MEETING # 1858

Tues 12 Oct 2021
6:00pm for 6:30pm Start

OUR GUEST SPEAKER
SOPHIA KATARI
JUNCTION COMMUNITY CENTRE

* My parents came to Australia in the early 1950's from Lebanon. We grew up closely connected to the Lebanese and Arab communities.
* We grew up in family businesses and were always taught to look after everyone - to always give as much as you could.
* I worked in Hospitality whilst doing a Bachelor of Science (majoring in Psychology) at the University of Adelaide. I made my way into Management in Hospitality.
* In 1995, I married and started a family. I only wanted part time work whilst my children were young so moved into the community sector which offered more flexibility.
* I also established my own catering business that I operated from home to introduce multicultural dishes to the wider business community.
* I attained my Cert IV in Training and Assessment (TAA) and started teaching as a Community Educator - initially English As A Second Language to migrant/refugee women followed by Support Groups which led me into Community Development.
* I started at the Junction 6 years ago as a Neighbourhood Development Coordinator - later receiving my RPL (Recognised Prior Learning) in an Advanced Diploma of Community Sector Management - sharing the Coordinator/Management position with another lady. Upon her retirement 18 months ago, I became the centre's full time Manager. It's a role that I don't actually see as work but rather just something that I do and enjoy. The Junction and some of its programs have also been nominated for a number of awards, most recently coming in as runner up for a 'Non-ATSI Organisation Consistently Working to Support the ATSI Community'. The Junction has been tipped 'the best in the west' and the 'go-to' centre!
* I've learnt a lot and also shared a lot of my personal experiences - for example, racism has reared its ugly head several times in my life, so I created an anti-racism campaign (It's Not Just Black Or White) to educate others about the unconscious bias that people may demonstrate without even realising nor the impact it's having.
* I've presented at conferences, events and been interviewed on radio on a number of topics mostly around the migrant/refugee experiences, plus cross-cultural relations between the Aboriginal and Muslim communities.
* I've been nominated for a number of awards, most recently winning the Dept of Industry and Skills 'Adult Community Educator of the Year'.

FROM PRESIDENT ALISON

Hi Everyone

What a fabulous night on Tuesday night, I know, I am being a broken record! I really enjoyed hearing from Ryder Grindle from Mercury Cinema. I hope you don't mind that we let him talk a little longer, because he was so fascinating, but happy to receive feedback. Ryder discussed the Silver Screen program, here is a link to it for further information:

https://www.mercurycx.org/cinema/

It was great that I could share that Ann Branson is home and recovering, Chris hasn't been able to to visit Ann, so he must be so relieved to have her home. In other good news, Norm Lewis is feeling better, Tom Bunnik visited him, and we can expect that he will return in the next couple of weeks.

I am so relieved that we have finished our steps for STEPTember, completing an amazing 1,240,441 steps as a team of 4, which was over 40,000 over the goal. Well done Chris, Tina and Ann. What a team! Rob's Team was amazing too!!! No Walking but great fundraising! So with our support Salisbury City Rotaract Club raised over $11,000 smashing their goal of $5000. This is the equivalent of 2 wheel chairs.

Shirley and Kevin Roberts have offered to look at accommodation options for those that want to go to the District Conference in the Barossa and stay close to each other. The conference is from April 1-3 2022. Last year's conference was absolutely amazing, so I encourage you to consider it. Please reach out to Shirley or Kevin if you are interested!

Keep providing feedback about our new venue as we move towards an initial review.

See you next week to hear from Sophia Kalari from the Junction Community Centre, which is likely to be one of our bigger projects for the year.

Cheers
President Alison

Tom Bunnik visited Club Founder Norm Lewis this week and found him in good spirits and looking forward to returning to club meetings. He especially enjoyed coffee and cake with Tom!

RKP CHARITY GOLF DAY

Dear RKP Members,

The opportunity to contribute to the RKP Charity Golf Day is open.

Assistance to help in the areas highlighted below will be appreciated. A team to form the golf sub-committee is necessary to ensure all aspects of this great fundraiser can be planned early.

There are two main ways to help. The event planning/ organisation and on the day managing certain aspects/ events.

The day is designed for golfers and non-golfers to network, have fun and raise money. Non-golfers will have activities pre-lunch. All assemble at lunch time for auctions, sponsor apppreciation and an address from the chosen charity.

A structured plan exists for the day's events with scope to add.

Please forward your desire to help to mario@screeningonsite.com.au with your preferred area of assistance.

Warm Regards

Mario McDonagh

Living Well with Loss

Trevor Hayley trained in Chaplaincy and Pastoral Care and has extensive training into grief and loss. He believes in the concept of client empowerment, being truly present with people, and understanding that people have a desire to be truly heard and able to tell their own unique story. Trevor will deliver a workshop questioning:

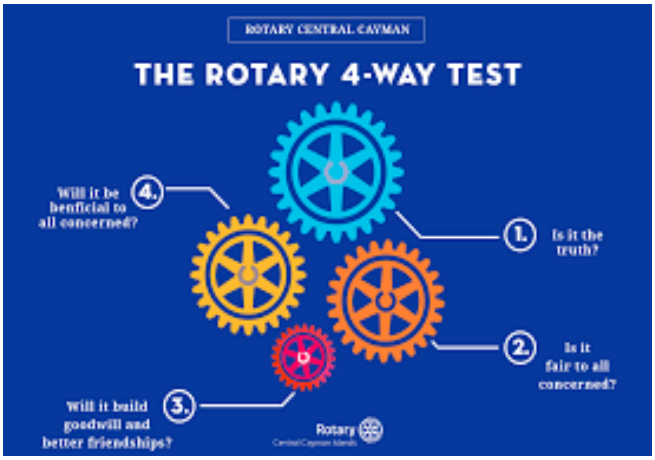

- What is grief and the many losses we feel?
- How this accumulates over time.
- How we can live our lives and feel the loss at the same time.

"To be able to connect with someone, giving my undivided attention, and to listen 'inwardly' to the nuance that makes each person unique is the best gift I can bring. You are more than a client; you are a fellow traveller in life." Trevor Hayley

ABOUT ROTARY

SERVE TO CHANGE LIVES

DON'T BACK DOWN ON POLIO

Poliomyelitis

Poliomyelitis (polio) is a paralysing and potentially fatal disease that still threatens children in some parts of the world. The poliovirus invades the nervous system and can cause total paralysis in a matter of hours. It can strike at any age but mainly affects children under five. Polio is incurable, but completely vaccine-preventable.

PolioPlus

In 1985, Rotary launched its PolioPlus program, the first initiative to tackle global polio eradication through the mass vaccination of children. Rotary has contributed more than $1.3 billion and countless volunteer hours to immunise more than 2.5 billion children in 122 countries. In addition, Rotary's advocacy efforts have played a role in decisions by donor governments to contribute more than $9 billion to the effort.

Global Polio Eradication Initiative

The Global Polio Eradication Initiative, formed in 1988, is a public-private partnership that includes Rotary, the World Health Organisation, the U.S. Centres for Disease Control and Prevention, UNICEF, the Bill & Melinda Gates Foundation, and governments of the world. Rotary's focus is advocacy, fundraising, volunteer recruitment and awareness-building.

Polio Today

Today, there are only three countries that have never stopped transmission of the wild poliovirus: Afghanistan, Nigeria, and Pakistan. Less than 370 polio cases were confirmed worldwide in 2014, which is a reduction of more than 99 percent since the 1980s, when the world saw about 1,000 cases per day.

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

Status of the RKP Web Site

CleverFox Creative's Terri Williams presented the Web Site to the members at the last meeting on 28 Sept 2021. The feedback/criticism received has been positive. Comments have been sent to Terri so that she can make the necessary adjustments.

The Steering Committee appreciates the effort that many members have made to provide attractive photos and supportive text, particularly for the great projects our club has endorsed, funded and/or provided human resources as service to our communities.

As we get closer to commissioning, we still need help from everyone. Any suggestions that you believe will enable us to have a vibrant and attractive site are very welcome.

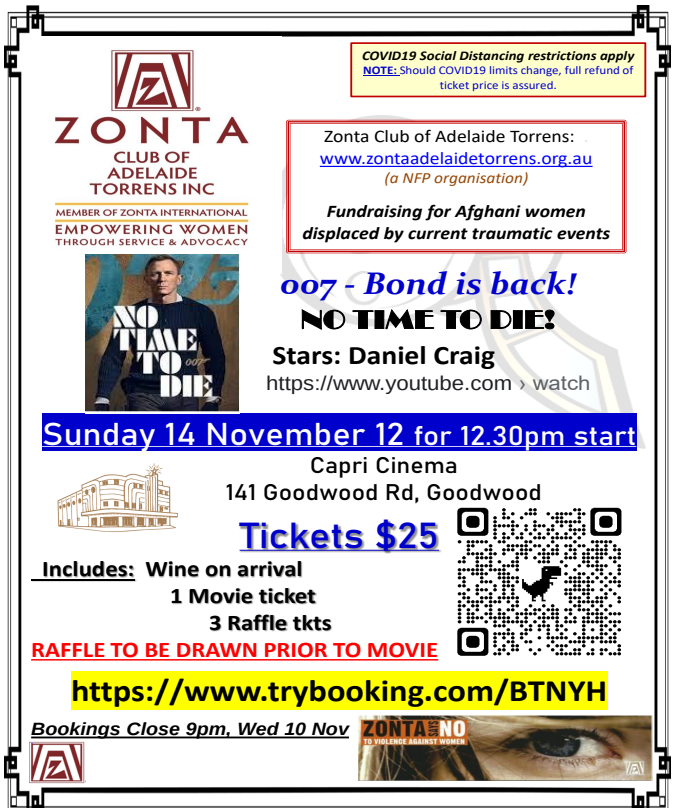

We realise that for each of us to overview the whole web site is a difficult task. We will send out a list of tasks for specific groups/members of the club to attend to. We would expect the tasks to be completed by no later than 26 October 2021. Thank you in advance for your continued contribution.

Would you please click on the link below, have a good look at the site and write down your thoughts related to the task allocated to you. Send them to The Steering Committee: Karen Feind, Bob Gloyn or Rob Stocker making sure that you clearly specify the location in the site to which your comments refer.

GENERAL INFORMATION

DHS SCREENING

FACT: It is a legal requirement that all people who are likely to be working in aged, children/youth, disability and/or vulnerable sectors MUST have completed the DHS Screening. Records of member's successful completion are kept by each respective Club. Certification is simply mitigation against any risk that may arise out of a Rotarian's interaction with any vulnerable people.

It is now essential to get a DHS Screening from the Department of Human Services.

This can be done on line and is compulsory for all volunteers working with the sectors described.

All you need is a birth certificate and driver's licence, or passport and drivers licence to do it all on line.

Go to www.dcsiscreening.sa.gov.au

Go to "applicants can initiate a check independent of an organisation" - click

Role description - Working for Kidman Park Rotary Club

Screening required - tick all of them

- Aged Care Sector
- General Employment
- Vulnerable Persons
- Working with children
- Category is Volunteer

Keep going.

Good luck if you manage to get it; the certificates lasts from between 3 and 5 years.

Janet Johnson CPO
