CLUB NEWS:

From Our President

Hi All

What a great night last night! We had a great attendance, just missing the 35 threshold, but given the number of texts I got yesterday of people caught up in close contact situations, and the number of our members not well or recovering from surgeries and other issues I think that was a great attendance! Congratulations and well done everyone!

Our thoughts are with Ed King at the moment, he has advised that Sheena's funeral will be on Saturday 16 April at 1.30 at Harrison Funerals, 173 Port Road, Queenstown. I am sure a lot of us will want to attend to support Ed and his family. There is a limit to 150 people, so it is probably a good idea to get there early.

We are also thinking of Garth Palmer who is in hospital at the moment and we send him our best wishes and positive thoughts.

It was an honour to hear Neil Andrew speak on Tuesday, he obviously has a lot of connections with people in the club, and his passion and knowledge of the Murray Darling Basin shone through! I learnt a lot, and I really enjoyed his style and we had a good laugh at the end!

The board met before our club meeting on Tuesday and we discussed some pressing issues including the challenges of attendance numbers at the moment, the need to secure an incoming president and the funds we have available for projects. We decided that next Tuesday instead of having committee meetings, we would do a brainstorming session with club members to see if we could come up with any ideas that might help with these challenges and the ongoing success of the club moving forward. A lot has changed over the last few years, both in society and with our members and we may need to make some changes to continue as a strong club. This is your club! Let's talk about the options together and see if we can come up with some ideas.

See you on Tuesday.
Regards,
Ali Harris

What Have We Done?

Hi All

I shared with everyone at the meeting the following chart. Our club has a strong fellowship and social aspect, this chart focuses on what we have been doing outside of our fellowship to support our local and global community and what we have been spending money on.

The BookMart is obviously our significant fundraiser and funds almost all that we do.

The circles within the BookMart circle are things that the BookMart has funded, those half in and half out are supported by other funds, and in this case it was District Grant Funds.

The circles on the outside are things that our club has been involved in that either did not cost money, or money was raised in other ways, such as Rare Find Foundation which the money raised from the Christmas Party game went to and STEPtember which raised money by sponsorship.

Items such as Tanna Project and Operation Flinders were mostly done the previous year, but either had some expenses or actions this year and so have been included as a clear dot. Even though COVID-19 has reduced or changed some of our plans, we have still achieved a fair bit.

Regards,
Ali Harris

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

ABOUT ROTARY

Rotary makes high-quality health care available to vulnerable mothers and children so they can live longer and grow stronger.

We expand access to quality care, so mothers and children everywhere can have the same opportunities for a healthy future. An estimated 5.9 million children under the age of five die each year because of malnutrition, inadequate health care, and poor sanitation — all of which can be prevented.

HOW ROTARY MAKES HELP HAPPEN

Rotary provides education, immunizations, birth kits, and mobile health clinics. Women are taught how to prevent mother-to-infant HIV transmission, how to breast-feed, and how to protect themselves and their children from disease.

In the mountains of Poland, 26 children traumatized by violence get a chance to be kids again at Rotary camp where psychologists mix escape and therapy.

Clubs in Japan and Brazil used a Rotary Foundation global grant to equip a hospital with lifesaving neonatal equipment.

Through the use of technology, doctors are bringing health care to women and children living in rural Nigeria.

BOOKMART NOTICE

Hi Everyone,
First, may I say a BIG THANK YOU to you all for the hard work you do. Without your loyalty and efforts we would not be able to raise the funds that we need for our many Rotary projects.

As you know there is a lot of work associated with running this "business." Therefore, we all need to be aware of the job in hand so that a few are not left with a great deal to do.
I feel some people are not sure what to do while they are there so here is a list of them.

In the hall

* *Keeping the shop clean and orderly, including toilets*
* *Empty spots on shelves?-Stocking the shelves with books, making sure new books are priced*
* *Stocking the Office with books from the shed*
* *Culling books at times when indicated in the Communication Book*
* *Bins need to be taken out on Tuesday afternoons across the road and collected Thursday mornings, unless the Girl Guides have done them. (The Recycle bin dates are posted above the stove in the kitchen)*
* *Shelves on wheels are pushed in blank areas on Tuesday nights ready for Guides and rolled out again on Thursday mornings.*

In the Shed

* *Sorting out donated books- Fiction on the left and Non Fiction on the right*
* *Culling books that are too old/ damaged, putting them in boxes around the corner on the left.*
* *Making sure that hard covered books are not put in these boxes.*
* *Cutting off the hard covers*
* *Putting the hard covers in the yellow Recycle Bin , plastic covers in the red bin*
* *Keeping the shed tidy and making sure the walkway area is uncluttered*

If there are two members on duty, try to have someone in the shed while the other is in the hall.

Please open the shop at 10am. Remember we are like any other business and our reputation can suffer if people are left waiting at the door.
I will print and laminate this sheet, putting it in the office for future reference.
I know much of what I have said is obvious to many, but I thought I needed to put it down in writing for those that are not sure what to do.
Thank you once again for all your hard work,

Jenny Harris

National Flood Relief Appeal

MEDIA RELEASE

NATIONAL FLOOD RELIEF APPEAL

Australian charity, Rotary World Community Service, today announced that funds raised via their National Flood Relief Appeal for people impacted by the current floods in Queensland and New South Wales are now open for applications.

Local Rotary Clubs will be active in impacted areas starting this week seeking applications from families displaced due to the floods.

“When we launched the appeal one month ago we said the money raised will go directly and quickly to support those impacted, and we are pleased to be in a position to act on that commitment today,” said Rotary Australia World Community Service Ltd CEO Andrew Woodward.

“the fact that some of the impacted areas are having to deal with a second flood in a month is devastating, and we hope that providing some quick financial support will provide some short term relief and reduce the mental trauma being experienced,” Mr Woodward said.

Rotary Australia World Community Service has previously raised money for Bushfire and Drought affected areas and sees this disaster as just another where the network of Rotarians can step in to assist.

Families that have been displaced should make contact with their local Rotary Club to obtain the application form for a $500 debit card (voucher).

Mr Woodward said that the voucher system being used will provide for not only the recipient but also the local community as the funds are being used within the community, thus creating a multiplier effect for the families and local businesses impacted by the floods.

Rotary Australia World Community Service is a not-for-profit charity that aims to be a leading Australian charitable organisation for people’s wellbeing, supporting Rotarians and Rotary Clubs undertaking humanitarian projects in Australia and overseas.

Tax Deductible Donations to the appeal can still be made on the Rotary Australia World Community Service website at https://rawcs.org.au

Andrew Woodward is available for interviews and photographs
