CLUB NEWS:

The Co-Presidents Report …. The bigger picture

Our KPR Board meeting took place last night at the Chambers' home.
All Committees were represented and reported given Committees Night discussions were fresh in our minds from Tuesday night.

There was also discussion about other events on a broader scale....River Murray Floods, the Ukraine Humanitarian needs and more recently the crisis, loss of life and damage caused by the earthquakes in Turkey and Syria.
Rotary District D9510 have prepared a path with a recent email advising of the D9510 Ukraine Crisis Project. This is a RAWCS Rotary Project and our KPR International Committee will consider the level of support and type of support that KPR could provide. This would be a recommendation to the KPR Board and subsequent to that we will raise the matter at a Club Meeting for input by members.

The earthquake Crisis in Turkey and Syria is so recent that D9510 is still considering its response and action, so that response will be determined and then communicated by D9510 over the next few weeks. Our Club has had past experiences with the Indonesian Earthquakes that occurred on a new year timing, and the Bushfires in SA which we strongly supported two geographic areas after due research.

It is always helpful that D9510 consider and provide a path for the D9510 Clubs to assist as we can be sure that it is a considered and sustainable direction.
But we at KPR also need to determine that the D9510 path is consistent with our KPR thoughts eg so that funds are not delayed in having an impact.

With reference to the Murray Floods, the impact of that is still emerging. We hope to hear more about that at KPR in due course.

You will see in this KK Edition there is an event about Ukraine Project Launch Event being held in Gawler on Thursday 16th Feb at 7pm. All detail is included separately in this KK (page 12)
This can also be viewed on Live Stream at this Link

Co-Presidents Report Continued KPR...The Local Scene

Busy weekend coming up.
The Pink and Blue Day is an exciting event. It will have been completed by edition date. We have had good interest in it by our KPR members with our Pop Up Library. More news on this in next weeks KK. eg did Frank Bunnik make the distance in the swim or were the Life Savers called to action?

Frank has turned this into a fun and financial occasion. As at last Tues night he had Sponsorship of $1035 and is matching that personally dollar for dollar.
As Frank mentioned last Tues that will make KPR the second biggest Sponsor of the event. KPR have contributed $1000 then over $2000 from Frank and contribution by some walkers and book donations from our stand. And all good fun.

The next day Sunday 12th Feb is our next Airport Bunnings BBQ.
All is in place ....our 3 BBQ teams at the ready, consumables ordered.
We set up at 9am and the first Sausage sold at 10am....and the last at 3.59pm

Those at KPR last Tues had a first look at the "Where did the money go" signage (laminated) covering all our contributions to Charity over the past 4 years.
This includes Grants most of which have been sourced by Rob Chambers. The total Donations for the past 4 years was $212,000 including approx $80k in Grants Impressive numbers. A large A3 layout of this is now up at Bookmart....eye level as you walk in the entrance. Well done Rob. You will see this appear in many places over the next several weeks eg website, KK, BBQ's, Pop Up Book Stands.

Special Evening on 28th Feb with Dennis Bunnik our Key-Note Speaker. Topic "What stage Overseas Travel is at now"
A Question that is on all of our collective lips. Good numbers 37 KPR members and 12 Partners and around 30 guests from other Area 7 Clubs. We will have around 85 along and it will be a signature night for KPR. Meals will be Alternate Drop and we are advising Westward Ho of our 2 choices for the meal.

This week on Tues 14th Feb our Speaker Rae is from Cleland Koala Support. Sadly, Rae is not permitted to bring a Koala in person due recent SA Govt restrictions. It will be an interesting presentation. Remember Partners are always welcome.

From your Co-Presidents
Warren and Rob

Visit and Drinks with Chris Branson
Most of you would all know by now that Chris has been working in Karratha since the end of November last year. He will be home for a few days in February for the "Sting" concert & a couple of medical appointments.

As he only had one week's notice before leaving to take up this position unfortunately he was unable to catch up with everyone before leaving. On Saturday 18th February both of us will be at the Watermark Hotel, Glenelg from 3.30pm onwards if anyone would like to join us for a "catch up" drink & a chat.

Hope to see you on the 18th

Cheers
Ann Branson

How do you visit Norm?
I visited and the process is quite quick and simple. I rang 20 min prior to book my planned visit time on phone 83533044. I did a RATS test at home before visiting and you take the Negative Test vial along to show at reception. A new RATS test packet is given to you by Reception to replace the home test. Fill in some detail on screen at Reception and a simple automated temperature check and from the screen info there is a sticky label with your name printed on it.
Total time spent in Reception was around 5 min.
Then take the lift to Level One and turn left out of lift and Norm is in Room 46 which is the first room on the left.

So Norm is open for the business of brightening up the day of any visitor. And the visiting process is simple and brief if you do your RATS at your home prior. Be prepared to laugh a lot ....and Norm loves to hear about the latest exploits of KPR and Kidman Parkers.

It is a more difficult process for Norm to be visiting Rotary or Probus where many people are attending. The risks of Covid and other infections are far greater in a larger group both for Norm and hence the other Southern Cross residents, so sadly we will see less of Norm at KPR in the future.

Murray Bridge Rotary Club Ambrose Competition

Hi Kidman Parker Golfers....Members and Partners

We have receive an invite from Jenny Phillips from Murray Bridge ROTARY Club about their coming 2 Person Ambrose Golf Competition.

It is being held on Thursday 20th April 2023 shot gun start at 8.45am (Flyer and registration form on next pages).

We had a group of 16 players from KPR that played last year and stayed for a fantastic BBQ Lunch and between us we won a host of impressive prizes. Most also paid extra for the Egg and Bacon Roll for Brekky and hired a motorised Cart to share. The MB Golf Course was enjoyable to play and is not a long course if you wish to walk, not cart. It was a great day that also raised near $10000 for "Australian Rotary Health to Lift the Lid on Mental Illness" and it is that same beneficiary for this year.

The cost at $50pp for golf and BBQ Lunch is great value ....extra if you want a Cart and Brekky.
They also cater for those golfers that do NOT have a Golf Handicap. They have a separate comp for ladies and we had several KPR ladies play last year.

Last year a bunch of us also dined and stayed the Thurs night at the Bridgeport Hotel. That is still possible but you will need to make the arrangements yourself. There is not a group booking planned for the Bridgeport Hotel on this occasion.

So I suggest you check your calendar to see if the date fits, and if so please enlist a golf pal to partner with....it can be someone from KPR or outside the Club.
(Most also car pooled last year) Then fill in the Registration Form but highlight that you are from KIDMAN PARK ROTARY and they will fix any issues such as No Handicap. Most paid by EFT last year.

Then scan and email and CC me in so I know broad numbers. If you have any problems then Jenny Phillips can generally answer most questions. Jenny 0407 239845
If the problem is more a KPR matter then ring or email me.

Carts can be in limited supply so I suggest sending your 2 Person Registration over the next week or two.

The Murray Bridge Rotary Club manage this event very impressively all at an affordable cost.....and Mental Illness Research benefits greatly.

This is not intended as a KPR club event....but a chance for those of us with an interest in golf to participate if they wish.....as they did last year. It has been suggested to me that there may be others in the Club that may wish to know about it and participate if they wish....so hence in KK.

Cheers
Warren Hobbs
