FROM PRESIDENT ALISON

Hi Everyone

How great was it to welcome Norm Lewis back to the club, so pleased to see him, and John Christo was back after absence as well. John was just in time too, because he is straight to work on Wednesday at Meals and Wheels and Welcome next week.

I am sure we all enjoyed hearing from Sophia Katari from the Junction Community Centre and find out about the sorts of services and programs they offer. The Community Committee is currently working on a project to support the Centre and we also received a District Grant so that we can do more. We will update you on this soon.

As shared at the meeting, the following was approved at the Board Meeting on Monday night.

Approved $4000 for Nasik Road toilets, working with Mark Balla the Toilet Warrior. We got a matching $4000 to go with our donation, so they will received $8000.

Approved a thank you luncheon for the Westlakes Bookmart Volunteers as we close the door on our original bookmark.

Approved Shelving for the bookmark shed in Woodville West

Approved $500 paid in excess to Donation in kind (DIK) to stay with them until we use them again.

For those that haven't seen photos of the delivery of the Tanna Medical Supplies, click here:

link

Next week is the Business Networking Event, we will update you soon about who the guest speaker is. Just a reminder that we cover the meal for first time visitors.

Have a good week, see you next Tuesday.

Cheers
President Alison

CLUB NEWS:

Rotary Kidman Park

Sophia Katari Guest Speaker 05 Oct 2021

Sophia's talk, about her role, at the Junction Community Centre at Ottoway was quite poignant in her stories of individuals who use the centre.

Sad stories of young, neglected and abused children, who were alone in a hostile environment. Alone, that is, until they visited the centre, where they found companionship, friendship and a sense of belonging in the modern world.

Sophia's understanding and leadership in turning around individuals lives, so they can face the world outside the centre, is outstanding. With a 'can-do' attitude and determination, Sophia shows how lives and attitudes can be changed, all it takes is a smile and friendship.

I think that all members of the Rotary Club of Kidman Park were quietly impressed on hearing Sophia's story and how she has changed the lives of many people.

RKP CHARITY GOLF DAY

Dear RKP Members,

The opportunity to contribute to the RKP Charity Golf Day is open.

Assistance to help in the areas highlighted below will be appreciated. A team to form the golf sub-committee is necessary to ensure all aspects of this great fundraiser can be planned early.

There are two main ways to help. The event planning/ organisation and on the day managing certain aspects/ events.

The day is designed for golfers and non-golfers to network, have fun and raise money. Non-golfers will have activities pre-lunch. All assemble at lunch time for auctions, sponsor apppreciation and an address from the chosen charity.

A structured plan exists for the day's events with scope to add.

Please forward your desire to help to mario@screeningonsite.com.au with your preferred area of assistance.

Warm Regards

Mario McDonagh

Required team assistance.

October 2021

INTERNATIONAL COMMITTEE – CONTAINER TO TANNA

Dear Members,
Your International Committee presents the report on the container's arrival and opening at the Island of Tanna, Vanuatu, written by Enneth Iliaisa who is Bridging Health's officer at Vanuatu and handled all the formalities and arrangements from Port Vila to Tanna Island. It starts with some interesting information of the Island itself and its population.

Most of our packed items will go/have gone to Lenakel Hospital, the only hospital on the island, serving also the people on some smaller islands around Tanna.

Dr Moise is the only doctor at the hospital. In addition to this hospital there are a few medical outposts spread over the Island.

Chief Jeffrey is the owner of Bethel Port land where our container was unloaded and is also involved in the work Bridging Health does. His contacts, presumably, are going to install the solar system at an outpost to provide it with power. Chief Jeffrey will complete a report after he's organised the solar system to be fitted at the Nematautu Aid Post, and will send it through at a later stage.

Bridging Health has pushed for the last 5 years for a wish list of urgent items and, thanks to our committee's pressure, they finally came up with one, enabling us to pack items most needed.
You will see from the report how valuable our project has been to them and the people of Tanna are now the envy of the greater community of Vanuatu.

Thank you for taking time to read and feel the appreciation.
On behalf of the International Committee,
Tom Bunnik

TANNA ROTARY REPORT

FOR THE MONTH AUGUST TO OCTOBER 2021.

BY ENNETH. ILIAISA

Tanna island lies down south in the Vanuatu archipelago, its area is 550km2 its length is 40km, width is 19km and its highest elevation is 1,084m high its highest point is called mount Tukosmera.

Tanna island is in the TAFEA Province its Largest Settlement is Lenakel with the population of 28,799 [2009 population] census, population density is 36.36/km2 and its ethnic group of people is Melanesian. Tanna is also well known for its active Yasur volcano and its traditional lifestyles which attracted tourist all the world every year to come visit and explore.

It is the most populous island in Tafea Province, with a population of about 29,000, and one of the most populous islands in the country. Isangel, the provincial administrative capital, is on the west coast near the island's largest town of Lenakel.

The container arrives at Tanna

Adrian opens the container

CLUB NEWS:

Rotary Kidman Park

October 2021

TANNA ROTARY REPORT (CONTINUED).

Tanna is populated almost entirely by Melanesian, and they follow a more traditional lifestyle than many other islands. Some of the higher altitude villages are known as kastom villages, where modern inventions are restricted, the male inhabitants wear penis sheaths (Bishlama: *nambas*) and women wore grass skirts, and the children do not go to public schools. They want to teach their children how to do gardening, hunting and planting for their survival and to live in their traditional ways.

Tanna and nearby Erromango were devastated by cyclone Pam in mid-March 2015, with reports of an unknown number of deaths, complete destruction of the island's infrastructure and permanent shelters, and no drinking water. Following this, an El Niño-spurred drought further impacted on the people of Tanna.

The island is one of the most fertile in Vanuatu and produces kava, coffee, coconut, copra, and other fruits and vegetables. Recently, Tourism has become more important, as tourists are attracted to the volcano and traditional culture. To help preserve the integrity of culture as a tourism asset, only local people are permitted to act as guides.

In 2020, when this Covid 19 Pandemic hit the world, Vanuatu's economic dramatically fell because of its most income is on Tourism industry.

Lenakel hospital on Tanna Island like most of the other hospitals and other health facilities across the country have suffered a lot with sometimes no medication at all in the facility or necessary tool or item to use. Wheelchairs were common item that was in greatest need from our main referral hospital in Port Vila to our Provincial hospital like Lenakel hospital on Tanna.

Mr. Robert Moise medical services manager was overjoyed and in tears when he witnessed the handing over of the donations donated by the Rotary Club Kidman Park Australia via request from Lenakel hospital to Bridging Health Australia was granted .He was shaking with emotions when he explained that the whole hospital is at the moment using one run down wheel chair that has one flat wheel and they have requested to the ministry of health but have been told MOH has limited finds and that they have to work within their means. He continues to say that when the two midwives were going around asking the other departments at the hospital and other health facilities throughout the island to do their wish list and hand them to hand over to me so I can then forward to Bridging health Australia to find help, Mr. Moise admitted that he thought that there's no way this will ever happen he was sure of that but now he's standing in front of all these donations and gifts from families in Australia. Now that these special gifts are here and have been officially handed over to him, he promised that he will hand over to the two midwives who have the list to distribute all health facilities according to their list of needed items.

Little helping hands gladly unloading

CLUB NEWS:

Rotary Kidman Park

October 2021

TANNA ROTARY REPORT (CONTINUED).

From Chief Jeffrey he wants to convey his sincere heartfelt thanks to Rotary Kidman Park and bridging Health for all the donations' and especially the solar Panel for the Nematautu Aid Post and as for Rollin Solomon and her mum they are very much thankful for the beautiful they have received. Rollin says now her mum could walk around her community in her wheelchair thanks to all for the wonderful gift.

On behalf of The Government Of Vanuatu and Director of Bridging health and team in Vanuatu we would like to sincerely thank the Bridging Health from the bottom of our hearts for your never ending support to Vanuatu and especially Tanna and Tafea Province. We will be forever grateful for you and what you have done for us and have an assurance that our connection will be forever connect and always kept as precious at all times.

To our Beautiful people of Rotary Kidman Park, we salute you all from the bottom of our hearts and we are so humble to have received such big donations. We know the people of Tafea Province are now in good state and we convey all their gratitude and heartfelt thanks to you wonderful people for your time, money, hard work in packing the container our humble prayer is God will multiply your hard work in His own good time to you all our beautiful people at heart.

Last, but not the least thankyou to Nathalie and Tracy for initiating the wish list, so all health facilities in Tanna can be equipped with medical items that are most needed.

Lastly, thanks to my small family, my husband Emori and my son Adrian for always for always giving me help and support I need, and I am forever blessed for two backs to always lean on.

Challenges faced

Many officers concern isn't sure of their job description directing us to this officer and to that officer which is really frustrating for us.

No Vehicle to get around to the offices so using public transport is time consuming.

Way forward and request

Vila Central Hospital has a big wish list and other Provinces when they heard of Tanna.

Lenakel hospital for officially handing over > Mr. Robert Moise, Midwife Nathalie And midwife Tracy

Midwives ready to hand a small gift to Enneth as a token of appreciation for what Rotary Kidman Park and Bridging Health had done for Tafea people

Handing over of one wheelchair to Rollin Solomon for her disable mum who's unable to walk for 7 long years

A chief Rep was away and the solar panel is to be kept safe in the container until he returns when he will officially hand over to the Nematautu Aid Post and submit a report.

ABOUT ROTARY

SERVE TO CHANGE LIVES

DON'T BACK DOWN ON POLIO

An update on the Polio Plus Program

The WHO table below, issued last Wednesday, indicates only 2 Wild Polio transmissions worldwide in Calendar year 2021. One each in Pakistan & Afghanistan & these back in January.

Nigeria's last Case was in August 2016. After 3 years of no new cases Nigeria, & the continent of Africa, were officially declared "Polio Free."

You'll see mention of "Wild virus type 1 reported from other sources" these are primarily sourced from the Vaccine itself shed in areas of poor sanitation. These cases are usually milder & are not counted as part of the Case Total which stands at 2 – largely as a result of getting the Taliban onside!!

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

Guess Who's Coming to Lunch - Sun Oct 24th 12.15pm

Thank you, Joy and Rob, Tina, Jenny and Ron, Kevin and Shirley, Christine and Alan (and my Rosemary!). Without you, of course, this event would not be going ahead. Just to bring you up to date:

We currently have 48 (including hosts) coming, working out at 8 (including hosts) at each location except for 7 at Tina's home and 9 at Kevin and Shirley's home. However, as you know, Ann Branson who was originally a host, is uncertain whether she will be attending as a guest due to recovering from her illness (and with that, perhaps Chris Branson may also be doubtful). I have told Ann that she could decide by this Sunday 17th. So I may still need to do a bit of juggling before the Draw of Names.

If you have any Dietary Restrictions/Food Allergies, please immediately contact John Jackson who will notify your selected Host to preserve your anonymity. (Next Monday 18th Oct, you will be emailed the name of your randomly selected Host) *jrjack1951@gmail.com 0438876812.*

Re reimbursement, if Rob Chambers can have your Bank Details and then a direct transfer can be made after Sun 24th when numbers/payments/placements have all happened. Hope this doesn't inconvenience anyone.

A sincere and hearty thank you
John Jackson

All photographs are courtesy of Bob Gloyn Photography

NOTICES:

GENERAL INFORMATION

DHS SCREENING

FACT: It is a legal requirement that all people who are likely to be working in aged, children/youth, disability and/or vulnerable sectors MUST have completed the DHS Screening. Records of member's successful completion are kept by each respective Club. Certification is simply mitigation against any risk that may arise out of a Rotarian's interaction with any vulnerable people.

It is now essential to get a DHS Screening from the Department of Human Services.

This can be done on line and is compulsory for all volunteers working with the sectors described.

All you need is a birth certificate and driver's licence, or passport and drivers licence to do it all on line.

Go to www.dcsiscreening.sa.gov.au

Go to "applicants can initiate a check independent of an organisation" - click

Role description - Working for Kidman Park Rotary Club

Screening required - tick all of them

- Aged Care Sector
- General Employment
- Vulnerable Persons
- Working with children
- Category is Volunteer

Keep going.

Good luck if you manage to get it; the certificates lasts from between 3 and 5 years.

Janet Johnson CPO

KPRC BANK DETAILS

The use of Direct Debit transfer of funds is now commonplace and it is very easy to use this facility to pay for the activities of the club. To assist the Treasurer, it is important that you include (in the reference section of the online transfer document of your own bank) your name and the club activity for which you are paying (e.g. John Smith Club Subs). Club bank details are:

Business Name : Kidman Park Rotary Club Inc.

Admin Account
BSB : 633 000
Account : 152 107 249

FROM YOUR EDITOR

There is no deliberate mistake this week!

If you have any contributions for the Krier, please get them to me before 7:30am of each Thursday following the Tuesday meeting for publication.
