FROM OUR PRESIDENT

Hi Everyone

I need to stop saying this, but, wow, what another incredible night on Tuesday night! So great to hear Colleen Billows share her story and talk about Ronald McDonald House. What an amazing woman and amazing story teller. How lucky were we to hear from her. Colleen was at least the second speaker that has wandered into our Bookmart and started a conversation that has lead to an amazing night. Thanks to all that popped money into the donation box to support the work she does.

It was lovely to have President David Taylor from the Henley Beach Rotary Club and his members join us for such a great night. Great to see them all.

The board met before the meeting yesterday, and I will catch up with you at next week's meeting about the resolutions from that meeting.

Tuesday was a busy day, we also met with Steven Freeling from the Westward Ho Golf Club to discuss how the arrangement was working for both of us. Overall the feedback from our members has been positive and I provided that information to Steven. The most significant feedback was very positive about the staff and especially Donna, so I made sure that he got that feedback. I did however get some negative feedback about the selections on Tuesday, because they were both big meaty meals, so I provided that feedback to Steven and he has said that he will make sure that he will have better variety between the options in the future (so if one is meat, the other one to be Chicken, Fish or Vegetarian). Both Westward Ho and Kidman Park Rotary Club are committed to working together and we encourage our members to make use of the facilities when you can.

Some important dates coming up:
Tuesday 23 November: AGM for both the Club and the Charitable Trust
Tuesday 30 November: the District Governor Jeff Neale will be presenting at the club
Sunday 5 December: Christmas Party
Tuesday 11 December: President's BBQ at West Beach Life Saving Club
See you next week.
Cheers
President Alison

Guest Speaker Colleen Billows

COLLEEN BILLOWS
RONALD MCDONALD HOUSE

Colleen was a maths teacher at Sienna College (now Nazareth Catholic College) for 30 years and retired 21 years ago. Since then she has volunteered at Ronald McDonald House looking after families from the country and Children requiring medical treatment at the Women's and Children's Hospital.

Her career started at St Michael's College where she had a year 8 class of 62 boys!

She married her husband who was an Apex/Grange Rotary member and President of the club 3 times.

After retirement in 1999, she was one of the first volunteers at Ronald McDonald House where she still works at the age of 85! She told us how the house was built with money raised from the 'Happy Meals' but to maintain the house requires money from donations and fund raisers.

Ronald Mc Donald House is home to over 20 families who live more than 100kms away from the W&C Hospital whilst their child is receiving treatment.

At least one volunteer must sleep there every night, which Colleen did until the age of 80. After that she couldn't get insurance so decided there was something else she could do for the house.

At the age of 83 she along with 100 other people abseiled down the Westpac building and raised more than $200,000 which reported on Channel 9 news.

She has recently done another abseil down the Intercontinental at the age of 85!

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

ABOUT ROTARY

Building a Hospital and Health Education Program in Bo Sierra Leone

Sierra Leone has one of the highest death rates for children in the world. The main causes of death which can be prevented are Malaria, Malnutrition, Measles and HIV.

Bo Children's Hospital is only the second children's hospital in Sierra Leone. Opened in June 2012 it has treated over 27,000 children and has helped reduce the death rate considerably. The hospital has a vaccination program vaccinating over 50 children once a week. It also sends nurses into remote villages inaccessible by road to vaccinate children. Minor surgery is also carried out at the hospital. Nurse educators teach parents and carers about better hygiene and preventative healthcare measures. The Bo Children's Hospital has truly made a lifesaving difference to the children of Sierra Leone.

The hospital requires ongoing funding for medical supplies, projects and running costs so that it can continue to save the lives of many children.

End of an Era – BookMart at West Lakes Library

A major location for the fundraising efforts of Kidman Park Rotary has finally come to an end. With the sale of equipment and a clean-up working bee in October 2021, our site at the Charles Sturt City West Lakes Library has now fully transferred to the Girl Guide Hall in Gawler Street Woodville West. Thanks to all who helped with the transition.

The BookMart financials for the month of October can be viewed on page 4 of this publication.

Rotary | ROTARY AUSTRALIA WORLD COMMUNITY SERVICE

Dear RKP Members,

Thank you for the positive feedback regarding the KPRC Charity Golf Day.

Requests for details of the subcommittee and event roles has been previously forwarded. All documents are fluid and will be finalised with the subcommittee approval, once formed. The goal is to form the committee and work on the planning and automation of booking, donation and sponsorship proposals over the next few months. This will give all members a simple format to help promote and forward information.

The aim then, is to promote and have all payments in by close of the financial year with the event to be held thereafter. Early to mid-October seems a quite time on the local event calendar to hold the event.

Looking forward to your input and support, happy to answer any queries. Please call or email me mario@screeningonsite.com.au.
Warm Regards

Mario McDonagh

A few of us are organising a fundraiser for DG Partner Jenny's project - All Kids - on Sunday afternoon 14th November.

It's primarily just to have a bit of fun listening to live music (the band that was at the District Conference back in March) on a Sunday afternoon and raise a few dollars for Jenny's project.

I'm sure there are a few 'music lovers' in the club that would like to do something a bit different for a couple of hours. A slightly different '*Pleasant Sunday afternoon*'.

Barbara Wheatcroft
Deputy Governor - Resources D9510
