CLUB NEWS:

The Co-Presidents Round up for this week and looking forward

A fantastic night last Tuesday with our Speakers from our recent new members.
It is really helpful to hear from our own as we then all know key aspects and achievements from their past and current. Some snippets from each.

Brian Tucker.....spent many years living and working in Murray Bridge, past member of Murray Bridge Rotary Club, founder and owner of the PUZZLE PARK business with Partner Margie, son in Canada and daughters in Adelaide and Qld, former Financial Planner, has lived in Fulham Gardens for past 16 years, outback travel annually with adapted Camper vehicle.

Lauren (and Gary) Paradise....pronounced Law-ren. Busy family life with children still at home, live at Hove, they jointly run an IT business called Concept Data situated at Eastwood.
www.conceptdata.com.au check out the website!! Lauren had prepared a PowerPoint presentation which was in keeping with the nature of their business. "IT Managed Services.....aim to simplify the process of providing business focussed IT solutions."
If you get the chance to refer yourself, your family or friends to Concept Data then please do. Lauren referred to being an enthusiastic volunteer not just with KPR, and their business sponsors numerous charities. Lauren has now taken on a roster at KPR Bookmart and has been a regular attender at KPR Meetings and social events since joining as a member. Lauren and Gary are enthusiastic golfers at Westward Ho, when they get time.

Attendance was great on the night with it being a Business Networking Evening .....42 attendees which is great for KPR and the Venue and alternate drop meal seemed to work well. Kevin Tiggemann at the MC helm....always fun and with the constant theme of "expect the unexpected".

CLUB NEWS:

Urgent Request for Tuesday 31 January

Dear Rotarians of Kidman Park

I have an urgent call for support in regards to this project and the dismantling of the George Jones Playground located off Oliver Ave Fulham Gardens.

I have been contacted by the RC of Mount Barker this morning and we are looking for six able bodied people to help out from 9:15 on this Tuesday 31 January 2023 with the dismantling of this playground. It will take most of the day. I can do some of the pre-work involving spraying the bolts at the site with WD40 today and again on Monday. They apologise for the short notice but apparently two to three days notice is all that they get in regards to these projects.

Volunteers will need to provide their own safety shoes and gloves. High Vis vests and eye protection will be provided by RC of Mount Barker, who will also bring a trailer to take the equipment away and equipment that we may need.

Please let me know if you are able to assist with some support in this valuable Rotary Project to provide playgrounds to Mongolia.

Regards,

Rob Hughes

CLUB NEWS:

Congratulations to Donna Lee Dunbar

Congratulations to friend of the club Donna Lee Dunbar for being awarded a Public Service Medal in the Australian Day Honours list.

The Rotary Club of Kidman Park awarded Donna a 'Paul Harris Fellow' (PHF) many years ago for her exemplary work in community service liaising with many local Rotary projects, and in particular with helping Rotary to secure a nearby vacant parcel of land for parking cars for AFL football at the then AAMI Stadium West Lakes (now the WEST development). This Rotary project alone netted approximately $280,000 which was all donated to needy organisations and individuals mainly within the City of Charles Sturt. Well done to Donna!

Thank you to Stuart Ghent for bringing this to our attention, and giving us the opportunity to celebrate and congratulate Donna. The Citation is below:

PUBLIC SERVICE MEDAL (PSM)
Mrs Donna Lee DUNBAR, West Lakes SA 5021

For outstanding public service to the residents and employees of the City of Charles Sturt.
Mrs Donna Dunbar has dedicated her career to improving local government interaction and connection with residents at a grassroots level. She has held positions within the City of Charles Sturt including Finance, Records Administrator, Open Space and Engineering Operations, Media, Marketing & Public Relations and Regulatory Compliance (animal management, environmental health and traffic control). Her experience across all operational areas of Council provided a strong foundation when she undertook various managerial positions over her career at the City of Charles Sturt. Mrs Dunbar used her capabilities and passion for community to work closely with the local Rotary Club and Lions Club to raise considerable funds for much needed local community projects.

In 2018 Mrs Dunbar was promoted to General Manager Corporate Services. In this role, Mrs Dunbar leads progressive corporate service functions providing internal support to 500 employees and external support to elected members and 120,000 residents. Her 40 years of service to the western region of Adelaide, including working at the City of Charles Sturt, coupled with her dedication towards developing high performing teams and motivating individuals across the organisation, has resulted in a sustained and significant impact on residents.

Mrs Dunbar's hard work and demonstration of mutual respect to others, exhibits how working towards a common goal can bridge cultural, experiential and age gaps to unite people and create a sense of connection. Her legacy is not one that fades as she moves to new challenges, her influence is infused within those individuals she has mentored, the teams she has united and the communities she has connected with and supported across her career.

MEALS ON WHEELS

Meals on Wheels drivers are required for Fridays.

We have committed to assisting Meals on Wheels on Fridays by providing a driver for the next 3 months on round 3.

Meals on Wheels are extremely short staffed of volunteer drivers for round 3 Seaton/ Albert Park Area. If any one is able to assist it would be appreciated. Please let Karen know if you can help. Seven people would mean you would only need to do it twice.
