From Our President

Hi All
Another great night on Tuesday, it was really nice to welcome back some of the visitors from the previous week and also see some of our old friends!

Thanks to adapting to a bit of a different time line, I hope you all enjoyed listening and seeing the photos of John Welford's Kokoda Trail trip and seems life for some of you it was a journey down memory lane.

We are continuing to work on the Junction Community Centre, although there are few challenges in getting to finish line still, related to the surface underneath the playground. We have already gyp-rocked the training rooms, installed a range hood and air conditioning. Thank you to Robert Ryan, Peter Farquhar, Wayne Comley and Rob Chambers for trying to nut this last, problem-some bit out!

Remember this is what we are trying to achieve:

What's next? Last Job – it's a big one!

Install this Playground Here!

Thank you to Brian MacDonald and Stuart Ghent for working with the Charles Sturt Council to use the BBQ. It has been a while since it has got a run!

The Youth/Vocational Committee is considering at the moment, what I would suggest might be my passion project - a missing school robot to support children that are away from school for a long period of time because of illness or injury. If you haven't watched the video, please watch it: MissingSchool - Robots.

Thank you to all the volunteers on Thursday, picking up the shelving and delivering it to the BookMart and on Sunday, packing away the sale and filling the new shelves. The shelves look amazing. Thank you Rob Chambers, Jenny Harris and Rose Willington for both your organisation prior and on the day.

We are looking forward to visiting the Graduates Restaurant on the 1 June. We haven't done this for a while because of Covid but it is always a great night, so come along if you can. If you are not at the meetings to complete the round robin, please let Rose know if you want to attend.

A reminder that 17 May will be a partners evening. Our members and partners contributed so well to the clothing drive for the displaced women and children from the Ukraine, it will be great to hear how this helped with their transition to Adelaide. I will bring a round robin next week to complete, please email kidmanparkrotary@gmail.com if you will not be there next week to fill it out (either to say you are not coming or that you are and are and bringing your partner).

I shared at the meeting and in last week's Krier some key strategies I am implementing straight away from our brainstorming session. I am going to add some fun to the next committee meeting (fun night instead of a speaker), so I would love to hear from anyone that has any fun ideas, we will be having one of our random table allocation meetings very soon, the partners evening has been implemented and we will start asking people to do a 5 minute talk - could you be the first! There will be more outcomes and discussion from this soon!

A reminder that the Holdfast Bay Club has invited us to join them for a vocational visit to the Hindu Temple in Oaklands Park on Monday 23 May. Please let me know in the next week if you would like to join me at this.

Whew! that seems like a lot is happening. See you on Monday night when we will hear from Gerald Mathews about breathing new life into SA's heritage buildings.
Regards,
Ali Harris

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.
