WORDS FROM PRESIDENT ALISON

Hi Everyone,

It was great to be back at West Beach Life Saving Club this week. Thank you to everyone for ensuring you wear your masks while not seated at your table. While it was a bit unusual, I am really proud of how everyone had your masks on and I think it worked well. I am happy to receive any feedback about this if anyone has concerns about how we managed this on Tuesday night.

There was a lot of buzz around the room during the committee meeting section and it was great to hear the summaries from committees about what they have started to plan for the year.

I am assuming no one is interested in going to Egypt for the **Rotary Club of Alexandria Cosmopolitan Cross Egypt Motorcycle/Scooter Challenge**, but it was fun to see what other clubs are doing around the world. It was also great to see a mock up of the website and here about the process of getting information onto the site

Have a great week and I will see you next Tuesday.

Cheers
President Alison

THE MOVE IS ON!!

There has been a revision to our scheduled change of venue date. We will now be moving to the Westwood Ho Golf Club facility on:
14 September 2021

Committee Meetings 03 August 2021

Director's Reports

Fellowship Comittee

There was a lot of discussion regarding social events for this coming year.
1. Broadly we are looking at organising the Christmas event for early December.
2. Presidents BBQ will be held in early January as in previous years.
3.In late October we want to organise a Guess Who's Coming To Lunch?
4. And to kick off the events calendar for September an afternoon evening tour followed by dinner at a local hotel.
Further details will be provided as they come to hand.

Thanks
Rose Willington

Vocational Youth Service Committee

Thanks to all Committee members who were able to attend on Tuesday. Although our numbers were low we discussed many projects for the coming year.

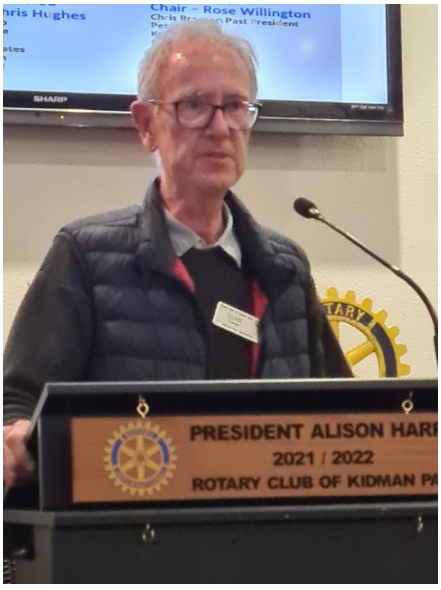

1. Operation Flinders is organised and will take place in October.

2. We are looking at pursuing The Science Experience to be held in Adelaide in December.

3. The general opinion is that we would like to support more underprivileged youth, perhaps on The Youth Sailing Challenge or the RYLA Camp.
4.Our other interest is RYDA (Youth Awareness Driving Programme)which would hopefully prevent some road fatalities and also enable our club to perhaps be involved with another club.
5.We are aware that we need younger members in our club so we would also like to get Rotaract students more involved.
6.As Vocational visits have been difficult recently, and as not all members are still working we considered having family members as speakers to tell us about their Vocations.

Vocational / Youth Chair
Chris Hughes

Community Service Committee

We discussed the visit that Christine and I made to the "Junction Community Centre",Ottoway this morning. The centre is in a multi-cultural community with challenging needs. Sophia, the manager of the centre, had mentioned that a Children's Cubby House would be very useful. So, we will check prices and take it from there.

Brian Macdonald suggested that we visit the Bower Road Cottages, as the club has previously helped the residents, Christiine and I will pay a visit this week, look around and talk to the manager.

Robert Ryan and Jenny Harris raised the possibility of attracting community groups to visit and use the BookMart, i.e. reading group, knitting circle etc. Installing a TV was suggested, not sure about this!

Chris Weyland suggested more bookshelves are needed in the BookMart, Jenny will have a think about this.

Robert Ryan also stated that it seems to be more difficult in this day and age to find community projects, particularly with so many local council regulations, laws etc in place.

Spoke with Anthony, member of the Rotary Club at Henley Beach, regarding the "Kickstart For Kids" programme. Anthony advised me that, they are limited to 3 people only, in the kitchen, due to the COVID situation. Will bear us in mind for future assistance when regulations change.

Regards
Clive Turner

EMILY HARMAN

Emily Harman is the Salisbury Rotaract President and she will be talking to us about Steptember. This will be a great presentation, and President Alison will be able to zoom this presentation for those that are not comfortable coming to the meetings with the current mask/covid requirements, so please let me know if you would like to attend in this way.

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

03 August 2021

As you are probably aware, ROMAC is one of the 6 Aust-NZ Regional Committees that manage the special Rotary Oceania Medical Aid for Children project. ROMAC was established over 30 years ago to bring children from the Oceania region to Australia and New Zealand for lifesaving and life changing surgery that cannot be performed in their own countries. In normal times, we provide this service for about 50 children a year but obviously COVID has restricted us over the last 18 months. Fundraising has also been limited, yet as borders are lifted, we have many children from our neighbouring countries desperately wanting ROMAC support.

In order to obtain the much-needed funding to provide this support, our ROMAC Central Committee has organised a special fundraising luncheon on Sunday August 29th at the Pavilion on South Terrace and I would like to invite you and your Club to join one of the tables at the event.

We are expecting the special luncheon will be a very enjoyable occasion because it features:

- a welcome dance from a Fijian Island cultural dance group;
- exuberant and well known compere, Tony Pilkington;
- a delicious two-course meal;
- an inspirational presentation from Rosie Lotawa, who came to Adelaide as ROMAC's 5th patient in 1991 and is now our ROMAC Ambassador;
- a 75 minute recital from the outstanding 14 piece band "Brilliant Brass" which has been established by James Morrison and Bruce Raymond.

The cost is $65 per person for the entertainment and food while drinks will be available to purchase at the bar. If you would like to come to the function and support ROMAC you can book and pay online via the link or QR code below.

It should be a great lunch and I hope you can organise and book a table of fellow Rotarians and/or friends from your Club to join us.

In addition, to support our fundraising, we would be grateful if you or your Club could support us in sourcing items for the silent auction we will be holding during the luncheon. For further details about making bookings and to tell us about the special auction items your Club can obtain for us, don't hesitate to contact me as your ROMAC Liaison.

Don't forget to think of ROMAC when your Club is considering which Rotary programs to support this year. If you would like a Club Speaker to outline this program, don't hesitate to contact me as your ROMAC Club Liaison Representative and we look forward to bringing you up to date with ROMAC (Rotary Oceania Medical Aid for Children).

Kind Regards

GENRAL INFORMATION

DHS SCREENING

FACT: It is a legal requirement that all people who are likely to be working in aged, children/youth, disability and/or vulnerable sectors MUST have completed the DHS Screening. Records of member's successful completion are kept by each respective Club. Certification is simply mitigation against any risk that may arise out of a Rotarian's interaction with any vulnerable people.

It is now essential to get a DHS Screening from the Department of Human Services.

This can be done on line and is compulsory for all volunteers working with the sectors described.

All you need is a birth certificate and driver's licence, or passport and drivers licence to do it all on line.

Go to www.dcsiscreening.sa.gov.au

Go to "applicants can initiate a check independent of an organisation" - click

Role description - Working for Kidman Park Rotary Club

Screening required - tick all of them

- Aged Care Sector
- General Employment
- Vulnerable Persons
- Working with children
- Category is Volunteer

Keep going.

Good luck if you manage to get it; the certificates lasts from between 3 and 5 years.
