CLUB NEWS:

The Co-Presidents Report

We have Julie Johnson as Speaker next week **Tues 21st Feb**. Julie is the Chair of D9510 Public Image Committee. This is very timely for KPR to take a helicopter view of our Club....WHAT we are and WHY we are and how we can best present that to wider community. It has implications for how we Partner with various organisations, how we are viewed by those that we help and viewed by those that may wish to join us as Volunteers and as Members. Be prepared to take a fresh look at our Club

The following week of **Tues 28th Feb** is a signature occasion for KPR with **Dennis Bunnik our key-note Speaker**. The evening has been pitched as a Combined Meeting for the Area # 7 Clubs.
With the strong support of our Area Governor Rosie Erasmus, several of the Area 7 Rotary Clubs will be represented. They are Somerton Park, Glenelg, West Lakes, Port Adelaide and West Torrens. The total of Visitors from these clubs is 41. We will have 41 KPR Members along and 23 KPR Guests/ Partners. This is a total of 105 (at capacity is 100) which leaves slightly greater than comfortable capacity and hence we have closed bookings for KPR members and guests and for the visiting Clubs. This is a problem that we have rarely had in the past. Generally on our bigger Networking Nights there has always been space for late bookings, but this is a very different situation. If you have booked and your circumstances have changed and you choose now not to attend then please ring me 0411 744740. ASAP. There is no problem with us reducing numbers back to comfortable capacity.....in fact we favour that path. I need to provide accurate numbers to the Venue on this Mon 20th Feb for the 28th. For those that have been too late to book there may be another opportunity to hear Dennis Bunnik address current travel issues. He may be arranging a followup event in Bunnik House....which is quite an experience in that Venue. Let me know if you wish to go on a list to be advised of such an occasion. Even attendees of 28th Feb may want to attend this followup occasion as well as the Q&A leads to a lot of different places as well as the Bunnik House experience. This will be a great night at KPR and to have it shared with over 40 from other Area 7 Clubs is quite an occasion in itself. A heads-up that this Meeting will go longer than 8pm....more likely to 8.15pm or 8.30pm given the significance of the occasion. There will be much interest around Q&A with Dennis. Anyone who needs to leave at 8pm or prior to our finish is welcome to do so by just leaving quietly. The meal for the evening will be Alternate Drop of Salmon, Veg with White Sauce to the side OR Chicken Schnitzel, Salad and Chips with Trad Gravy to the side. The individual tables are served each Drop at similar timing so meal swap is a simple process.

Pink and Blue Event was a highlight last Saturday. Alison has placed an article in last Weeks Newsletter.
The team from KPR that assisted with the day had a variety of roles and all assisted in making the day a great success. We have invited the two key WBSC organisers (Paul Rafanelli and Anne Cameron) of the Pink and Blue Day along to our Meeting on 28th Feb and they will address the Meeting for 5 minutes to update us on the activities and overall success of the day, ultimately as a major fund-raiser for the research of Breast Cancer and Prostate Cancer.

CLUB NEWS:

Co-Presidents Report Continued

At our Board Meeting last Thursday the decision was made that the Bookmart Shed will be fitted with 2 Wirley Bird roofing fans and conventional fans will be installed in other areas. Safety aspects and auto time switches will apply for the safety of all users of Bookmart and to avoid the fans being left on accidently..

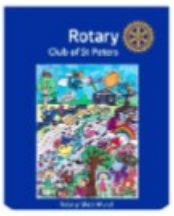

Also determined at Board was to return to DIK the two Defibrillators that were being researched by Chris Hughes. Chris has made significant followup on the merits of these machines. They will require replacement batteries of $200 each machine shortly and a service costing $200 for each. The machines are 8 years old and reliability will be a question over time and we need to be confident that the machines will perform properly when required to do so. We will contact DIK and advise of the findings of this research and offer to return the machines to DIK. This prevents other Clubs having to do the same extensive research Chris Hughes will follow up the price of a new Defib and specifically one for Bookmart. The Board will then make a decision about the purchase of a new Defibrillator for Bookmart.

Our Membership Director Kevin Tiggemann announced last Tuesday the transfer of PDG Barbara Wheatcroft from Maitland RC to KPR. The required documentation is in place and merely requires lodging.
Barbara has attended KPR meetings on several occasions over the past two months. Welcome to you Barbara. We are collectively delighted to have you join KPR and we are sure that you will enjoy your Rotary involvement at KPR. Kevin will arrange a suitable welcome date to celebrate Barbara's membership with KPR.

The district is sponsoring a forum regarding the newest Area of Focus – The Environment
Saturday 11 March 2 – 5pm @ The Theatre. Charles Campbell College, Campbell Rd Paradise.
Keynote speaker is Past International President & current Intl. Chair of trustees Rotary Foundation Ian Risely OAM. This will be of interest to members of KPR with updates on local and international projects. I think the Environment is one area that our club could embrace with plenty of local and international projects available. If you wish to register then please contact me and I will forward the fee. I will be attending and hope a few others will join me. Rob 0418 804 066

Airport Bunnings BBQ

Well done to the BBQ Team of Frank, Wayne, Peter J, David S, Peter B, Kevin T, Brian T,John C, Paul, Jenny H, Rob C, Warren

Well done and thanks to you all for combining to make it all happen last Sunday. The weather was a bit kinder at 26C and we were a bit more experienced second up with their new rules. It did highlight that last time our takings were less due to the hot weather on 14th Jan. Plus this time on a Sunday proved that Sunday is as good as a Saturday. It also reinforced Airport Bunnings now has the customer traffic on weekends to make the BBQ desirable on weekends...Covid is less impacting since in the past years. We were not given a March date but we would grab one if offered. We have to shortly register interest for the Quarter April to June which I will do.

The financial result was excellent for those with an eye for the score card

Cash sales (less float) was	$773 (Cash and card is about equal)
Card Sales	$926
Total sales	$1699
Less Expenses	487
Net Profit	**$ 1212**

Total hours invested by all 36hours.
$1212/36hrs = **$33 per hour earning rate which is good**.

Some other learnings from last Sunday
* we need to charge up the card machine before EVERY usage
* the 3 shifts of 3 people increased from longer 2 shifts of 4 hours worked far better....the lunch shift being busier we allocated 4 people which was necessary
* Gluten Free bread is offered....all the sausage stock is GF. Let's persevere with GF bread as a point of difference
* Signage for "Card and Cash" and "Where the Money Goes" is helpful
* XL cooking gloves are now on hand
* early purchase of drinks by the date of the previous Rotary Tues meeting helps move the drinks to those on the first shift for transporting and refrigerating. Car space not enough in one car.
* take our own sausage holder for ease
* classic coke less popular on a cooler day...Schweppes lemonade very unpopular ...do not buy lemonade on future occasions...still 20 cans on hand from 30 bought
* CCS Food Service Certificate needs to be displayed ...take some blue tack
* buying sausages the week before ensures supply....consider Due Date. We need to buy enough packs prior (perhaps store some at home) as supply did run out at Hilton....and if excess after we freeze.
* Put the choices of drink cans on the table so customers are aware of what we stock....reduces decision time and increases sales.

Warren For KPR Community Fundraising

Memo....**Some subsequent email feedback from a few of our BBQ team** as follows
"A good way to earn some dollars with good fellowship"
"What a great result"
"A good result.You mention Gluten Free bread is not viable. Perhaps so, but it does win us plaudits from GF people. I think it is worth retaining"....Lets do that!!

I'M JUMPING FOR A GREAT CAUSE!

I'm jumping out of a plane to support JDRF in their mission to find a cure for t1d.

Type 1 diabetes can strike anyone at any time, and 8 Australians are diagnosed every day. Diagnosis means a 24/7 fight with no break and facing an extra 180 decisions a day to remain safe and healthy. JDRF is the largest funder of type 1 diabetes research in the world with a vision to create a world without type 1 diabetes.

DONATE NOW to help change the lives of more than 130,000 Australians living with T1D. Thank you!

On the back of Frank's amazing fundraising for the Pink and Blue Swim, he is continuing to put his body on the line for fundraising challenges! Walking to raise money to find a cure for Type 1 Diabetes was not enough for this legend, he has upped the challenge and is **jumping from plane from 15000 ft height** (tandem of cause)! This jump will happen on the 19th of March at Semaphore Beach. This is a personal cause for Frank as one of his grandsons has diabetes type 1 since the age of 5. Frank using his big heart again to raise Money. You can support him and this great cause by donating here: bluearmy.jdrf.org.au/fundraisers/frankbunnik

Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.
