From Our President

Hi All

We had about 20 people on zoom this week, a little low in numbers but lovely to see everyone on board. I received a number of emails and texts to advise that people couldn't attend this week, so hopefully we will have more on board next week. I know that zoom is not everyone, but connect in if you can. It was really great to see Ed King online, looking fabulous and feeling better. Just as Ed was out of hospital, Sheena went in, so a really tough time for both of them. We are thinking of you and hope that you both feeling alot better soon! It was great to see a group of our members get together to zoom together, I am going to get a group together for next week. The challenge is on! I enjoyed hearing from Zig Osis, incoming District Governor of Lions in our area, we certainly have a lot of similar challenges.

I sent out an email about our plans to return to in-person meetings on 1 March 2022. If you haven't already, can you please complete the survey by Saturday or let me know if you intend to come. So far we have received 30 responses with 25 saying they will come to meetings and 5 saying that are not ready to make a decision. We need to get as close as possible to that 35 figure attending to be viable for the Westward Golf Club and to not incur extra expenses, so please either complete the survey or email, call or text me to let me know if you will be joining us in-person from the 1 March. There is also a comment section, so an opportunity to provide feedback about what would be important for you in relation to returning in person.

I attended the Pink and Blue Walk and Swim sponsors event last Friday. The Pink and Blue Walk Swim is a fundraiser for Breast and Prostate Cancer research and treatment and is on the 12 February from 3-5 pm. I encourage you to register for the event if you can, I will also be looking for volunteers to work on the promotion stand for us, but will update you about this next week. This is the 10th year of the Pink and Blue Swim and its first year they had 80 participants and raised $950. In its biggest year 2020, they had 1001 participants and raised over $80,000. Last year was a little lower due to COVID-19 and this year due to protocols they have to keep it a little smaller. We are proud to be a sponsor of this event this year and I know that this cause is very important to a number of our members.

We are still looking for a President Elect, so please get in contact with me if you are interested and we are still taking expressions of interest for the Membership Director position for the remainder of this year and will update on this soon. We are also looking for someone to take over the production of the Kidman Krier. Rob Stocker has done an amazing job and has also made it a lot easier and simpler. Rob has other priorities he needs to focus on this year and so will give up the role in the middle of the year. This is a great opportunity for someone that wants to contribute more, but it is not interested in a leadership position.

Regards
Alison

Guest Speaker 01 Feb 2022

ZIG OSIS
INCOMING LIONS DISTRICT GOVERNOR

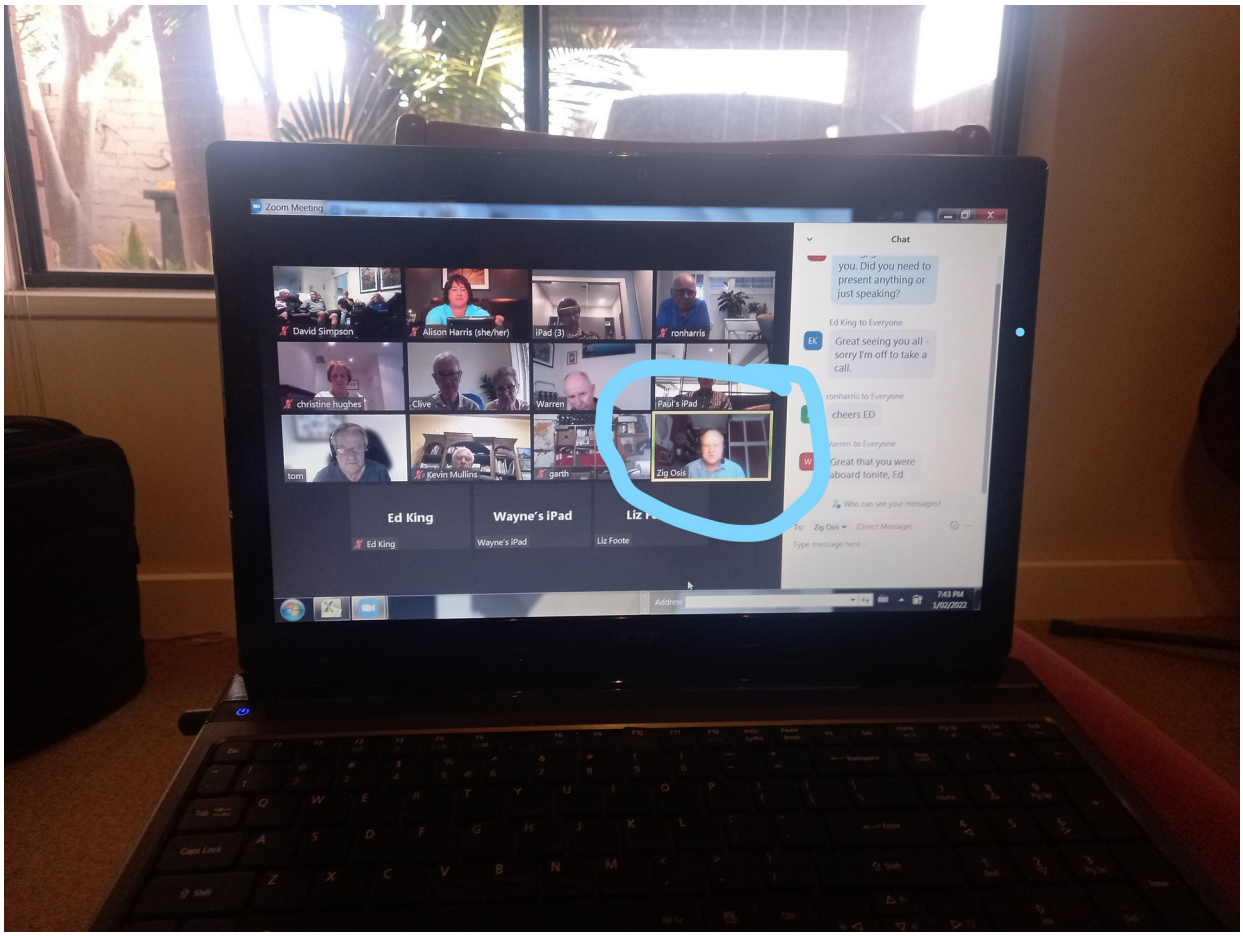

Zig Osis had previously been a member of the Millicent Rotary Club but decided that Lions was a good fit for him.

When Zig and his wife moved to West Beach he became a member of the West Beach Lions Club. Zig was Treasurer for 5 years and then President for 5 years. West Beach Lions Club has 16 members, equal numbers of men and women and majority are retired. Their main fundraising is Bunnings BBQs although like us, moving to the Airport Bunnings has not been beneficial for them.

Zig is the incoming District Governor and will be responsible for 56 clubs and 1135 members. Zig is keen to establish and build a relationship with us and Rotary as we are all working towards similar things.

It was great to hear about their Camp Quality project, which provides a caravan to families with children with Cancer to spend quality family time together at the West Beach Life Saving Club. The Lions district has significant projects doing Diabetes and Skin Cancer Screening.

Zig was a friendly, entertaining speaker and we look forward to potentially working with him on projects that support our community in the future.

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

ABOUT ROTARY

Peace and Conflict Prevention / Resolution Month focuses on:

Today, over 70 million people are displaced as a result of conflict, violence, persecution, and human rights violations. Half of them are children. We refuse to accept conflict as a way of life. Rotary projects provide training that fosters understanding and provides communities with the skills to resolve conflicts.

Rotary creates environments of peace

As a humanitarian organisation, peace is a cornerstone of our mission. We believe when people work to create peace in their communities, that change can have a global effect.

By carrying out service projects and supporting peace fellowships and scholarships, our members take action to address the underlying causes of conflict, including poverty, discrimination, ethnic tension, lack of access to education, and unequal distribution of resources.

Our commitment to peace-building today answers new challenges: how we can make the greatest possible impact and how we can achieve our vision of lasting change. We are approaching the concept of peace with greater cohesion and inclusivity, broadening the scope of what we mean by peace-building, and finding more ways for people to get involved.

Rotary creates environments where peace can happen.

Rotary's Four Roles in Promoting Peace - Rotary and its members are:

Practitioners: Our work fighting disease, providing clean water and sanitation, improving the health of mothers and children, supporting education, and growing local economies directly builds the optimal conditions for peaceful societies.

Educators: Our Rotary Peace Centres have trained over 1,300 peace fellows to become effective catalysts for peace through careers in government, education, and international organisations.

Mediators: Our members have negotiated humanitarian ceasefires in areas of conflict to allow polio vaccinators to reach children who are at risk.

Advocates: Our members have an integral role as respected, impartial participants during peace processes and in post-conflict reconstruction. We focus on creating communities and convening groups that are connected, inclusive, and resilient.

GENERAL INFORMATION

DHS SCREENING

All members are aware that it is a legal requirement for all people who are likely to be working in aged, children/youth, disability and/or vulnerable sectors MUST have completed the DHS Screening. Records of member's successful completion are kept by each respective Club. Certification is simply mitigation against any risk that may arise out of a Rotarian's interaction with any vulnerable people.

KPRC BANK DETAILS

The use of Direct Debit transfer of funds is now commonplace and it is very easy to use this facility to pay for the activities of the club. To assist the Treasurer, it is important that you include (in the reference section of the online transfer document of your own bank) your name and the club activity for which you are paying (e.g. John Smith Club Subs). Club bank details are:

Business Name : Kidman Park Rotary Club Inc.

Admin Account
BSB : 633 000

FROM YOUR EDITOR

Given the recent changes, production of the Krier will rely more heavily on Directors and Members providing news articles and supporting photos. I therefore ask when you are Chair or introducing a speaker that you send me the bios, photos and reports on the speaker's talk both prior- and post- to their talk. Photos can be taken on mobile phones and/or cameras – please send them as attachments to emails rather than attachments to messages.

Thank you in anticipation of your attention to this
Cheers
Rob

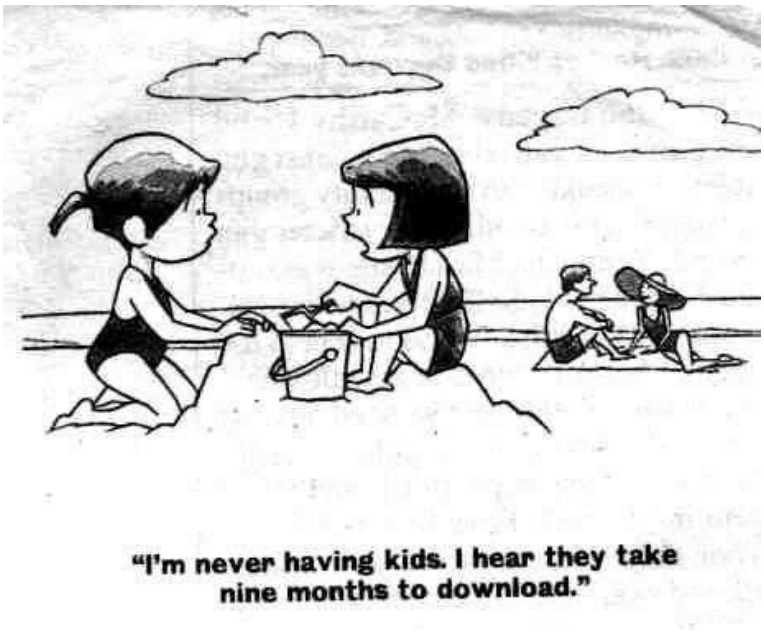

If you have any contributions for the Krier, please get them to me before 7:30am of each Thursday following the Tuesday meeting for publication.
