Rotary Club of Kidman Park

From Our Co-Presidents

1. **DOGGY DAY at Henley Square** on Saturday 8th Oct from 11am to 2pm
City of Charles Sturt (CCS) are running a Bring your Doggy to the Beach day an excellent concept for the CCS Community

CCS have requested KPR to provide our BBQ Trailer and our BBQing "A" Team to chef and serve a free BBQ. CCS will provide all consumables of Sausages, Bread, Onions and Sauce and a small donation to KPR.

We have excellent Volunteer numbers for the two shifts. We will before and after set up and take down the KPR tent and organise the BBQ Trailer

09.30 to 12.00 BBQ Shift # A Chris Branson, Rob Stocker, Frank Bunnik, Ed King
12.00 to 02.30 BBQ Shift # B Peter Farquhar, Mario McDonagh, Kevin Tiggy, Brian Tucker (Medical substitute...David Simpson)

We will also be setting up a Pop-Up Book Shop of Doggy Books as part of this. These books can be taken away for a Gold Coin Donation to our "Lift the Lid" Mental Health Donation Box .
We will be passing out our Bookmart Flyers, KPR Club Flyers and our Business Networking Flyer relating to 18th Oct. Our Doggy Books are already boxed in preparation.
First shift is 09.30 to 12.00 is Jenny Harris and Second Shift of 12.00 to 2.30 is Karen Fiend. The Goal of the Pop-up is to promote the Doggy Day theme and our Bookmart and our great Club

Rob Chambers and Warren will be getting the BBQ Trailer to and fro and will get the consumables on site. This morning, we have been doing a few operational checks of the BBQ Trailer which clearly have been necessary

Even if you do not have a volunteer role on the day(you had to be quick to get one) still please bring your pooch down to Henley Square and enjoy a well cooked complimentary CCS sausage

It has been a while since KPR have tackled something like this, and it will be a good reconnection....and good fun.

What are our goals in taking this on.....strengthen our bond with CCS; flex our Community Service muscle; promote our Bookmart and KPR and Business Networking Evening; plus the CCS will gift a small donation to KPR

THANKYOU TO OUR 13 VOLUNTEERS WHO SPONTANEOUSLY ACCEPTED GETTING INVOLVED

2. **NEXT MEETING on Tues 4th OCT is at West Adelaide Football Club**

We have had plenty of research and consideration of numerous Venues over the past several months.....and some trouble shooting to improve those Venues for our purposes.
This came to be relevant as Covid had its impact on KPR and our attendances. With our coming visit to West Adelaide Footy Club this is likely our final review of Venues.
Pres Alison oversaw the difficult Venue period and achieved a great outcome in securing Westward Ho Venue. Some of the subsequent issues have been when our numbers were lower than optimum as well as meal choice and quality and being able to do that at a price with recognising that a Room Hire applies with the amount that we each each week. ie $7.50 pp attending per pw
.

CLUB NEWS:

Rotary Club of Kidman Park

From Our Co-Presidents

Some of the key considerations when we individually assess the suitablility of a Venue for KPR are.....Location and Suburb; the vista with Daylight Saving coming soon; Expandability of space; Shape of the room; Exclusivity of our space; Parking with the seasons; Relationship with Management; Microphones and Audio Visual; Table service and Bar service; Storage of our Furniture and Cabinets; Quality and Presentation of meals; Cost of Meal relative to our numbers attending; Notional Room Hire of $7.50 per attending person per week(so meal cost is not $25 it is closer to $17.50). Our current venue of Westward Ho ticks most of these boxes ....but there is ongoing work to do with Meals and AV but they are solvable especially when our attendances are solid in the mid thirties. eg Rob placed 44 Pizza orders last week.

We have had discussions and meetings at Westward Ho with the CEO about Food Quality, presentation, choice and price-points .....and meals have improved significantly in recent weeks.The input by our Chris Branson has been key in arriving at commercial solutions.

As we are all aware, suitable Venues for KPR are very hard to find .....at an acceptable price point. We have looked at Henley Hotel, Seaton Hotel, Glenelg Lacrosse/Airport Club, Beachside Cafe, and we are aware of the relative merits of our longtime Venue at West Beach Surf Club. It is an easy mental exercise to consider how well or not each of these Venues measure up to our above criteria. We have not had KPR Meetings in all of these Venues as our further investigation was discarded after the suitability or lack of it became obvious to us.

The WAFC is at 57 Milner Road, Richmond. This had been our Venue 12 years ago and we were happily there for several years until we were given notice due their other uses for the facilities.

The broad process for next Tuesday is that we are in the ground level Bistro (which is the second room on the right after you enter from the front of the building. The meals will be on alternate drop basis and the choices are Beef/Chicken Schnitzel with Chips and salad OR Calamari with Chips and salad and lemon aoili on side. Bread roll with each option. Please advise Frank of any Dietary requirements. We pay $25 by card to Frank at the attendance table as usual as you enter the Bistro room...no need to advise a selection as alternate drop applies so please consider your adjacent pal before you launch into your tucker. Drinks at bar prices .....you will need to go to the bar to get those. Parking will be available on the street or enter the oval car park.

The Meeting is a Committees Night and the relevant Committee sign will be on the tables.

Please get along to this Meeting Venue as it will be a helpful comparison for us to crystallise our thinking about the optimum Venue for KPR.

3. **Heads-up for our coming AGM**

An AGM is required for both KPR and the KPR Charitable Trust and it must by Constitution be held prior to the end of November. The accidental Presidents have set the date of Tues 29th November for the AGM's and we propose to have a Club Assembly in conjunction with that.

For those that are not aware of what a Club assembly is....then it can be summarised as an opportunity for Clubmembers to have their say about any KPR issue eg communication, meeting issues, structure of Meeting Program, our MC format, Venue or similar. However, if you do have something important to raise then raise that with either Rob or myself now. We cannot act on something we do not know about. It is also helpful that you accompany any problem with a corresponding suggested solution.

One of the AGM tasks is setting up the Officebearers for the next year being 22/23 eg President and Board. This should be a far easier period given that major Covid should be in the past and as a result our attendance numbers are ongoing 35+. Our MC process for Meetings is working well and our Board and process is solid. Also our Venue choice and issues are close to resolved.

So 22/23 would be a great year to put up your hand for Presidency or a key club role.

Co-Pres Warren (and Rob C)

Fellowship Event—Wednesday 28 September 2022

SA Aviation Museum and Largs Pier Hotel Lunch

This Wednesday morning 28th September 23 of us visited the Aviation Museum at Port Adelaide. We were welcomed and taken on an hour long tour of the facility and then left to discover much more in the many displays throughout the museums three hangars.Many dedicated volunteers spend Wednesdays and Saturdays working on exhibits and rebuilding old aircraft at the Museum .

It was exciting to see the F111C flown by Harry Bradford standing alongside a Macdonnell-Douglas Hornet. Many remember flying in the Fokker Friendship and the DC3 Dakota all on display. Ron recalled his trips in the de Havilland Dhc-4 Caribou in his Military Service days. It was interesting going into the big Lockheed Orion used in surveillance for submarines ,shipping and maritime patrol.

There were displays of South Australia's contributions to WW1,WW2 and space exploration. Old Airlines of SA uniforms very distinctive orange and criterian for becoming an air hostess back in the 70's were on display and all about image. No different from today!

Notable South Australian aviator profiles of both men and women were well documented and worthy of inspection .Part of the rich history of our state.

SAAM's library houses an extensive collection of books and DVDs as well as several archival and reference collections. Many collections of aviation memorabillia are housed in display cases spread throughout Hangar 1(too many to mention). Most of us spent 2 hours wandering around the museum. The museum President Nigel Daw expressed his delight in having us enjoy the exhibits.

A lovely lunch was then consumed at the Largs Pier Hotel with lively chatter.
