Committee Reports from 15 Feb 2022

Vocational / Youth Committee

Operation Flinders

We are happy to report that our two students from Underdale High School completed their time at Operation Flinders and had the most amazing experience. As school has now resumed and as soon as KPR club meetings are in person again we will get them to come to the club and tell us about their life changing experience.

The Santos Science Experience

Our two students from Nazareth College completed their Science experience at Adelaide University in December. As soon as we can organise it we will have them as guest speakers at the club.

Youth Sailing Challenge

We interviewed a student from Urrbrae Agricultural High School to attend the Youth Sailing Challenge and deemed her suitable. This 5 day Challenge learning to sail a square rigged ship will take place in April, 2022.

RYDA

Our committee is still considering the Youth Awareness Driving Program which will take place in August.

Chris Hughes

New A frame sign: "Rotarians At Work"

Karen Feind picked up our new free sign on the weekend" Rotarians at Work". The sign will be stored in the BookMart shed.

The aim of the sign is to advertise Rotary and Kidman Park when we are working at a site and should be placed on the kerbside of the premises we are working at. It will be the responsibility of the team working at the site to look after the sign and remove it at the end of each day.

Fellowship Committee Report

Our first outing for the year will be 16th March for lunch at Plant 4 followed by an Historical Guided tour at the Old Adelaide Gaol .We are all looking forward to this event .Details have been sent to each member and in the Krier Notices page.

We hope to re- organise our Presidents BBQ soon at the WBSLC following a successful return to weekly meetings.

We are also looking forward to engaging some interesting speakers late March and April.

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

ABOUT ROTARY

Peace and Conflict Prevention / Resolution Month focuses on:

Today, over 70 million people are displaced as a result of conflict, violence, persecution, and human rights violations. Half of them are children. We refuse to accept conflict as a way of life. Rotary projects provide training that fosters understanding and provides communities with the skills to resolve conflicts.

Rotary creates environments of peace

As a humanitarian organisation, peace is a cornerstone of our mission. We believe when people work to create peace in their communities, that change can have a global effect.

By carrying out service projects and supporting peace fellowships and scholarships, our members take action to address the underlying causes of conflict, including poverty, discrimination, ethnic tension, lack of access to education, and unequal distribution of resources.

Our commitment to peace-building today answers new challenges: how we can make the greatest possible impact and how we can achieve our vision of lasting change. We are approaching the concept of peace with greater cohesion and inclusivity, broadening the scope of what we mean by peace-building, and finding more ways for people to get involved.

Rotary creates environments where peace can happen.

Rotary's Four Roles in Promoting Peace - Rotary and its members are:

Practitioners: Our work fighting disease, providing clean water and sanitation, improving the health of mothers and children, supporting education, and growing local economies directly builds the optimal conditions for peaceful societies.

Educators: Our Rotary Peace Centres have trained over 1,300 peace fellows to become effective catalysts for peace through careers in government, education, and international organisations.

Mediators: Our members have negotiated humanitarian ceasefires in areas of conflict to allow polio vaccinators to reach children who are at risk.

Advocates: Our members have an integral role as respected, impartial participants during peace processes and in post-conflict reconstruction. We focus on creating communities and convening groups that are connected, inclusive, and resilient.
