From Our President (page 1 of 2)

Hi All

Last week we had a busy Board Meeting which I shared at the meeting on Tuesday - here is a summary.

I am pleased to advise that **Changeover** will be Sunday Lunch 31 July at Westward Ho Golf Course. We often use the change over dinner to give **Paul Harris Fellowships**, can you all please have a think about who might be deserving of one of these, both from inside the club and outside the club and let me know if you have anyone in mind.

We have a couple of important **positions** vacant for the coming year:
- Community Director
- Bulletin Editor

Both these positions are a great way to put your stamp on the Rotary Year!
Please reach out to me or Wayne Comley, Warren Hobbs or Tom Bunnik to discuss these positions.

Our **Membership Dues** for the next financial year are due soon. As we do every year, the board reviewed the amount. Some of you may not be familiar with model we use for membership dues. Through the Joker Draw and the $2 admin cost for meals, the club subsidises the Rotary Fees that are paid annually.

The Rotary Fees for each member is made up of:
- Rotary International Fee which is $80 USD Dollars, which this year is $125
- District 9510 component is $75
- Rotary Down Under Magazine $35 (Digital version which is the cheapest version)

This adds up to $235 that we will be paying for each member and in 2020 it was $219.

In addition we are having less people on average attend our meetings, for a variety of reasons, and so we are not raising as much money through the joker Draw and meal fee.

There are a couple of things we are doing about this:

1. We are looking at attendance and not registering anyone that have not been attending in the last year
2. The board voted to increase our annual subs from $180 to $200.

The board believes that this is still the right model.

It would be great if you can start paying this fee now. Either by credit card at the meeting or through a bank transfer.

The next partner's night will be next week, June 14. We will be hearing from Bridging Health about the Tanna Project. Sorry for the short notice. Please email me at kidmanparkrotary@gmail.com if you didn't complete the round robin by Sunday night to confirm if you or your partner are attending.

From Our President (page 2 of 2)

I also wanted to give you an update on our Community Project – The Junction Community Centre.

We have secured an extra $3665 to help complete the project from the Rotary Foundation (via the district) and we had a good meeting with Councillor Kat Mitchell in the hope to secure further funds in order to install the soft fall underneath the playground.

The best option is for turf over rubber which costs approximately $9000. This option is the best outcome for the Junction Centre and also requires the least physical work from us (which has become challenging to achieve for our club).

If we are able secure more funds, we might be able to achieve this preferred outcome, but we are continuing to look at our options which we will present to the Community Committee first for a decision and then the board for final approval.

We have received a request from Meals on Wheels who are very short on drivers at the moment to ask if we could assist with drivers on Friday. The members at the meeting were supportive of this on Friday and enough people said that we could help, so Karen Feind is going to advise that we can help with this and we will arrange a roster.

Karen has also been working on new banners and t-shirts for our members. She has been successful in gaining a one off grant from the District to assist with these costs and will consult with you further about the design shortly.

We were low on numbers on Tuesday, mostly I think because people are away. I felt like I was on holidays when we heard from Peter Clark about Monato Zoo – I could have been in Africa. For those that haven't been to Monato recently, it looks amazing what they have done to the place, and future accommodation next year looks really exciting!

See you next Tuesday, I hope we can enjoy the company of a lot of our partners, friends and family again. It will be a great opportunity to hear about the fabulous Tanna Project!

Regards,
Ali Harris

GUEST SPEAKER

Next Tuesday's guest speakers are Ricco and Michelle Yasso.

There will be a zoom presentation during which they will tell us all about what happened to the container our club sent to the Island of Tanna last year.

We are looking forward to their report and because a lot of our members were actively involved with the organisation, sponsoring and packing of the container I expect many members and hopefully also partners to attend this meeting.

On behalf of the international committee,

Tom Bunnik

About Ricco Yasso:

Ricco is a carpenter and concreter by trade but spent the past 20 years working as a prison officer. He began Bridging Health with no knowledge of health besides a first aid certificate, but with a deep love for the disadvantaged and under resourced people of Vanuatu. He is the fifth generation of Australian descendants of a chief, taken from Tanna island, Vanuatu, to work as a slave in Northern Queensland in the late 1800's.

Ricco is the President of Bridging Health.

Bridging Health Inc is a QLD based charity established in 2012 on the idea of being a bridge between Australia and Vanuatu that delivers health treatment by volunteer Australian nurses. Work began with taking a team of Australian Nurses to Tanna to work at the hospital and run a mobile health clinic in a few communities. It has now grown into an organisation with Australian and Vanuatu Governance that partners with more than 27 remote communities, schools and health centres in several island locations. Our services now include health and medical clinics with in-clinic training, emergency response, a variety of health workshops about men's and women's health (including the delivery of Days For Girls education and kits), delivery of supplies and equipment for hospitals and health facilities, the building of our first Aid Post and support of health workers.

Graduates Restaurant Night

On Wednesday night 01 June 44 people comprising members , partners and friends of Kidman Park Rotary Club attended Graduates Restaurant at the TAFE SA at Regency Park.

Meals were prepared and served by the students from the International College of Hotel Management. We had a Three course meal for $35. We were able to order nice wines , tea and coffee to go with our meals.

The food was delicious and the service was great. I started with Aromatic Smoked Trout followed by Pan Seared Barramundi. My dessert was Coconut Pannacotta. Each course had 3 different options.

To accompany our tea and coffee we were given a plate of home-made biscuits and rum balls.
A fun night was had by all. I can't wait to go next year.
