**A REMINDER:** When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

## ABOUT ROTARY

Rotary makes high-quality health care available to vulnerable mothers and children so they can live longer and grow stronger.

We expand access to quality care, so mothers and children everywhere can have the same opportunities for a healthy future. An estimated 5.9 million children under the age of five die each year because of malnutrition, inadequate health care, and poor sanitation — all of which can be prevented.

### HOW ROTARY MAKES HELP HAPPEN

Rotary provides education, immunizations, birth kits, and mobile health clinics. Women are taught how to prevent mother-to-infant HIV transmission, how to breast-feed, and how to protect themselves and their children from disease.

In the mountains of Poland, 26 children traumatized by violence get a chance to be kids again at Rotary camp where psychologists mix escape and therapy.

Clubs in Japan and Brazil used a Rotary Foundation global grant to equip a hospital with lifesaving neonatal equipment.

Through the use of technology, doctors are bringing health care to women and children living in rural Nigeria.

## National Flood Relief Appeal

# MEDIA RELEASE

NATIONAL FLOOD RELIEF APPEAL

Australian charity, Rotary World Community Service, today announced that funds raised via their National Flood Relief Appeal for people impacted by the current floods in Queensland and New South Wales are now open for applications.

Local Rotary Clubs will be active in impacted areas starting this week seeking applications from families displaced due to the floods.

“When we launched the appeal one month ago we said the money raised will go directly and quickly to support those impacted, and we are pleased to be in a position to act on that commitment today,” said Rotary Australia World Community Service Ltd CEO Andrew Woodward.

“the fact that some of the impacted areas are having to deal with a second flood in a month is devastating, and we hope that providing some quick financial support will provide some short term relief and reduce the mental trauma being experienced,” Mr Woodward said.

Rotary Australia World Community Service has previously raised money for Bushfire and Drought affected areas and sees this disaster as just another where the network of Rotarians can step in to assist.

Families that have been displaced should make contact with their local Rotary Club to obtain the application form for a $500 debit card (voucher).

Mr Woodward said that the voucher system being used will provide for not only the recipient but also the local community as the funds are being used within the community, thus creating a multiplier effect for the families and local businesses impacted by the floods.

Rotary Australia World Community Service is a not-for-profit charity that aims to be a leading Australian charitable organisation for people’s wellbeing, supporting Rotarians and Rotary Clubs undertaking humanitarian projects in Australia and overseas.

Tax Deductible Donations to the appeal can still be made on the Rotary Australia World Community Service website at https://rawcs.org.au

Andrew Woodward is available for interviews and photographs
