From Our President

Hi All

For our last meeting for 2021, it was great to hear from Kim Krebs from Green Adelaide to hear what they are doing to support a cooler, greener and wilder Adelaide. Not to mention hearing about Adelaide being named the world's 2nd National Park City, and Australia's 1st. I thoroughly enjoyed talking with Kim during dinner and hearing her presentation. Rotary International added the Environment as a pillar of service this year, and I think there is something we could do with Kim in the future to support this.

Thank you again to Rose and her Fellowship Committee for such an amazing Christmas Party, and thank you to everyone that came, it was such a fun day. The Gin Christmas Party game continued to raise money on Tuesday night, thanks to Allan Hughes winning and donating it back to the club. We raised a further $140 via Auction, congratulations to Peter Farquar, I was so close!!. This was certainly some excitement that I was not expecting and who knew Stephen Redden was such a skilled Auctioneer. We look forward to Stephen formally joining the club in the new year and I am sure that we can put his skills to good use. Thanks again to Robert Ryan for coming up with game, managing it donating the prize.

We wish Norm Lewis a happy 105th Birthday for 24 December. On Tuesday we sang happy birthday to Norm and he made a wonderful speech to thank us for our fellowship. We learnt the importance of fellowship from him, so I am pleased that he continues to enjoy it.

It was also great to welcome back Ann and Chris Branson to the club. Ann, we are so pleased that you are feeling better and thank you for the lovely card, I am glad that our members were visiting and checking in with you during this really difficult time. We also continue to think of Ed King who I believe is still in hospital although hopes to make it out by Christmas. We were really pleased that Sheena could come to the Christmas Party and thank you to all those members providing care and support to both Ed and Sheena.

We will continue to monitor the COVID-19 situation over the next couple of months and make any adjustments as necessary. Please contact me to discuss any concerns. I know that this is a very stressful situation for many people, especially those that have other medical issues or are immune-compromised. Can I reinforce that all members (unless you have a medical exemption) must wear a mask, as required by law, when they walk about the club rooms and especially prior to taking your seat at your table. This means as you move through checkin, pay for your meal and pay at the bar. Wearing a mask is part of showing you care for the members of the club and understand that everyone's situation is different.

As we move toward Christmas, I wish everyone the best for the Christmas and New Year Period. I wish you health, happiness, love and laughter! For those that haven't seen family members in a while, I hope that you get a chance to see them, hug them and spend time with them.

Thanks for your support this year and I look forward to seeing you next on the 11 January at the West Beach Surf Lifesaving Club for the Presidents BBQ at the West Beach Surf Lifesaving Club.

Merry Christmas and Happy New Year.
Alison

Guest Speaker 14 Dec 2021

KIM KREBS
GREEN ADELAIDE

Our last speaker for the year, Kim Krebs of Green Adelaide, delivered an insightful and engaging presentation on the 14th December

Interesting to hear of the great projects and future of Green Adelaide. Were you relieved to hear it is a statutory driven board where government cannot drive agenda for their own design?

Knowing we have a passionate and educated driver at the helm of Adelaide Green is great news.

Cooling the climate, improving the surrounds of Adelaide, educating communities for sustainable outcomes, creating living waterways and wildlife corridors….. How will we keep everyone out?

Kim deserves all the accolades for her hard work and time. There were fantastic questions and clearly some passion in the room for looking after our own patch. Could there be a possible project KPRC?

Thank you all for making Kim feel so welcome and I am happy to hear of any suggestions regarding sustainability and the KPRC.
Have a great break.
Warm Regards and Merry Christmas.
Mario McDonagh

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

ABOUT ROTARY

The Object of Rotary is a philosophical statement of Rotary's purpose and the responsibilities of Rotarians. The concept of vocational service is rooted in the Second Object, which calls on Rotarians to "encourage and foster":

Those objectives are:

To encourage and foster high ethical standards in business and professions, to recognise the worthiness of all useful occupations, to dignify the Rotarian's occupation as an opportunity to serve society.
To apply the ideal of service in personal, business and community life.
To advance international understanding and goodwill, and peace through a world fellowship of businessmen and professional men and women united in the ideal of service.

Paul Harris wrote: "Each Rotarian is a connecting link between the idealism of Rotary and their trade or profession".

Vocational Service is the way Rotary fosters and supports the application of the Ideal of Service to the pursuit of all vocations.

It is the shared responsibility of both the Rotary Club and its members.

The role of the Club is to implement and encourage the objectives by its own actions in dealing with the community and by the development of projects that enable members to use their vocational talents in the service of the community. The role of members is to conduct themselves and their businesses in accordance with Rotary principles, and support the Vocational Service projects that the club has developed.

During January, Rotarians are encouraged to focus on this important avenue of Rotary service. Discussions on vocational service can lead to projects that not only develop the ethical consciousness and vocational skills of Rotarians but also the talents within their communities. Vocational Service Month is an opportunity to begin year-long vocational service activities, ranging from Rotary discussions to awards to community projects.
