LYNDA SCHENK

Purple Giraffe

Purple Giraffe was founded in Adelaide in 2014 when marketing professional, Lynda Schenk, recognised a growing need for outsourced marketing consultants. She soon put her extensive marketing experience to work offering businesses the flexibility, cost-effectiveness and many other benefits that come from outsourcing their marketing needs.

Lynda's refreshing philosophy that underpins Purple Giraffe and its unique client-focus is "When you win, we win."

Why the name Purple Giraffe?
The quirky name of Purple Giraffe was inspired by a favourite soft toy of the founder's son: the purple, singing, swaying giraffe that brought joy and laughter to her home. It was chosen as our company's name and mascot because of the giraffe's unique ability to see far and to reach things that seem unreachable, while the colour purple is strong and creative.

The Purple Giraffe perfectly embodies our ethos: we get great pleasure in providing creative, quality work that will help our clients reach afar and their businesses or products grow tall.

FROM PRESIDENT ALISON

Hi Everyone,

Well, we were welcomed to our new home at Westward Ho Golf Club. It didn't go completely without some things to improve on, which we are working through, but I am sure you will feel the same as me, the venue is lovely, lots of space and the round tables offer a lot for fellowship.

A few things that we will resolve, you may have thought you heard people chatting in the kitchen during the guest speakers, but it turns out that radio was still on, and once I heard a song, we were able to work that out and turned it off. We were able to resolve that by the time that Darryl started speaking.

The other majour issue was the length of time it took for the food to come out. The staff were trying to deliver food to each table together, so I think if we advise to start food service earlier and we see how that goes first and then we may need to reconsider if the food for each table does not need to be delivered at the same time, if it isn't working. Please let me know if there is any other feedback, or if you don't think these are the right solutions. I forgot to mention, that due to Covid restrictions, we can't have an urn set up for the tea and coffee, but you are welcome to buy one from the bar.

It was great to hear from Brian Oats and Daryl Freer about the history and future of the club and I think all the staff including Steven, Donna, Taylor, Wendy and Lia were very welcoming and friendly and they are really focussed on supporting us to have great meetings there!

Next week is a Business Networking Night with Linda Schenk from Purple Giraffe who will be talking about Marketing and Social Media We will also be welcoming back President Emily from Salisbury City Rotaract Club to give an update on their progress for STEPtember I will be honest, I am starting to struggle to get my steps in with my knee (the old bad knee, not the knew bad knee!), but fortunately, it is flexible, so I am going to switch to bike riding for a little while. Thanks to the team of Chris, Ann and Tina who are doing majority of the steps, we are half way there and well over half way towards our step goal! Please donate if you can at https://www.steptember.org.au/fundraisers/kprcawesomewomenwalkers

See you next week!
Cheers
President Alison

14 September 2021

The first night at WESTWARD HO GOLF CLUB

The change to our new venue at Westward Ho Golf Club gave an opportunity for members to discover the historical background of the club, how it is structured and proposals for its future development.

Life Member Brian Oats told how the golf club was built on a large acreage, where members originally played on natural grass fairways with gorse-bush hazards and scrapes. The course was originally at the opposite corner of the land. With State Government support and grants with volunteer labour it has grown into two separate courses: the Patawalonga and a 60 category course.

Club President Darryl Freer outlined the club's structure and operation as a separate entity to the course which is council maintained. With a growing gender balance of male and female members, the club hopes to increase its younger membership for sustainability. They run a very active juniors program with pathways to professional golfing for those talented few!

Several comments were made about the clubs culture of inclusion and and the welcoming atmosphere from both members and staff.

A great night indeed!

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

GENERAL INFORMATION

DHS SCREENING

FACT: It is a legal requirement that all people who are likely to be working in aged, children/youth, disability and/or vulnerable sectors MUST have completed the DHS Screening. Records of member's successful completion are kept by each respective Club. Certification is simply mitigation against any risk that may arise out of a Rotarian's interaction with any vulnerable people.

It is now essential to get a DHS Screening from the Department of Human Services.

This can be done on line and is compulsory for all volunteers working with the sectors described.

All you need is a birth certificate and driver's licence, or passport and drivers licence to do it all on line.

Go to www.dcsiscreening.sa.gov.au

Go to "applicants can initiate a check independent of an organisation" - click

Role description - Working for Kidman Park Rotary Club

Screening required - tick all of them

- Aged Care Sector
- General Employment
- Vulnerable Persons
- Working with children
- Category is Volunteer

Keep going.

Good luck if you manage to get it; the certificates lasts from between 3 and 5 years.

Janet Johnson CPO

FROM YOUR EDITOR

The Deliberate Mistake in last week's Kidman Krier was the word "ROOSTER" in the heading at the top of page 6. Ron Harris was the quickest off the mark by 1 hour and 15 minutes, and won the Cherry Ripe. Helen Kite found a "non-deliberate" mistake in one of the CHILL jokes and won a Mars Bar. The excitement continues!!

Can you find the deliberate mistake in this week's Krier??

If you have any contributions for the Krier, please get them to me before 7:30am of each Thursday following the Tuesday meeting for publication.
