## From Our President

Hi All

As discussed at the meeting, for those that havn't seen the email the board met on Monday night to discuss the current whether we needed to implement any additional rules in regards to the current Covid concerns. Due to SA Health regulations, Meals and Wheels now require all volunteers to be fully vaccinated, due to this and other feedback, we thought it appropriate for the board to meet and discuss our current arrangements.

The Board had a good and thorough discussion about mandating vaccinations for members, and at this stage we have decided not to mandate vaccinations.
We do however recognise that some people have increased vulnerability so we are implementing the following strategies:

Zoom Option - we will be zooming the meetings, so that those that don't feel comfortable can still participate. This is something that I had wanted to implement anyway for those that are travelling or busy at work etc, so please email me when you would like to attend by zoom and I will set it up and send you the link.
Christmas Party- If you are unable to attend the Christmas Party because of health concerns, please let us know on Tuesday and we will reimburse your payment.

Bookmart - If you are concerned about volunteering at the bookmart, please contact Jenni and we will work on organising arrangements that manage the risk.
We will manage each future volunteer arrangement based on the SA Health Guidelines at the time and the requirements of the organisation we are volunteering for.
We may have become complacent about mask wearing. Unless you have a medical exemption, please make sure your mask is on when you walk in and around any venue and only take your mask off when you are sitting at the table and/or eating and drinking. Please also do not attend if you are unwell.

I spoke to the Westward Ho Golf Club and they have no intention to mandate vaccinations either. All of their staff however are vaccinated.

If there are any circumstances that you are concerned about that I have not covered here, please feel free to contact me and we will look to find a workable solution.

I appreciate that this is an emotive issue with a range of different personal circumstances and opinions. I thank the board for their conscientious participation in this decision making and for the respectful way in which everyone communicated. I can assure you that not all conversations about covid are undertaken in this way.

Again, please contact me if you have any questions or concerns or if you have any specific issues. These arrangements may change based on the changing situation and in particular SA Health advice or decisions.

I am really looking forward to the Christmas Party on Sunday, I can't wait to see the Christmassy Face Masks. Handy Hint – you could put wrapping paper over an existing mask!. Please make sure your mask is on when you walk in and around any venue and only take your mask off when you are sitting at the table and/or eating and drinking. I think it is going to be an excellent celebration!

See you next week!

Alison

# DISTRICT GOVERNOR
# JEFF AND JENNY NEALE

What an honour to have District Governor Jeff Neal, Jenny Neal and Area Governor Ros De Garis join us on Tuesday night.

The District Governor reinforced that he felt the strongest and most successful clubs were the ones like ours that have a good fellowship, because being connected with each other helps everything else happen. Jenny Neal also mentioned that of all the clubs she had visited so far, ours was the friendliest club! Isn't that lovely!!

The board met with them all prior to the meeting to share what we have been working on, and I was really proud of what the club has already achieved this year and the plans for the rest of the year including:

- Funding participants for Operation Flinders and the Science Experience and looking into RYDA (Rotary Youth Driver Awareness)
- Finishing of the Tanna Medical Supplies Project and donating to the Toilet Project in Nasik India
- The Junction Community Project and the Community Event at the Bookmart
- Our network events for membership, as well as the Golf Day being both a fundraising event and a profile raising event to support membership. Also ideas about connecting with the local community, such as new people that move into the area.
- The BookMart which is our major fundraiser earning approximately $25k per year we hope to increase to $50k as it develops
- Our success in gaining District Grants to help fund all of these arrangements
- And of course what holds it all together, our fellowship events including Guess Who is Coming to Lunch, the Christmas Party and next year, our visit to the Old Adelaide Gaol.

Thank you to the board and all the committees for their continued passion and commitment.

I am sorry that we had a few technical issues during the District Governor's presentation. How calm and collected was he about it all! I will put a copy of the video on our internal member only facebook page so that you can watch it. District Governor Jeff shared President Shekhar Mehta's messages of each one, bring one and grow more, to do more, these are important strategies to consider for our future. I also really enjoyed hearing from Jenny about the all kids project in Prek Trabaek that she is supporting as her partner project.

**A REMINDER:** When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

## DONATION IN KIND (DIK)

Last Saturday a few members of the International committee, Brian Tucker, Frank Bunnik and yours truly went to Donations in Kind at Edinburgh to help cleaning and sorting items on a Working Bee.

As they have helped us tremendously during our “container to Tanna” project, we felt it was only appropriate to help them somewhat in return, under the spirit of Rotary.

Apart from moving some very heavy electric gophers , piano and other items we also sorted thousands of non-prescription glasses on their strength.

Needless to say that, because some pairs suited us perfectly, we see everything a lot clearer now!

As a reward we enjoyed a sumptuous BBQ lunch, cooked by District Governor Jeff, and some nice deserts to top it all off.

We thought that was time well spent.

Tom Bunnik,
Director International Committee

## GENERAL INFORMATION

### DHS SCREENING

All members are aware that it is a legal requirement for all people who are likely to be working in aged, children/youth, disability and/or vulnerable sectors MUST have completed the DHS Screening. Records of member's successful completion are kept by each respective Club. Certification is simply mitigation against any risk that may arise out of a Rotarian's interaction with any vulnerable people.

### MEALS ON WHEELS

Meals on Wheels are now asking all volunteers to provide evidence that that they have been double vaccinated against Covid. They are reporting daily to their head office on this. Please ensure you have your vaccination details with you (or a copy on your phone)
