CLUB NEWS:

The Co-Presidents Report

1. This Tuesdays Meeting is something special with 5 of our KPR Members who own shacks on the River Murray to share their experiences. Plus a Powerpoint collage of photos bringing the reality home. If you wish to attend and your name is not on Kevin Tiggemann's round robin then please email him promptly. We need to have numbers for catering. Looks like 45 attendees at current time.

2. The date which has been scheduled for our visit and tour of AFL Max (cnr Taps and Burbridge Roads) is now confirmed at Tues 18th April. from 6pm to 8pm.
The tour will start at 6.15pm and meal from their Restaurant after the Tour. You will be amazed by what is in your local area and most have not set foot in the expansive and impressive building. It is way more than AFL football. The Round Robin will be circulated in two weeks time at our weekly meeting.

3. We have been contacted by the City of Charles Sturt about a BBQ for another Doggy Day but this time at Port Malcolm at Semaphore Park. Unfortunately that clashes with an Airport Bunnings BBQ date so we have declined but have indicated our future interest. Any future CCS BBQs handled by us will be on a Bunnings national pricing basis and we purchase the sausages etc. rather than free food provided by the CCS and us relying on a donation from the Council. In this restructured format we reckon we can make it work for us. CCS were very impressed with our KPR input to Henley Square Doggy Day.

Just a reminder that our role in the BBQ for Henley High School has fallen over as KPR were not considered to be in the Henley High zone devised by the Education Department. It might have been helpful if they told us that several days earlier as our BBQ role was all but already organised.

4.There looks to be an excellent finalisation path to our past project with Junction Centre. JCC Coordinator Sophia Katari has sourced a cheaper compliant product for soft fall at the base of the playground and for its installation, and Sophia has requested that we transport the Playground sections back to them. It has been stored in the side shed at Bookmart for the last several months. KPR had offered to retain the Playground (which had been purchased by KPR for the project) for an extension to August 2023 to enable JCC to secure funding for the Soft Fall. Sophia has also found several volunteers to dig the post holes and install the Playground. A fantastic outcome which will see the children with the playground ready for action in a month or so. We are planning to transport the Playground sections back to JCC this Thurs 23rd August at 10.30am If you can help being in a transporting party of 4 or supply a trailer then please let Rob Chambers know. The question of transporting will be asked at our Meeting next Tuesday night.

5. Last Wednesday evening we had a interesting time at the Glenelg Rotary Club meeting held at the Jetty Hotel on Jetty Road. Our attendees were Rob C, Wayne and Warren. Their President Alison Rogers and all members were very welcoming. We had browsed their website prior to the visit ....some similarities of Airport Bunnings, Operation Flinders .....and some differences of Cold Plunge being a winter dip in the ocean and we discussed possible partnering on projects if that arises and is of advantage. Interesting that they are sharing the hosting of a Rotary Exchange Student with Brighton Rotary Club for 23/24. Pres Alison Rogers was interested to speak about our Co-Pres arrangement and Master of Ceremony (MC) roles. Nothing ventured ....nothing gained. Watch this space. We will likely share a coffee catch up with their Pres Alison over the next month or so.

6. Time to act if you are wanting to attend the International Convention to be held in Melbourne late May, early June. Google the detail on the Convention website. KPR has entered a stand in the Expo at Bonython Hall on 3rd June. More later.

7 We have 8 groups of 2 golfers playing in the Murray Bridge Rotary Club Golf day on Thurs 20th April which supports Lift the Lid on Mental Health. Organiser Jenny Phillips has expressed her gratitude for our KPR support in this third year.

The Co-Presidents Report continued

8 Great speaker last Tuesday being Ian MacDonald, a man passionate and knowledgeable about Bees. Some interesting knowledge shared. If bees were no longer, the world would run out of food supply within 3 years, so whenever you next see a bee give it a cuddle for the good of all of us. Ian was a Charter Member of Flinders Park which was chartered the same year as KPR.

9. A decision was made at our Tues Dinner Meeting to support the International Committee of KPR to donate $2000 to Bridging Health which will assist at a time when earthquakes have impacted the local villages. Recent photos on face book show the enormity of the disaster. Bridging Health provides a Rotary connection at the other end. The Board approved this recommendation by show of hands at the Meeting.

Environment Forum

Last Saturday Jenny Filsell and I attended a Forum which provided an update and ideas for Rotary's 7th area of focus. I think that our club is well positioned to take on environmental projects especially since there are many that can be found locally. I will be relying on our members to identify local needs and partner with existing projects to develop projects in this area. More info to follow. https://www.rotary.org/en/our-causes/protecting-environment

District Assembly Sun Apr 02, 2023 at 9:00 AM - 4:00 PM.
Any member can register and attend
St Michaels College, 15 Mitton Ave, Henley Beach, SA 5022

The purpose of District Assembly is for you to make contact with the people in the District who can support you. It is to inform you about our major programs and to support you to know where to find further information. District Assembly is an opportunity for you, as key members of your club or interested Rotarians, to be updated on what's happening in Rotary and to network with Rotarians across our District. It is a great fellowship opportunity so please come along with your board and interested Rotarians from your club. **Those registered will receive a program well before so that you can plan what sessions you would like to attend, in advance.** Please complete your registration by 25th March. Click here to Register.

Attendance and meal costs

We currently have an arrangement with the Westward Ho golf club to provide meals on a Tuesday night. That arrangement is based on a minimum of 30 meals at $25 to be viable. Recently our numbers have fallen below 30 at around 2 meetings per month which means that we have to pay for 30 meals even though we have received payment for only 27 or 28. This means a loss each week of $50 + dollars. The best way to fix this is to come to a meeting and order a meal. If you have not been for a while, you will be pleased to know that Warren's effort to ensure consistent quality meals is paying dividends.
