CLUB NEWS:

From Our Co-Presidents

An excellent night last Tuesday with our Guest Speaker Anne Cameron from WBSC giving background about Pink and Blue Swim, Walk and Run. We received all the background at the time that we needed it. This is included elsewhere in the Bulletin.

Our numbers last Tues were down a bit with 30 attendees. This was not surprising as we have several still away on holidays and for special occasions. eg Lauren and Gary Paradise had their Anniversary celebration dinner on the night..

It was great to visit Bookmart recently to see some of our new members getting training for the Bookmart roles. That was Dale Kentish and then Lauren Paradise both keen participants at their first Bookmart shift.
Our Jenny Harris was at the helm with the training info sessions. Feedback on our Bookmart Sales has been positive from several shifts when the shop has been in SALE mode....many books marching out and excellent sale dollars in.

A big day coming this Saturday 14th Jan at Airport Bunnings BBQ. The organisational work has been done and a BBQ Team brief meeting was held last Tues at 8pm with 9 bbq'ers around the table. We have had a confirmation call from Michelle at Airport Bunnings ensuring our KPR readiness. A few more volunteers from last Tues....it is great that Pete Johnson is in a utility role and Helen Kite was keen to join the early shift. It will be a warm temperature at 37C but this Bunnings site is more comfortable than others given breeze and shade from the Bunnings building. Plus a battery powered fan.
We will have the update on the BBQ success in next weeks KK.

We have had good report from Chris Branson in his Manager role with Accor in Karratha....a very different location.. Karratha is quite a developed township of 23,000 people and with a major road system. The Accor building that Chris is working in is 8 stories high. Chris is enjoying the role and he believes he is a good fit for the role. Chris is back in Adelaide for a 4 day break in mid February and will catch up with people and also for the Sting concert

CLUB NEWS:

Pink and Blue Swim, Walk and Run.... Heads up in its overlap

We had an excellent presentation about the West Beach Surf Club Pink & Blue Day from Anne Cameron at last Tuesdays Meeting. The day has a focus on fun and fundraising to combat Breast Cancer and Prostate Cancer. The financial goal is to raise $100,000 for the 2023 Day.

KPR have supported this project for several years and for 2023 KPR has contributed $1000. We will have a Pop up Bookstore with children's books under our Gazebo on the Day being Sat 11th Feb. Most activities will be between 9am to noon. Last year our stand attracted a lot of interest especially with children .....and a focus for their parents was also awareness of what Rotary is all about and more specifically what is the DNA of Kidman Park RC and what and where is KPR Bookmart.

So please all put this day of Sat 11th Feb in your calendars and decide how you and your friends may want to participate. Some of the different aspects of the event are as follows together with those KPR members who have advised that they are happy to participate(Thanks to you all)

Pink & Blue LAUNCH ....to be held Fri week 20th January 3pm to 5pm at Beachside Cafe....attending from KPR are Ron & Jenny Harris and Warren & Helen Hobbs

Volunteers for the KPR POP UP Bookstore on Sat 11th Feb from 9am to noon....Liz Foote, Chris Hughes, Alison Harris, Davis Simpson....2 per shift

The SWIM....Frank Bunnik has volunteered to swim with any other KPR volunteer swimmers....and he is available to be sponsored

The RUN....not surprisingly we were light on with Volunteers

The WALK is a different matter....Alison Harris will gather a walkers who could also do with some sponsorship for a great cause

TICKLED PINK is a variety evening event on Sat 8pm on 11th Feb with several Fringe artists $30 pp(that is a steal) and buy own tucker and drinks at Beachside Cafe. Our Ian Roberts is organising a table of 10...or 2 tables, so let Ian know if you are a starter. This will sell out so don't be shy.

We have been asked by Anne Cameron to help with some promotion of the Event. Alison has already posted this on our Face Book site...check it out. Also we have some hard copy posters for work places....plus we will update our Rotary Club Zone Area 7 of the coastal clubs at a coming Area 7 Presidents Meeting

So a very timely presentation of what Pink & Blue is and how and who can embrace the event to help it maximize its success.

The comedy night starts at 8.30pm, those attending could contact Beachside and book a table for dinner and eat first if they wanted a meal as well. But they would need to call Beachside to make a booking, say from about 7 would work well.

Updates/Information

How is our Norm going?

Norm's daughter Joan gave us an update on Tues 10th Jan and I was also fortunate to be able to have a phone discussion with Norm late last week.
In short Norm is well (for his 106 years) and he is very happy in his new abode with his description of his room as "lovely" and staff care "excellent"

The summary is that Norm has now shifted for ongoing into Southern Cross Care West Beach which is 655 - 671 Burbridge Road, West Beach which is opposite Apex Park.
The Reception Phone Number is 8353 3044 and email address is westbeach.reception@southerncrosscare.com.au.
Norms Room Number is 46. If you wish to visit Norm, the visiting hours are 10-4 Mon to Fri, 10-12 on Sat and no visits on Sundays due it being a rest day.

Before visiting please ring Reception on the phone number above and advise that you will be visiting and the approx time that you will be visiting.

As with all care facilities, all visitors will need to complete a form at reception and do a RATS test. You can do a RATS test at home and take the test measure with you to show evidence of your negative test. This will save visitors 15 minutes to do this at home. If you do a test at home you can be issued with a new RATS test kit to replace your RATS test from home.
Joan advises that visits are fine from here-on and Norm will be very pleased to see any visitors.

Given Norm's vulnerability to infection it is better that he has visitors come to see him over the next few weeks, instead of him attending Rotary and Probus clubs where there are high numbers of attendees and hence greater risk of infection. This also gives Norm the chance to settle into his new digs.

Seeds for Snapper

Our Community Services Committee have had discussions with Jen Clarke about how KPR could support this excellent environmental project.
Rachel Williams of Ozfish was our Guest Speaker on 30th August advising how this project works and what it achieves for our fish stocks.
Collection and delivery of the Seeds relies on same day collection of the seeds when they are washed up on the metro beaches and then delivering them by the following day to holding tanks at Cruising Yacht Club. For this to happen, the timely communication is generally to individuals by Face Book or text.

Jen Clarke is happy to lead this path so for individual members and / or partners who are interested in assisting with restoring Snapper stocks at our Metro Adelaide beaches then please ring, text or email Jen Clarke on 0423 007354 or jd.clarke@westnet.com.au. In this way she can gather a KPR group and handle the necessary prompt communications when the seeds wash up. This is very different from most of our KPR projects which involve a rostered group at a future date. If you are interested in this support to our local beachside environment then please communicate with Jen ASAP to advise of your interest. (Thanks Jen!!)

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

Meals on Wheels drivers are required for Fridays.

We have committed to assisting Meals on Wheels on Fridays by providing a driver for the next 3 months on round 3.

Meals on Wheels are extremely short staffed of volunteer drivers for round 3 Seaton/ Albert Park Area. If any one is able to assist it would be appreciated. Please let Karen know if you can help. Seven people would mean you would only need to do it twice.
