CLUB NEWS:

From Our Co-Presidents

This week's meeting was a Business Networking Meeting handled by the Members of the Membership Committee
The Speaker Chris Hartley was sourced and arranged by new member Shiralee Wood, the MC role handled well by Kevin Tiggemann and Mario McDonagh handled the introduction by visitors with customary aplomb. Numbers of visitors were also strong which evolved mostly from the Membership Committee. Total attendees solid at 40. Meal quality and quantity was good and this has been reported back to Westward Ho. Alternate Drop also seem to be making a positive difference the two different meals delivered to each table at similar times.

We also had our Area Governor Rosie Erasmus attend and she gave us a brief update on Group # 7 Clubs and their activities.
With the new D9510 there are now 10 Rotary Clubs in the coastal belt of Group 7.
We also had a visit from Barbara Wheatcroft Past DG and Barbara has had more District Rotary roles than networking events that Tiggy has attended .....and that is more than a few.
One text feedback about the Tuesday meeting from a Rotarian visitor was " I enjoyed the Meeting last night, thanks. There was a lot of fun in the room. Not your usual Rotary Meeting."
That is quite a commendation for our Membership Committee handling of the evening. And the Meeting finished just prior to 8PM

Speaker Chris Hartley is President of the Childhood Cancer Association....an excellent presentation and clearly a Charity that could do with our KPR support. For due consideration.
Our links with DIK may be helpful in providing some support.

The Meeting decided that there was not sufficient interest from our Club to have a group ordering of Rotary Puddings. Those interested can follow up individually.

Donations in Kind, the D9510 treasure trove had a working bee last Sat morning. Tom and Warren attended. Work required was creating more building space by using container storage.
There were around 30 attendees from many clubs and we met plenty of them. It is always interesting to browse what DIK do have in stock so we best match a future need with a DIK supply.
As an example near new Defibrillators were offered to the attendee clubs. We explored the option so KPR is now the proud owner of two Defrib devices. The cost of these devices is generally around $2000 each and the batteries are around $200. To us for no cost. We will seek some training from St Johns and for our next steps.
One logical use will be at Bookmart....and for educational purposes with the Guides. The Board will discuss other locations. We will also consider followup with DIK whether other Defribs are available ie if other Rotary Clubs have not registered any interest.

We have lodged an expression of interest in doing the BBQ at Bunnings Airport. We have no choice about that location as it is determined by our West Beach postcode so hence we are nor eligible for Bunnings Mile End or Woodville. Bunnings Airport will respond with some dates in the Jan to Mar 2023 Q. One Sat group recently achieved a net profit at Airport of $920 for 7 hours on a Saturday.

Tom Bunnik spoke of a visit to see our much loved founder Norm Lewis last week. Best period is 12 to 2 any day and he is still in Room 221 on the second floor. No need to ring prior to visiting.
Daughter Joan says ....just wake Norm up if necessary.

We now have a Foodbank Xmas Basket at Westward Ho to be receiving non perishable food and drink items when we attend on Tuesday nights. Thanks to Chris and Ann Branson for making this happen.
This has also been offered to Westward Ho members to contribute as well and their CEO Steve Freeling has been keen that they are involved.

CLUB NEWS:

From Our Co-Presidents

Please do some personal preparation now for our coming AGM on 29.11.22. We have several roles that will need input for the coming year and most roles are bite size and can be handled with good support from the Committees or shared roles. Our current Board is functioning well and several of those Directors are happy to be ongoing. Please see Warren or Rob C if you have a role in mind. We need these roles filled if we are to be a strong sustainable club in the long term. Check out page 5 for the roles available and Job Descriptions.
Please consider your role as a Club Member. These positions will not be filled unless you step up. Please do not rely on someone else to volunteer. Your Club needs YOU to volunteer.
We have a Board Meeting this Thursday 17/11 at 5pm at Co Pres Rob's home

Rotary Overseas Relocated Playgrounds
Every year in Australia thousands of unwanted playgrounds are sent to landfill. By our standards, these playgrounds have reached the end of their life. They may be a bit faded, worn, or out of fashion, but they are still safe and structurally sound. At the same time we send these playgrounds to landfill, there are children in developing nations who have never seen, nor experienced, the joy of a playground. Rotary wants to stop these playgrounds being wasted and secure them for children overseas.

The Rotary Overseas Relocated Playgrounds project (RORP) was started in Melbourne in July2019 and so far has relocated over 250 playgrounds for children in nations like Sri Lanka, Timor Leste, Fiji, Uganda, Nepal, the Philippines and Tanzania. Since launching in South Australia in 2021, Rotary has removed playgrounds for the Mount Barker District Council, the Rural City of Murray Bridge, the City of Whyalla, the City of Playford and the City of Tea Tree Gully, with removals approved and pending for the City of Prospect. the City of Onkaparinga and the Town of Gawler. We know that among the 64 councils in South Australia, there are around 1650 playgrounds. Imagine the joy we could bring to children overseas if we could relocate each of these playgrounds as they were replaced.

When we are referred a suitable playground, our team carefully photograph, survey and label every part. We then engage local Rotary Club volunteers to descend on the playground (armed with tools, WD-40 and determination) to disassemble it. The project team at the Rotary Club of Mount Barker liaise with the council (“the donor”) to arrange contracts and necessary documents. We assist the local Rotary club with a project plan and tools and then we remove the disassembled playground to our storage facility at Edinburgh Parks, pending shipping. The project is completely volunteer driven, however for each playground we ask for a donation towards the cost of shipping. The donation is calculated using a formula that reflects the size of the playground. We know that the donation is usually at least 50% of the cost of regular removal and disposal to landfill.

The Rotary Club of Mount Barker is the legal entity for the project and oversees all of the administration consistent with our business and legal requirements and advice. Our site managers carry construction white cards and our volunteers are insured by Rotary International. The ideal is for donors to partner with Rotary for the removal of all of their redundant playgrounds. This means that donating the playground to children overseas becomes embedded in the tendering process when contractors are engaged. There are significant social responsibility and economic benefits in donating a playground to the Rotary Overseas Relocated Playgrounds project. In addition to giving children the gift of joy from simple play; it keeps plastics and metals out of landfill; it engages manufacturers and local businesses with the chance to give time and services; it promotes positive relations between the community, councils and governments and it deploys volunteers in meaningful work.

CLUB NEWS:

Job Description – Positions vacant

President: We have made this job a lot easier and basically only the chairperson for the board. The president does not organise or run the weekly meetings. The weekly announcements & district announcements will normally come from the president.

President elect: Basically a support role for the president and a learning position in preparation for the following year. It is really important that this position is filled as it will give everybody a sense of confidence and certainty moving forward.

Secretary: The secretary is responsible for incoming / outgoing mail or email as well as communications with other Rotary entities. Writing and distribution of board minutes. This is an administrative role coordinating our club with Rotary and other organisations. An important role that any member can do.

Membership / Fellowship / Vocation & Youth / Community Service

These positions are basically the team leader of their respective committees to coordinate the ideas and potential projects that might arise out of committee meetings. It is intended that past chairpersons be appointed to the relative committee for the purpose of continuity. There should always be a deputy chairperson on all committees.

Bulletin Editor:

Potentially a job requiring copy and paste skills to produce an interesting & informative weekly newsletter. It is intended that a lot of members info currently displayed in the Bulletin will be transferred to the new website.

Please consider your role as a club member. These positions will not be filled unless you step up. Please do not rely on someone else to volunteer. It is your job to volunteer.

Norm :- Norm is now receiving visitors Room 221 on second floor of Glenrose Court home @ Portrush rd Glen Osbourne. You do not need to ring ahead.

The truth behind the ditching of DC-3, VH-EDC in Botany Bay that saved 25 lives

On 24 April 1994, long before Sully became famous for ditching a plane into the Hudson River, 25 passengers were saved when a pilot decided to ditch a DC-3 aircraft into Botany Bay after encountering problems just seconds after taking off from Sydney Airport.

Retired pilot Rod Lovell gives a candid account of why he chose to ditch the aircraft and how he had just 46 seconds to make a decision that changed his life forever.

He was hailed as a hero by the community but stripped of his honour by authorities.

Thank you for taking part in our Charity Golf Day!

On behalf of Community Living Australia, I would like to sincerely thank you for participating in our inaugural Adelaide Hills Charity Golf Day, either through playing in the competition, being one of our generous sponsors, or by supporting the event on the day. Thank you also to **Aston Hills Golf Club** for hosting this event with us.

This year, with your support, we raised over **$11,000** that will be utilised to support our clients living with a disability in our Adelaide Hills community.

Without the support of our proud sponsors it would not be possible to create meaningful events that ultimately enrich the lives of our clients, their families and our Community Living Australia network.

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

Please Note: If you would like to put your name down for any rosters contact CLUB SECRETARY, Wayne Comley.

If you are unable to fulfil your rostered role, please arrange a swap with another member before advising Wayne Comley and the Kidman Krier Editor Ali Harris kidmanparkrotary@gmail.com.
