The Co-Presidents Report

FRANK IS AWAY – Please don't phone him at 2am Shirley is the attendance contact.

River Murray in Flood:

A great night with 4 of our members re-living the recent River Murray floods. Chris Weyland, Peter Farquhar, Kevin Mullins and Ken Eyles are all long time owners of shacks on the River Murray and were all impacted by the recent flooding which turned out to be slightly higher than the 1974 flood but a metre less than the record 1956 monster. There was plenty of warning as townships in Victoria / NSW were impacted in late 2022 and predictions for floods in SA in early 2023. Councils and individuals all had their own preferred method to deal with the rising water. Some levies were successful, however most sand bagging and other techniques were no match for 'mother nature' and the very strong flow of the relentless flood. The damage was significant and more than expected with some lower level properties being completely destroyed. The 'intrepid four' are already in recovery mode with plenty of hard work ahead of them. A great evening with 47 attending including partners and guests.

Cubbyhouse for Junction Community Centre

The cubby house has now been moved from storage at the Bookmart to the JCC and will be installed by their volunteers. After some delay they have now secured funding for the required 'soft fall' area.

The Rotary Foundation:

The Board has approved a $5000 donation to the Rotary Foundation which will go towards funding various projects around the world. Some of this money will come back to local clubs in the form of District or Global grants. In the past our club has secured grants in excess of our annual contribution. More information is on the website. https://www.rotary.org/en/about-rotary/rotary-foundation

The David Roache Museum Outing

On Wednesday the 22nd March a group of Rotarians visited The David Roache Museum on Melbourne Street North Adelaide.

Arriving to a beautiful setting at 10:00 am we were ushered into an auditorium where we were treated to a briefing of David Roache's life history and the creation of The David Roache Foundation. Certainly a rich life filled with wonderful travel experiences and a love of collecting Regency antiques. David's main interest had been dog breeding ,grooming and showing with 44 dogs having been kept at kennels in the large yard. A room full of show prize ribbons bears testament to his great successes in this pursuit.

In groups of 10 we were lead through the house showing us a mixed collection of David's acquisitions .The walls were vibrant in silk wall papers some designed by David with luxurious curtains with hand stitched tassels and designs .Fine art portraits of dogs ,horses ,monarchs and flowers hung in each room between antique Regency European furniture and wall clocks. Ceramics and metal ware were exhibited in the collection of ornate cabinets seen with some quirky and playful items. A treat to the eye certainly with each item having its own unique history. The collection of items far exceeds the space and items are regularly rotated in and out of the display ,some on loan. An exhibition of the National Photographic Portrait Prize 2022 is also currently on display.

After the tour we strolled to the Lion Hotel and enjoyed a lovely congenial lunch. A wonderful day out with our heads filled with the many visions of this unique collection equal to any other seen across the globe .Certainly worthy of a revisit in the future.

Member Updates

Welcome Barbara Wheatcroft and partner Vic Gudiskis to the club

Please take the time to introduce your self to Barbara and Vic. Barbara would be familiar to many of us from her leadership roles in the District and is obviously not new to Rotary. She is however a new member to our club, so please take the time and opportunity to get to know the both.

Congratulations to Frank Bunnik for jumping for a great cause!

Frank jumped out of a plane to support JDRF in their mission to find a cure for Type 1 diabetes. What a legend! Type 1 diabetes can strike anyone at any time, and 8 Australians are diagnosed every day. Diagnosis means a 24/7 fight with no break and facing an extra 180 decisions a day to remain safe and healthy. JDRF is the largest funder of type 1 diabetes research in the world with a vision to create a world without type 1 diabetes.

Frank would like to thank everyone that donated!

Different to a normal conference, the **Expo is free,** will be for one day only, open to the public and held in the CBD. It is anticipated there will be 40 exhibitors including Rotary projects and projects of our partners in community service. Cost effective onsite parking will be available.

This unique event will provide clubs and partners the opportunity to share their stories with one another and the public, which we hope will assist them engage with and attract members of the community and other stakeholders.

By attending with fellow club members, you will not only jointly observe, learn, discuss projects and enrich your Rotary experience, but also hear some **great speakers** and enjoy **fellowship**.

The guest speakers will address issues related to change in society such as volunteering trends and they will honour our wonderful past.
