From Our Co-Presidents

AGM Nominations

In August Warren & I volunteered to manage the Presidents role for 2022-23. We did not do this because our wives wanted us out of the house. We had a situation which was no one's fault as circumstances had changed a couple of times. We had a strategy.

1. We wanted to buy some time to allow others to think ahead, plan ahead and step up next year and the year after.
2. Someone needed to quickly respond to relieve Alison from her role, which she admirably completed under extremely difficult circumstances as well as working full time.
3. Our mission was to create a president's role with much less effort and responsibility. Essentially the leader of the club and chairperson of the board. The weekly duties of running the meetings have successfully been taken on by a number of enthusiastic volunteers to MC/chair the meetings. I can tell you this change is very significant compared to my 2 previous president roles and creates the new role of president as very manageable and enjoyable. One of the best ideas was to share the role with Warren allowing us to freely consult on all matters as well as taking a holiday at any time knowing that the president's role is always covered.

I would encourage you to partner with another member to jointly nominate for the president's position, but let's not forget the president elect in 2 years as Warren & I agree that this transitional year is set aside to regroup and plan for more than just one year.

When you nominate for president or president elect you will do so knowing that we have already received board nominations for Past presidents, (Rob & Warren by default) Treasurer (Rob) International (Rob H) Club Admin (Karen), which means you already have a lot of experience on your team. Don't forget we also need directors for Vocational & Youth, Membership, Secretary & Fellowship. Directors can also be chaired by 2 people which mean you can still go away for that river cruise on the River Volga. Immediate past directors are also encouraged to stay with the same committee to ensure continuity. When was the last time you were on our board ?? Last year or more than 10 or even 20 years ago. (Did I hear you say never!!) You must put in if you enjoy what you take out. The older you are the wiser you are which is the perfect qualification to be a board chairperson.

Doggy Day BBQ

Explanation on donations.

At very short notice Warren & I accepted an invitation from City of Charles Sturt (CCS) to provide our bbq for a free bbq. The understanding was they provide the food; we cook and give the snags away. The CCS would give us a donation. We have done this arrangement before.

The CCS donation was less than before and disappointing for our volunteers, however we initially volunteered as a way of reconnecting with the CCS and getting out into the public with an opportunity to promote the Bookmart. We also got $311 donated by the public. I am happy that we achieved our goals with great public exposure and the total donations received were $411.

From Our Co-Presidents

An update on our Business Networking Meeting held last Tuesday 18th October

Numbers were excellent at around 60 attendees including a fantastic 16 visitors and 9 Partners and Member numbers strong at 35.

The introductions are a key action on these nights with Kevin Tiggemann and Mario McDonagh handling the process with plenty of fun along the way.

we had our second Induction (handled by Kevin) of a new member being Lauren Paradise. Lauren presents as a ball of energy and spoke of wanting to participate in our KPR volunteering. Welcome Lauren. We also took the opportunity to update all our Visitors of our key KPR Projects undertaken over the past year or so....the message being that KPR does more than just have fantastic fun meetings.

The Membership Committee led by Tiggy arrange these Networking evenings plus the Speaker. Nigel Smart, CEO of SA Crimestoppers (and former standout Crows and Premiership footballer) was an excellent choice. Prior to the start of the evening Nigel moved to all tables and chatted with almost every person present. Also when presenting he moved around the room with the Microphone. Plus the Crimestoppers story was interesting and relevant to us all.

A Get Well card was circulated for all to send a thought to our much loved Norm Lewis. Norm has had several days in RAH with pneumonia two weeks ago. Since the meeting I have spoken to Norms daughter Joan to pass on the Card, and Joan has reported that Norm has improved more than expected and his next accommodation has the goal of getting patients back home within 12 weeks and they are optimistic that Norms period may be less than that. Fingers and toes all crossed!!

One downside of our Networking Evening was the inconsistency of the meals. After meeting with the Westward Ho Manager several weeks ago, the meals had improved significantly but last Tues was a step back. We arrived to having 3 choices of meals (not two as normal) which complicated things unnecessarily. Plus the quality of some meals were not up to a Pub Meal standard which we have emphasised to them is the minimum standard. Just to let you know that Rob and I discussed this the following morning, then I rang the Manager the same day and put our thoughts and discontent in an email to him the next day. He has responded by email today and we will expect to see this greatly improved for future meetings. It is unfortunate that this was not the case for our visitors, partners and members last Tuesday. Watch this space.

Due to the large numbers, the meeting ran a little longer which Rob, Kevin and I have discussed and we have determined how we can assist Kevin and his team with that.

Well done to Kevin and his KPR Membership Committee....a special occasion and highly successful.

Co-Pres Warren

Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.
