WORDS FROM PRESIDENT ALISON

THE MOVE IS NOW!!

Next week's meeting (07 Sep2021) will be the last at the West Beach Surf Life Saving Club.
The following week the meeting will be at the Westwood Ho Golf Club facility
14 September 2021
Westwood Ho Golf Club
Military Road West Beach

Hi Everyone,

It was great to see everyone at the Committee Meetings on Tuesday night. It was a busy and productive time.

I was very pleased to announce that the district (subject to RI Approval) approved all 3 grant applications (see full descriptions later in the KK):

Support of Nasik Rd project (India schools toilets). You will remember Mark Balla (Toilet Warrior) spoke to our club by zoom. – see attachment. Cost to KPR $4000

Local project at Ottaway for improvements to a local 'Playgroup' in a low social/economic area – see attachment. Cost to KPR $3000. Some 'hands on' work is required.

Local 'community engagement event' at BookMart next year. Cost to KPR $1675

STEPTember has started and I and my team of Chris Hughes, Tina Murray and Ann Branson have started to get our steps up, we look forward to sharing our progress.

President Emily from Salisbury City Rotaract Club has invited us to be involved in their blood drive on 11 September as part of the Rotaract Competition, this will be at Modbury, please let me know if you want to attend.

Next week's meeting is the last meeting here at West Beach Life Saving Club and our guest speaker is Melissa Davis-Bishop who will be sharing with us the plans for the renovations of the club. See you then.

Cheers
President Alison

CLUB NEWS:

Rotary Kidman Park

SUCCESSFUL GRANT APPLICATIONS

Nasik Road (India) water & sanitation project $ 8,000

The Rotary club of Kidman park proposes to support The Rotary Club of Box Hill Central in their ambitious and achievable project using their proven experience in this important area of focus, to provide 121 toilets, six hand-wash stations and health and hygiene education programs to five schools in the Nasik area with a budget of US$ 96,000. The toilets will be of solid brick construction with sustainable sanitation connections. The hand-wash stations will have multiple taps to allow many students to use them after visiting the toilet and importantly before eating a midday meal.

This project is enthusiastically supported by the local Rotary Club of Nasik Road, which is so important and gives ownership to the local community. Their local support and hands on activities with a proven track record will ensure success and sustainability for the many recipients, especially young girls wishing to complete their education. The key element of this project is a hygiene education programme, WASH which is now a well established project. Students are taught to wash their hands after visiting the toilet and before eating. Importantly, local communities are encouraged to become involved. The final part of the project is for the individual schools to establish an ongoing maintenance programme to ensure that their toilets are kept in working order.

The Junction Community Centre (Ottoway) $ 6,000

Project to replace an old reverse cycle unit in the Children's Playgroup Room, so that the indoor room can be used throughout the year for the mothers and toddlers to meet as a group. The enclosed outdoor area also requires attention particularly for a rubber compound surface for the children's safety. A cubby house, with a small, step ladder and slide, would be very useful to develop motor skills for the children, 2 to 5 year olds. Added to this would be a small swing set and see-saw.

Our help would benefit young parents or grandparents and guardians in the immediate community looking after under 5 year olds. It would be a place to come and share time, mixing with other local children and allowing the adults to make friends, towards building a happier community. The centre is in a low socio-economic area, with a diverse ethnic population. Their limited finances have been used for a new playgroup room floor and sandbox with cover. Completing this project will be of immense benefit to all the current and future members of the community centre.

Bookmart Community Engagement Event $ 3,350

This community support event is designed to connect the local community in the Western Suburbs with support services, local sporting and community organisations and Rotary programs.

Connecting the community with services that are available is always challenging. However, Covid-19 restrictions have increased the needs for individuals as well as the challenges for community organisations.

This event aims to connect the two while providing a fun day for families and locals to attend. It will provide stalls for organisations such as Foodbank, Unity Housing and local community/sporting groups as well as Rotary programs such as Lift the Lid on Mental Illness. Our Club will also provide an opportunity to connect for other Rotary Clubs in the Western Suburbs who have projects relevant to the local community.

To encourage attendance and a festival feel, a free sausage sizzle and other food vans will be available and a variety of games and activities will be running throughout the day.

This event will be held at Smith Reserve where the Rotary Bookmart is located. This provides an opportunity to maintain support and connection with the community by providing resources from the day in the Bookmart. Majority of the costs related to this event are related to Covid-19 related requirements and transport marshalling requirements.

These 3 events have board approval "in principle" and now require detailed planning by the members. The District Grants cover 50% of the budgeted costs.

Rob Chambers

CLUB NEWS:

Rotary Kidman Park

Committee Meetings 24 August 2021

Vocational and Youth Service

RYDA (Rotary Youth driving awareness program)

On Monday, Warren Hobbs, Rob Hughes and I had the opportunity to attend a one day RYDA program as observers.
There were 220 year 10 and 11 students from Nazareth College in attendance.
There were several Rotary clubs involved as were the police, fire brigade and even a stunt driver!
They are looking at running this program for a 2nd or 3rd consecutive day in the future with other schools. This would require the involvement of other Rotary Clubs. We are hoping that KPR Club members would support us if we decide to pursue this project.

Youth Sailing Challenge (One and All)

We have been given approval from the Board to support one student for the Youth Sailing Challenge. This is a 5 day challenge learning to sail a square rigged ship. This is a life changing experience for most students without the distraction of modern technology.

At a memorable afternoon our own Stuart Ghent won his table's lucky ticket prize at the recent Epilepsy Foundation Luncheon.

Stuart donated the $200 whiskey package to the Epilepsy Foundation to assist their fundraising effort

International Service

The Tanna Container has arrived!!

Tom Bunnik will put a proposal to the Board for a contribution of $4000 towards the Nasrik Toilet Project in India. The project is in conjunction with RC Box Hill Central and Mark Balla, the Toilet Warrior, who spoke to our members recently.

As detailed elsewhere in the Krier, a grant was successfully applied for in the third week of August.

Further items were discussed after the regular meeting:

Jenny Filsell proposed that small packs of Covid-related hygiene items could be sent to Manilla, the capital of the Phillipines. Costs associated with this venture would need to be confirmed.

Frank Bunnik

ABOUT ROTARY

SERVE TO CHANGE LIVES

ROTARY and Diversity, Equity and Inclusion

At its June meeting, the RI Board of Directors, with guidance from the DEI Taskforce, took additional steps to ensure our organization values and lives the principals of diversity, equity and inclusion by revisiting and strengthening Rotary's 2019 DEI statement. The result is a new *Commitment to Diversity Equity and Inclusion* adopted in June 2021:

At Rotary, we understand that cultivating a diverse, equitable, and inclusive culture is essential to realising our vision of a world where people unite and take action to create lasting change.

We value diversity and celebrate the contributions of people of all backgrounds, across age, ethnicity, race, colour, disability, learning style, religion, faith, socioeconomic status, culture, marital status, languages spoken, sex, sexual orientation, and gender identity as well as differences in ideas, thoughts, values, and beliefs.

Recognising that individuals from certain groups have historically experienced barriers to membership, participation, and leadership, we commit to advancing equity in all aspects of Rotary, including in our community partnerships, so that each person has the necessary access to resources, opportunities, networks, and support to thrive.

We believe that all people hold visible and invisible qualities that inherently make them unique, and we strive to create an inclusive culture where each person knows they are valued and belong.

In line with our value of integrity, we are committed to being honest and transparent about where we are in our DEI journey as an organisation, and to continuing to learn and do better.

The Board of Directors convened the Diversity, Equity, and Inclusion (DEI) Taskforce in 2020 and tasked it with assessing the current state of DEI within Rotary and developing a comprehensive plan of action with achievable, measurable, and meaningful outcomes for Rotary. This plan is currently in development and will be presented to the Board of Directors in October 2021.

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

MEALS ON WHEELS

WHERE: Rear 292 Findon Road Findon
WHEN: Wednesdays – please be there by 10:50 am

Rotary Kidman Park

31 August 2021

Our shipping container in Vanuatu has finally arrived! Below shows it nestling on a white sandy beach by the sea at Bethel Port on Tanna Island

The Biosecurity Officers in Tanna have opened the shipping container, and it is now ready to start distributing!

It would have been fantastic to be there at the unpacking of the container and watch the excitement during the opening of all those boxes and see the many happy faces. We trust that the majority, if not all, of the goods will be put to good use for the hospital and the people at the outposts.

We are very grateful to Michael Farquhar of ART by FARQUHAR at 1070 South Road Edwardstown for providing the container that made this project attainable.

Norm Lewis

Tom Bunnik presented the well-wishes from our club members to Norm last Thursday 24 August 2021. He was happy to receive the card and to know that we have not forgotten him.

He would have loved to have a broader smile on his face, but he is still progressing through significant dental treatment. He especially donned his Kidman Park Rotary jumper for the occasion!

Norm misses our meetings and company and hopes to be back in October and he sends his greetings to us all.

Tom Bunnik

NOTICES:

GENRAL INFORMATION

DHS SCREENING

FACT: It is a legal requirement that all people who are likely to be working in aged, children/youth, disability and/or vulnerable sectors MUST have completed the DHS Screening. Records of member's successful completion are kept by each respective Club. Certification is simply mitigation against any risk that may arise out of a Rotarian's interaction with any vulnerable people.

It is now essential to get a DHS Screening from the Department of Human Services.

This can be done on line and is compulsory for all volunteers working with the sectors described.

All you need is a birth certificate and driver's licence, or passport and drivers licence to do it all on line.

Go to www.dcsiscreening.sa.gov.au

Go to "applicants can initiate a check independent of an organisation" - click

Role description - Working for Kidman Park Rotary Club

Screening required - tick all of them

- Aged Care Sector
- General Employment
- Vulnerable Persons
- Working with children
- Category is Volunteer

Keep going.

Good luck if you manage to get it; the certificates lasts from between 3 and 5 years.

Janet Johnson CPO

KPRC BANK DETAILS

The use of Direct Debit transfer of funds is now commonplace and it is very easy to use this facility to pay for the activities of the club. To assist the Treasurer, it is important that you include (in the reference section of the online transfer document of your own bank) your name and the club activity for which you are paying (e.g. John Smith Club Subs). Club bank details are:

Business Name : Kidman Park Rotary Club Inc.

Admin Account
BSB : 633 000
Account : 152 107 249

FROM YOUR EDITOR

The Deliberate Mistake has been resurrected in this edition of the Kidman Krier! See if you can find it to win a fabulous sweet-treat. Send your entry to the Editor at the email address below. The first correct entry received by the Editor is the winner.

If you have any contributions for the Krier, please get them to me before 7:30am of each Thursday following the Tuesday meeting for publication.
