WORDS FROM PRESIDENT ALISON

Hi Everyone,

Another fantastic night at the Rotary Club of Kidman Park. It was great to welcome and induct Trevor Hayley into the club. I am sure he is going to immerse himself in the club activities.

Thank you to all that worked the Bunnings BBQ, I know it is a lot of hard work and a bit frustrating when there is not a great return. Thanks again to John Jackson for organising it.

It was great to welcome Leila Pardon from the Australian Red Cross Lifeblood to our meeting. I thought I knew a lot about blood donation and Lifeblood, but found out that there was a lot to learn. It was a really engaging presentation. If you are donating blood over the next couple of months, we can support last week's speaker President Emily Harman, by allocating our contributions to Salisbury City Rotaract Club.

We celebrated some long time serving club anniversaries this week: Wayne Comley (20 Years), Ed King (26 years) Kel Burke, Rob Chambers, Ken Eyles, Bob Hudson, Kevin Mullins, Grant Price, David Simpson who as Charter Members were celebrating 37 years. Thank you for everything you have done for this club! Obviously, we wouldn't be here without you!

Unfortunately Norm Lewis has not been well, thank you to Warren Hobbs for staying in contact with him and updating us. Warren is going to organise a gift basket on behalf of the club, to hopefully lift his spirits. Connecting with our members that are going through challenging times is really important to me, so please reach out if you know of anyone doing it tough within our club, so that we can support them.

Thank you again for wearing your masks, please be reminded that if you are standing or walking around the room, you need to wear them (although not required at the microphone). We might have got a little more complacent this week, so let's stick with it!

Next Monday we have a board meeting, please contact me if there is anything you want us to be discussing. I will give you an update from the meeting next Tuesday.

We also look forward to hearing from Paul Przibilla about Keeping Safe Online next Tuesday.

Cheers
President Alison

LEILA PARDON
Australian Red Cross LifeBlood Blood Challenge

Leila Pardon gave us a wake-up call about the need for three important components of blood – red cells, platelets and plasma. In Australia Red Cross uses 30,000 donations of blood per week. Contrary to general perception only a small percentage of this supply is used in car accident trauma, the majority being for operating theatre purposes.

She explained the process of giving blood requiring only about an hour and a half that included the paper work while the actual donation took a relatively short time. Donors enjoy a snack and a drink to help re-establish their red cell count post-donation.

Leila also challenged us to take a team approach to giving blood.

Her presentation was enlightening, enjoyable and professional. Well done!

ABOUT ROTARY

SERVE TO CHANGE LIVES

Mexico

In Ciudad Juárez, one woman's work to protect children from street violence has blossomed into Soles de Anapra, a center serving some 80 young people.

Since 2014, the Rotary Club of El Paso, Camino Real, Texas, had been donating goods to Lourdes Contreras for the after-school program she ran out of a small house. In 2015, the club decided to find her a bigger, better space. With $25,000 donated by the 16 clubs in Ciudad Juárez and two partners in New Mexico — the Rotary clubs of Los Alamos and Silver City, frequent contributors and visitors to the center — and $10,000 raised from a 5K run sponsored by the Eaton Corporation, the club purchased a 6,000-square-foot warehouse in 2016 and went to work.

In April, the club completed a refurbishment of the building, carried out even as the pandemic temporarily halted the after-school program.

South Africa

When COVID-19 shutdowns heightened hunger in his country, Rex Ifechukwude Omameh turned his family's living room into a sandwich assembly area to prepare food for those in need.

Omameh, who is a member of the Rotaract Club of Blouberg and the Rotary Club of Blouberg, and his family members made the effort a Friday tradition. Fellow Rotaractors sometimes help prepare the sandwiches, and most of the food is given to the Milnerton Community Action Network for distribution.

He has spent more than $1,500 on food, and a bread company has also pitched in to provide some of the bread and soup. Omameh also received contributions to defray the project's costs as a birthday present.

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

Club Founder : NORM LEWIS

Warren Hobbs and Wayne Comley had a fun visit to catch up with our KPR Founder Norm Lewis in the afternoon of Thursday 19 August.

They took a Gift Basket – from all of us at KPRC - containing some delicacies including a few overseas Craft Brews and some easy snacks.

Norm was in good spirits….. which is a great step forward and he hopes to be back to our Dinner Meetings in early October when his ongoing dental treatment is finalised.

Norm passes on his regards and his thanks for the get-well gift to all at KPRC.

A large card will be circulated at next Tuesday night's meeting so that you can send any messages that you want to share with Norm.

GENRAL INFORMATION

DHS SCREENING

FACT: It is a legal requirement that all people who are likely to be working in aged, children/youth, disability and/or vulnerable sectors MUST have completed the DHS Screening. Records of member's successful completion are kept by each respective Club. Certification is simply mitigation against any risk that may arise out of a Rotarian's interaction with any vulnerable people.

It is now essential to get a DHS Screening from the Department of Human Services.

This can be done on line and is compulsory for all volunteers working with the sectors described.

All you need is a birth certificate and driver's licence, or passport and drivers licence to do it all on line.

Go to www.dcsiscreening.sa.gov.au

Go to "applicants can initiate a check independent of an organisation" - click

Role description - Working for Kidman Park Rotary Club

Screening required - tick all of them

- Aged Care Sector
- General Employment
- Vulnerable Persons
- Working with children
- Category is Volunteer

Keep going.

Good luck if you manage to get it; the certificates lasts from between 3 and 5 years.

Janet Johnson CPO
