WORDS FROM PRESIDENT ALISON

Hi Everyone,

Another fantastic night at the Rotary Club of Kidman Park. It was great to see our new member Trevor Hayley back again, he is already becoming a part of KPRC community. I encourage everyone to take the time to welcome him and chat with him over the next couple of weeks.

I really enjoyed hearing from Paul Przibilla about Keeping Safe Online. I don't know abut you, but I get frustrated with all the passwords and 2 part authentication, but his engaging presentation managed to convince me that it is worth it!

I have created my team for STEPTEmber, have you made a team? I don't want to create a gender war, but my team is KPRC Fabulous Women Walkers with Chris Hughes, Tina Murray, Ann Branson and myself. A little competition is always good, so I would love to see our members make at least one other team to create a bit of competition (I think I might need that to get me over the line!). Here is the link to register a team: https://www.steptember.org.au/join/salisburycityrotaractclub

We had a Board Meeting on Monday night and the Board approved the following:

The Golf Fundraiser to proceed and Mario McDonagh to set up a committee – please get in contact with Mario to volunteer for this committee, this is a really exciting opportunity for the club and we thank Mario for both raising the idea and leading the committee.

One participant, from a low socio economic background to participate in the Rotary Youth Sailing Challenge $900.

Approved the submission of 3 district grants:

Support of Nasik Rd project (India schools toilets). You will remember Mark Balla (Toilet Warrior) spoke to our club by zoom. – see attachment. Cost to KPR $4000

Local project at Ottaway for improvements to a local 'Playgroup' in a low social/economic area – see attachment. Cost to KPR $3000. Some 'hands on' work is required.

Local 'community engagement event' at BookMart next year. Cost to KPR $1675

Thank you to Rob Chambers for putting the grants together and submitting them, thank you also to Clive Turner and Robert Ryan for your contribution to the grant applications.

We celebrated another significant club anniversary this week with Brian MacDonald celebrating 20 Years !

Thank you to Warren Hobbs and Wayne Comley for visiting with Norm Lewis and providing him with a gift on behalf of the club. A card went around on Tuesday night with well wishes for Norm, please contact Warren if you would like to add to this.

Next week is Committee Night, this will be a great opportunity to progress all the ideas we have started to work on, I look forward to seeing you then!

Cheers
President Alison

PAUL PRZIBILLA
Keeping Safe Online

A very important aspect of our lives is being aware of, and protecting ourselves against, potential attacks from scammers and the like.

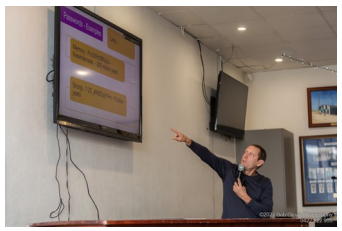

Paul Przibilla gave an entertaining and informative talk about these dangers and the recommended actions for us to take particularly when dealing with scammers on our mobile phones and through our email accounts. The annual loss to scammers exceeds $630 million.

Phone scammers use pre-recorded messages and the distance from the source to your phone means there is usually a delay before the message starts. Most messages will purport to be from a recognised authority and will contain some accusation that you are guilty of some offence and a threat of punishment – the solution? Simply hang up.

Email scammers often follow the same protocol or offer seemingly “unreal” opportunities that promise large cash returns. A useful policy is that if you don’t recognise the sender, delete the email without opening as many of these emails contain what is known as mal-ware.

Paul also spoke about the security of passwords. The ideal “strong” password is at least 12 characters long with a combination of upper and lower case letters, numerals, characters and spaces. For example using “cracking” software, hackers attempt to identify passwords electronically. This software is extremely fast and a four character password with only numbers needs to “pass” through your password only 10,000 times to identify it, whereas a “strong” password would take up to 15 million years!

Paul’s message was be careful to be safe online!

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

WEB SITE UPDATE

Thank you to all members who have sent comments and information as content for the Web Site.

At last night's meeting I put forward a challenge. As you are a member of a Club Committee within a specific portfolio, the challenge is for each of you to think about past and present projects/activities that are relevant to your Committee.

Take a few minutes to write down, on paper, the name of a project/activity your Committee has completed in the past, plus a project/activity in which your Committee is currently engaged - then write a brief (two sentence) description for each of those projects/activities.

Please bring your paper to the Committee Meetings next Tuesday 31 Aug 2021 for discussion to prioritise and select two past projects and two current projects. These will be uploaded by Terri Williams from Clever Fox Creative to the Web Site for a presentation to the Club at a date to be arranged.

Cheers and thanks
Rob Stocker

GENRAL INFORMATION

DHS SCREENING

FACT: It is a legal requirement that all people who are likely to be working in aged, children/youth, disability and/or vulnerable sectors MUST have completed the DHS Screening. Records of member's successful completion are kept by each respective Club. Certification is simply mitigation against any risk that may arise out of a Rotarian's interaction with any vulnerable people.

It is now essential to get a DHS Screening from the Department of Human Services.

This can be done on line and is compulsory for all volunteers working with the sectors described.

All you need is a birth certificate and driver's licence, or passport and drivers licence to do it all on line.

Go to www.dcsiscreening.sa.gov.au

Go to "applicants can initiate a check independent of an organisation" - click

Role description - Working for Kidman Park Rotary Club

Screening required - tick all of them

- Aged Care Sector
- General Employment
- Vulnerable Persons
- Working with children
- Category is Volunteer

Keep going.

Good luck if you manage to get it; the certificates lasts from between 3 and 5 years.

Janet Johnson CPO
