From Our President

Hi All

We had 23 people online on Tuesday night, a slight increase from last week. It was great to hear from Neville Williams about the fantastic work that the Royal Flying Doctors Service provides, Neville was really interesting and informative. I am so thankful that the RFDS exists!

I shared with the group on zoom that we have received a positive response from the survey about returning on 1 March 2022 to in-person meetings, and we are good to go. I am sure you are excited to return to meetings. I will update more about this soon.

On Saturday the club will be part of a great community event, the Pink and Blue Swim at the West Beach Surf Life Saving Club to raise money for Research and Patient Support for Breast Cancer and Prostate Cancer. I am still looking for a couple of volunteers to help with the stand, so please let me know if you can help, especially between 10-12 or to do pack up at 12. Last year this event was fantastic and I am sure it is going to be great again this year, it is an opportunity to promote the club to potential members in the area.

A reminder that we are looking for someone to take over production of the Krier. Thank you Rob for the great work you do every week. Rob has made the production of the Krier simpler, and is a great opportunity for someone to contribute to the club, but is not interested in a leadership position. Please let me or Rob know if you are interested.

I had a sneak peak today of the club Website, it is pretty close and looks amazing. Sneakily, I may even use it on the Pink and Blue Swim stand on Monday. Thank you to Rob, Karen and Bob for the carriage of this, and thank you to all the contributors. It was great to see all the projects over recent years.

Please look out for an email from me about next Tuesday's meeting which is scheduled to be a Committee Meeting, I will update you about this over the weekend.

Regards
Alison

NEVILLE WILLIAMS
ROYAL FLYING DOCTORS SERVICE

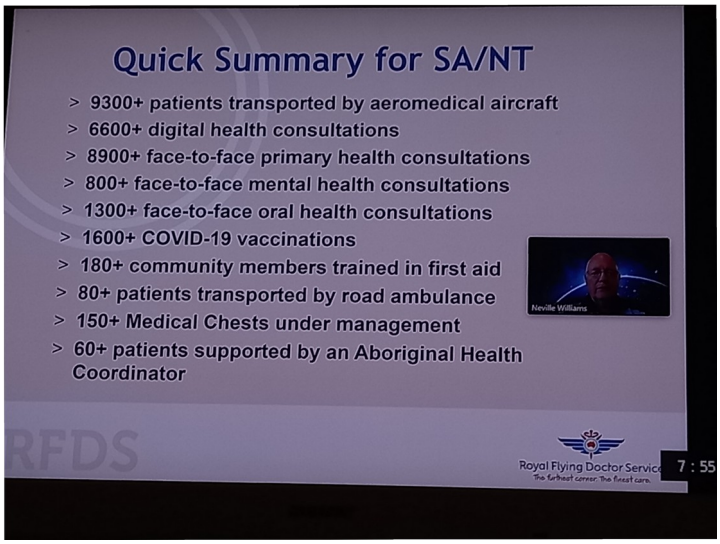

The RFDS is Neville Williams 3rd life! Originally Neville was a High School Teacher and then a Lecturer for Flinders University for 20 years in IT specialising in Information Security - no wonder he had no problems dealing with technology challenges! Now he is part of operations for NT/SA Royal Flying Doctors Service.

Neville shared that in 2019-20 services were provided to Mount Gambier, Whyalla, Port Pirie, Renmark, Tennant Creek, Kadina, Port Lincoln and Ceduna, for most of these towns, on average two flights a day were undertaken with a total of around 4000. Interestingly one in 20 of the patients resided in Adelaide, which means a lot of people getting into trouble while travelling (whether for work or holiday)!

Of course as COVID-19 changed our world, it changed the services that RFDS provided including vaccination clinics and they have one plane dedicated to covid patients that takes 2 hours to turn around because of the cleaning process.

Neville was very entertaining, and interesting and it was great to hear from a service that makes an incredible difference to our broader community!

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

ABOUT ROTARY

Peace and Conflict Prevention / Resolution Month focuses on:

Today, over 70 million people are displaced as a result of conflict, violence, persecution, and human rights violations. Half of them are children. We refuse to accept conflict as a way of life. Rotary projects provide training that fosters understanding and provides communities with the skills to resolve conflicts.

Rotary creates environments of peace

As a humanitarian organisation, peace is a cornerstone of our mission. We believe when people work to create peace in their communities, that change can have a global effect.

By carrying out service projects and supporting peace fellowships and scholarships, our members take action to address the underlying causes of conflict, including poverty, discrimination, ethnic tension, lack of access to education, and unequal distribution of resources.

Our commitment to peace-building today answers new challenges: how we can make the greatest possible impact and how we can achieve our vision of lasting change. We are approaching the concept of peace with greater cohesion and inclusivity, broadening the scope of what we mean by peace-building, and finding more ways for people to get involved.

Rotary creates environments where peace can happen.

Rotary's Four Roles in Promoting Peace - Rotary and its members are:

Practitioners: Our work fighting disease, providing clean water and sanitation, improving the health of mothers and children, supporting education, and growing local economies directly builds the optimal conditions for peaceful societies.

Educators: Our Rotary Peace Centres have trained over 1,300 peace fellows to become effective catalysts for peace through careers in government, education, and international organisations.

Mediators: Our members have negotiated humanitarian ceasefires in areas of conflict to allow polio vaccinators to reach children who are at risk.

Advocates: Our members have an integral role as respected, impartial participants during peace processes and in post-conflict reconstruction. We focus on creating communities and convening groups that are connected, inclusive, and resilient.
