Star group is looking to implement education and support programs as vehicles industry can utilise to help promote the well being of workers and to provide a safer environment. Mario is, for example, writing a module to better inform trainees by raising awareness about the obligations and issues associated with drug use that can impact the work environment, and strategies to promote healthier outcomes. He hopes to have it integrated into Cert 1 training courses.

Mario also spoke about the challenges of establishing a relatively new brand and of encouraging industry to invest in drug abuse mitigation strategies.
